## MAINTENANCE AND CARE

---

Proper maintenance ensures the longevity and optimal performance of your HONOR 400 Pro 5G. Follow these guidelines:

- Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive materials or harsh chemicals.
- Battery Care:** Avoid extreme temperatures. Do not let the battery drain completely regularly, and avoid overcharging. Use the original charger for best results.

- **Software Updates:** Regularly check for and install system updates to ensure you have the latest features, security patches, and performance improvements.
- **Storage Management:** Periodically clear unnecessary files, cache, and uninstall unused apps to free up storage space and maintain device speed.
- **Physical Protection:** Consider using a protective case and screen protector to guard against drops, scratches, and impacts.

## TROUBLESHOOTING COMMON ISSUES

---

This section addresses common problems you might encounter with your HONOR 400 Pro 5G and provides solutions:

Problem	Possible Cause	Solution
<b>Battery Drains Quickly</b>	High screen brightness, background apps, poor signal, old battery.	Reduce screen brightness, close unused apps, enable power-saving mode, check battery health in settings.
<b>Connectivity Glitches (Wi-Fi/Bluetooth)</b>	Router issues, interference, software bug.	Restart Wi-Fi/Bluetooth, restart phone, forget and reconnect network, reset network settings.
<b>Apps Crashing/Freezing</b>	Outdated app, insufficient RAM, corrupted data.	Clear app cache/data, update app, restart phone, uninstall and reinstall app.
<b>Phone Not Charging</b>	Faulty cable/adaptor, dirty charging port, software issue.	Try different cable/adaptor, clean charging port gently, restart phone.
<b>Slow Performance</b>	Too many apps, low storage, outdated software.	Close background apps, free up storage, update MagicOS, perform a factory reset (as a last resort).
