5. OPERATING INSTRUCTIONS

The IFANNY Montessori Twin Floor Bed is designed for ease of use and child independence.

- **Mattress Placement:** Place a twin-size mattress (not included) directly onto the bed slats. Ensure the mattress thickness does not exceed 8 inches.
- **Using the Door:** The bed features a functional door. To open, unlatch the bolt and swing the door outwards. To close, swing the door back into position and secure the latch.
- **Removing the Door:** For an open-concept design, the door can be removed by detaching its hinges from the frame. Store the door and hardware safely if removed.
- **Playhouse Functionality:** The low platform and enclosed design allow the bed to double as a play area, encouraging imaginative play.

6. MAINTENANCE

Proper maintenance ensures the longevity and safety of your bed frame.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose hardware to maintain stability.
- **Wood Care:** The bed frame is made of solid pine wood. Avoid prolonged exposure to direct sunlight or extreme

humidity to prevent warping or cracking.
