COLAMY VGR-LSTSC01-OAK

COLAMY Fluted 6-Drawer Dresser

Model: VGR-LSTSC01-OAK

IMPORTANT SAFETY INFORMATION

To prevent serious injury, this dresser must be securely attached to the wall with the provided wall-anchoring kit. Failure to do so can result in tipping, especially if children climb on the unit. Always place heavier items in the lowest drawers. Do not allow children to climb on or play with the dresser.

SETUP AND ASSEMBLY

Follow these step-by-step instructions carefully for proper assembly. It is recommended to have two people for assembly.

- Unpack and Organize:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface (like a carpet or blanket) to prevent scratches. Identify each part using the labels and the provided parts list in the manual.
- Assemble the Main Frame:** Follow the diagrams in your instruction manual to connect the side panels, back panel, and base. Ensure all screws and fasteners are tightened securely.
- Install Drawer Glides:** Attach the drawer glides to the inside of the dresser frame according to the manual's illustrations. Ensure they are level and properly aligned for smooth drawer operation.
- Assemble Drawers:** Construct each of the six drawers. Pay close attention to the orientation of the fluted front panels and the attachment of the champagne gold handles. Install the drawer glides onto the assembled drawers.
- Insert Drawers:** Carefully slide each assembled drawer into its corresponding slot in the dresser frame. Test each drawer for smooth opening and closing.
- Attach Anti-Toppling Device:** Securely attach the anti-toppling device to the back of the dresser and to a wall stud using the provided hardware. This step is crucial for safety.

OPERATING INSTRUCTIONS

The COLAMY Fluted Dresser is designed for convenient and organized storage. Each of the six drawers features soft-close glides for smooth and quiet operation.

- Drawer Use:** Gently pull the champagne gold handles to open the drawers. Push them back in to engage the soft-close mechanism, ensuring they close quietly and completely.
- Storage Capacity:** The wide and deep drawers (12.5"D x 24"W) are suitable for storing various household essentials, including clothing, linens, books, and decorative items. Distribute weight evenly within the drawers.

- **Top Surface:** The sturdy top surface can support up to 250 lbs, making it suitable for a TV stand, console cabinet, or displaying decor.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and functionality of your dresser for years to come.

- **Cleaning:** For general cleaning, wipe the surface with a soft, damp cloth. For spills or more stubborn marks, use a mild, non-abrasive cleaner. Always follow with a dry cloth to remove any moisture.
- **Water Resistance:** The matte wood grain surface is designed to be waterproof, making it easy to clean and resistant to minor spills.
- **Handles:** The champagne gold handles are crafted to resist scratches and stains. Clean them with a soft, dry cloth. Avoid harsh chemicals that may damage the finish.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or furniture polish containing silicone, as these can damage the finish.

- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

Entertainment Center for 65" TV

Accommodates most popular size of flat TVs up to 65"

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

- **Drawers do not slide smoothly:**

Solution: Check that the drawer glides are correctly installed and aligned on both the drawer and the dresser frame. Ensure no debris is obstructing the tracks. The anti-misalignment rails should help guide the drawers.

- **Dresser feels unstable:**

Solution: Ensure the dresser is placed on a level surface. Verify that the wall-anchoring kit is properly installed and securely fastened to a wall stud. Tighten all assembly screws.

- **Missing parts or damaged components:**

Solution: Refer to the parts list in your user manual. If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact COLAMY customer support immediately for assistance.

- **Drawers do not close completely:**

Solution: Check for any items obstructing the back of the drawer or the inside of the dresser. Ensure the soft-close mechanism is not damaged and the drawer glides are properly seated.
