## Kitstorack Laundry Hamper

# Kitstorack Laundry Hamper Instruction Manual

MODEL: LAUNDRY HAMPER

Brand: Kitstorack

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Kitstorack Laundry Hamper. Designed for efficiency and space-saving, this unit features a pull-out and removable bag, a sturdy metal frame, and a convenient top shelf. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

## Key Features

- **Space-Efficient Single Basket:** Offers a total volume of 17 gallons (62 L), maximizing space in your bathroom, laundry room, or bedroom.
- **Convenient Top Surface:** The upper shelf provides an additional area for organizing or displaying items. Its slatted design allows for optimal airflow, helping to minimize unwanted odors.
- **Removable & Washable Bags:** The bag is supported by a plastic panel at the bottom to prevent sagging. Hook-and-loop fasteners make the bag easy to remove for washing.
- **Sturdy and Stable:** Constructed with a 0.8-inch thick steel frame and MDF panel, the shelf supports up to 44 lbs. The Oxford fabric bag is water-resistant, and 4 adjustable feet provide excellent stability.
- **Versatile Use:** Ideal for various settings, including the laundry room, bathroom, or bedroom.

## OPERATING INSTRUCTIONS

---

### Using the Pull-Out Bag

The laundry bag is designed for easy access and removal. Simply pull the bag forward using the integrated handles to access its contents. For washing, detach the bag from the frame using the hook-and-loop fasteners. After washing, reattach the bag to the frame, ensuring the plastic panel at the bottom is correctly positioned to prevent sagging.

## MAINTENANCE

### Cleaning the Laundry Bag

The Oxford fabric laundry bag is removable and washable. For best results, follow the care instructions on the bag's label. Typically, machine wash cold on a gentle cycle and air dry to maintain its water-resistant properties and structural integrity. Ensure the bag is completely dry before reattaching it to the frame.

## Cleaning the Frame and Shelf

Wipe the metal frame and MDF shelf with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Dry thoroughly after cleaning.

## TROUBLESHOOTING

---

### Bag Not Sliding Smoothly

- Ensure the bag is correctly aligned within the frame's rails.
- Check for any obstructions or debris in the sliding mechanism.
- Verify that the plastic panel at the bottom of the bag is not dislodged or bent.

### Stability Issues

- Confirm that all screws and fasteners used during assembly are securely tightened.
- Adjust the 4 adjustable feet on the bottom of the frame to ensure the unit is level on uneven surfaces.
