

Spigen Ultra Hybrid MagFit Case for iPhone 17

Spigen Ultra Hybrid MagFit Case for iPhone 17 - Frost Black Instruction Manual

Model: ACS10085

1. INTRODUCTION AND OVERVIEW

This manual provides instructions for the Spigen Ultra Hybrid MagFit Case designed for the iPhone 17. This case offers protection and enhanced functionality for your device.

Key features include:

- **TPU Covered Camera Control:** The camera control button is covered by a thin TPU layer, providing protection while maintaining functionality.
- **Hybrid PC and TPU Structure:** Combines polycarbonate (PC) and thermoplastic polyurethane (TPU) with Air Cushion Technology for a slim yet durable design.
- **Anti-Yellowing Clarity:** Infused with DuraClear blue resin for long-lasting clarity that resists yellowing.
- **MagSafe Compatibility:** Fully compatible with MagSafe accessories and wireless charging.

2. SETUP AND INSTALLATION

To install the Spigen Ultra Hybrid MagFit Case on your iPhone 17:

1. Ensure your iPhone 17 is clean and free of dust or debris.
2. Align the top edge of your iPhone 17 with the top edge of the case.
3. Gently push your iPhone 17 into the case, starting from the top, ensuring all corners snap securely into place.
4. Verify that all buttons and ports are correctly aligned with the case's cutouts.

3. OPERATING AND USAGE

The Spigen Ultra Hybrid MagFit Case is designed for seamless daily use:

- **Button Access:** Precise cutouts ensure easy access to all buttons and ports. The camera control button is protected by a thin TPU layer, allowing full functionality.
- **MagSafe Compatibility:** The integrated MagFit ring allows for secure attachment to MagSafe accessories and efficient wireless charging without removing the case.
- **Protection:** Raised edges around the screen and camera provide additional protection against daily drops and scratches.

Precise cutouts.

4. MAINTENANCE

To maintain the appearance and functionality of your Spigen Ultra Hybrid MagFit Case:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints. Avoid harsh chemicals or abrasive materials.
- **Anti-Yellowing:** The DuraClear blue resin is designed to resist yellowing over time, helping to maintain the case's clear appearance.

5. TROUBLESHOOTING

If you encounter any issues with your Spigen Ultra Hybrid MagFit Case, consider the following:

- **Case Fit:** Ensure the case is properly installed and all corners are securely snapped onto your iPhone 17. A loose fit can compromise protection.
- **MagSafe Functionality:** If MagSafe accessories are not attaching or charging correctly, ensure there is no debris between the case and the accessory. Confirm the accessory itself is functional.
- **Button Responsiveness:** If buttons feel unresponsive, remove the case and re-install it, ensuring proper alignment.

For further assistance, please refer to the Spigen support website.

6. SPECIFICATIONS

| Feature | Detail |
|-------------------------|---|
| Product Dimensions | 3 x 0.4 x 6 inches |
| Item Weight | 1.28 ounces |
| Item Model Number | ACS10085 |
| Compatible Phone Models | iPhone 17 |
| Material | Polycarbonate, Thermoplastic Polyurethane |
| Color | Frost Black |
| Special Features | Heavy Duty Protection, Slim Fit |

7. WARRANTY AND SUPPORT
