Halitaa DE0005GR01A

Halitaa 47-inch Double Cat Litter Box Enclosure Instruction Manual

Model: DE0005GR01A | Brand: Halitaa

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Halitaa 47-inch Double Cat Litter Box Enclosure. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Ensure proper assembly and placement to prevent tipping.
- Do not exceed the weight capacity of 130 pounds.
- Keep the cabinet stable and secure to avoid accidents.
- Keep all small parts and packaging materials away from children and pets during assembly.

PACKAGE CONTENTS

Verify that all components listed below are present before starting assembly:

- 1 x 47" Cat Litter Enclosure
- 1 x Instruction Manual
- 1 x Scratch Pad
- All necessary tools and parts (as indicated in the assembly steps)

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended that two people assemble the unit for faster and more convenient installation. All necessary tools, parts, and installation instructions are included in the package.

Assembly Steps Overview

Follow the visual instructions provided in the assembly video for a step-by-step guide.

Video: Halitaa 47-inch Litter Box Enclosure Installation Guide. This video provides a detailed, step-by-step visual guide for assembling your cat litter box enclosure.

Key Assembly Tips:

- Identify all parts and hardware before starting.
- Use the provided tools or your own power drill on a low torque setting to avoid overtightening.
- Ensure all connections are secure for stability.

OPERATING INSTRUCTIONS

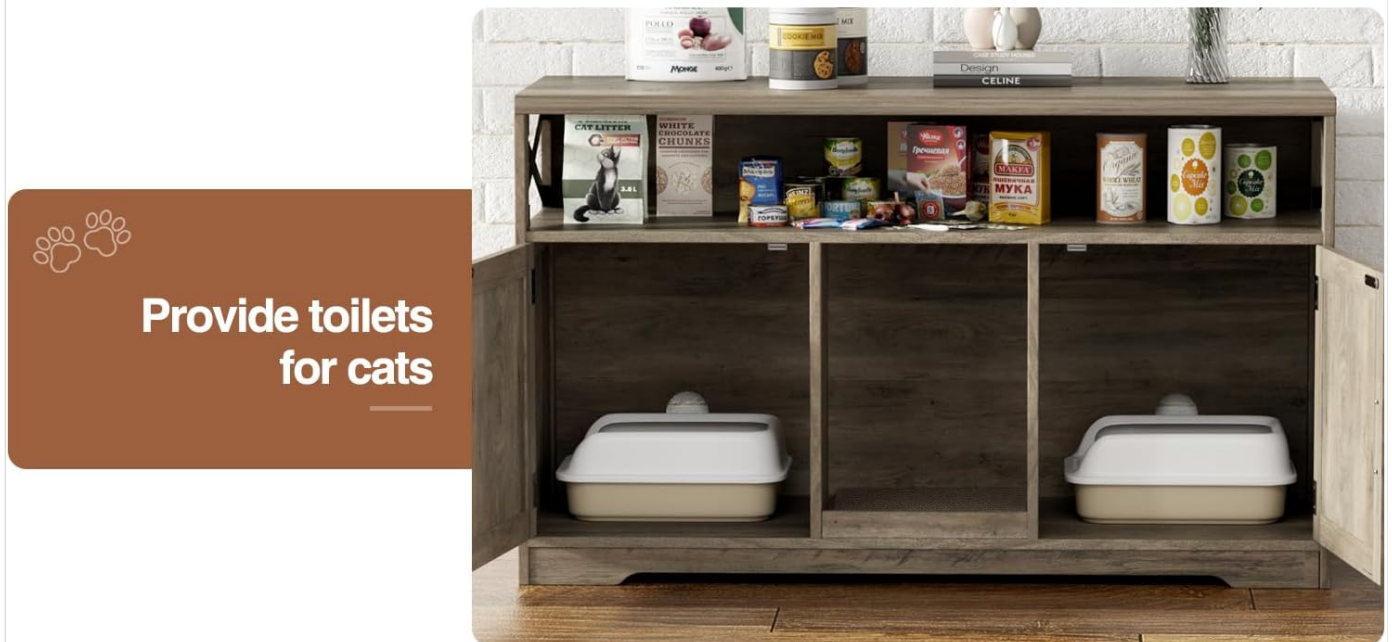

The Halitaa Double Cat Litter Box Enclosure is designed for versatility and functionality.

Dual Functionality:

- **Double Cabinet for 2 Cats:** The two enclosed cabinets can each hold a litter box or a cat bed, accommodating two cats comfortably.
- **Single Cat Configuration:** For one cat, one side can be used for a litter box and the other for a cat bed, providing a private resting spot.

**Rest room and litter
box enclosure in one**

**Provide toilets
for cats**

Enclosed Litter Box

- ✓ Keep away from odors and mess
- ✓ Providing privacy for cats

Image: The enclosure configured with two litter boxes, suitable for multiple cats.

Privacy and Odor Control:

- The thoughtful double door design ensures your cat enjoys uninterrupted privacy.
- Ventilation holes are integrated into the design to ensure odors are contained while allowing fresh air circulation.

Easy to Clean

Cat Scratching Pad

Magnetic Locks

Integrated Scratch Pad:

- A built-in scratch pad at the entrance provides a designated area for cats to sharpen their claws.
- The winding entry design caters to cats' natural exploratory instincts and helps prevent litter tracking.

Additional Storage:

- The spacious countertop and open storage compartment are ideal for storing pet food, toys, and home decor items.

MAINTENANCE

Regular maintenance ensures the longevity and hygiene of your cat litter box enclosure.

- **Cleaning:** The surfaces are designed for easy cleaning. Wipe down with a damp cloth as needed. Avoid harsh chemicals that may damage the finish or be harmful to pets.
- **Scratch Pad:** Regularly check and clean the built-in scratch pad to remove accumulated litter and debris. Replace the scratch pad if it becomes excessively worn.
- **Ventilation:** Ensure the ventilation holes on the back are not obstructed to maintain proper air circulation and odor control.

TROUBLESHOOTING

- **Odor Issues:** Ensure the litter boxes are cleaned regularly. Check that ventilation holes are clear. Consider using odor-absorbing litter or deodorizers inside the enclosure.
- **Litter Tracking:** The built-in scratch pad is designed to minimize tracking. Ensure it is positioned correctly. You may also consider a litter mat outside the enclosure for additional control.
- **Stability Concerns:** Recheck all assembly screws and connections to ensure they are tightened securely. Ensure the unit is placed on a flat, stable surface.
