5. PRODUCT FEATURES AND USAGE

The GarveeLife patio conversation set offers versatile arrangements and comfortable seating for various outdoor settings.

- **Flexible Configurations:** The modular design allows you to easily rearrange the individual pieces to suit your space and occasion, whether indoors or outdoors. It is ideal for poolside areas, patios, backyards, lawns, balconies, porches, or gardens.
- **Comfortable Seating:** Features 4-inch thickened seat cushions with high-resilience sponge and back cushions filled with PP cotton for enhanced comfort.
- **Functional Coffee Table:** The coffee table includes a durable tempered glass top and an additional storage shelf underneath, perfect for keeping books, magazines, or other small items within reach.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your GarveeLife patio furniture set.

- **Rattan Frame:** The outdoor patio furniture frames are made from durable metal and PE rattan, designed to withstand various weather conditions. Clean the rattan with a soft cloth and mild soap solution. Rinse thoroughly with water and allow to air dry.
- **Cushions:** The cushion covers are water-resistant and machine washable. To clean, unzip and remove the covers, then

machine wash on a gentle cycle with cold water. Air dry only; do not tumble dry. While water-resistant, it is recommended to store cushions indoors or cover them during heavy rain or prolonged periods of non-use to maintain their quality.

- **Tempered Glass Tabletop:** The tempered glass tabletop is easy to clean. Use a glass cleaner and a soft cloth to wipe away spills and smudges. Avoid abrasive cleaners or tools that could scratch the glass.
- **General Care:** Periodically inspect all connections and tighten any loose hardware. Avoid placing hot items directly on the rattan or cushions.
