1. Safety Information

Please read and understand all safety warnings before assembly and use of the AMERLIFE Queen Size Murphy Bed. Failure to follow these instructions may result in injury or product damage.

- Always follow the step-by-step assembly instructions carefully to prevent instability or collapse.
- Do not exceed the maximum weight recommendation of **400 pounds** for the bed frame and **100 pounds** for the tabletop.
- Be cautious of sharp edges and directional wheels to avoid injury during assembly and operation.
- Keep the bed frame away from heat sources and moisture to prevent damage to the engineered wood and metal components.
- Ensure the anti-tipping device is properly installed and secured to prevent accidental tipping.
- A tri-fold mattress is required and is **not included** with this product. Ensure the mattress thickness is **6 inches or less** for proper storage and operation.

2. Product Overview

The AMERLIFE Queen Size Murphy Bed is a versatile furniture piece designed to maximize space in bedrooms, offices, or guest rooms. It seamlessly transforms from a stylish farmhouse wooden cabinet into a comfortable queen-size bed. The unit includes a built-in charging station and a large storage drawer for added convenience.

Assembly Tip:

For easier assembly, organize all parts and hardware before you begin. Refer to the detailed diagrams in your physical instruction manual for each step. Having a second person will significantly improve efficiency, especially when handling larger components.

4. Operating Instructions

Transforming Cabinet to Bed:

1. **Clear the Top:** Remove any items from the tabletop surface.
2. **Open Storage Drawer:** Pull out the large storage drawer at the bottom of the cabinet. This drawer also serves as a support for the bed frame.

3. **Release Latches:** Locate and release the safety latches on both sides of the cabinet.
4. **Lower Front Panel:** Gently pull the top front panel of the cabinet downwards. It will pivot to become the foot of the bed.
5. **Unfold Bed Frame:** Extend the bed frame outwards from the cabinet. The frame will unfold to create the full bed platform.
6. **Position Mattress:** Place your tri-fold mattress (not included) onto the unfolded bed frame. Ensure it is properly aligned.

Video 4.1: Demonstration of the AMERLIFE Murphy Bed transforming from a cabinet to a bed, showcasing the ease of operation and space-saving design.

Transforming Bed to Cabinet:

1. **Remove Mattress:** Fold and store the tri-fold mattress in its designated compartment within the cabinet.
2. **Fold Bed Frame:** Lift and fold the bed frame back into the cabinet.
3. **Raise Front Panel:** Push the foot panel upwards until it locks securely into place, forming the front of the cabinet.
4. **Secure Latches:** Engage the safety latches on both sides of the cabinet.
5. **Close Storage Drawer:** Push the large storage drawer back into the cabinet.

Using the Built-in Charging Station:

The charging station is located on the side of the cabinet. It provides convenient access to power for your electronic devices.

- Ensure the bed is plugged into a functional wall outlet using the provided 5.9-foot power cord.
- Use the 2 AC outlets for standard electrical devices.
- Use the USB-A port (5V/2A) for charging compatible USB devices.
- Use the Type-C port (5V/2A) for charging compatible Type-C devices.

5. Maintenance

Regular maintenance will help prolong the life and appearance of your AMERLIFE Queen Size Murphy Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically check all screws, bolts, and connections to ensure they are tight. Tighten as needed.
- **Moving Parts:** Inspect the slide rails and directional wheels for any debris or obstruction. Keep them clean for smooth operation. Lubricate if necessary with a silicone-based lubricant.
- **Electrical Components:** Ensure the charging station and its power cord are free from damage. Do not use if any part is frayed or damaged.
- **Environmental Conditions:** Avoid exposing the furniture to extreme temperatures, direct sunlight, or high humidity, which can cause warping or discoloration.

6. Troubleshooting

If you encounter any issues with your AMERLIFE Queen Size Murphy Bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed does not open/close smoothly.	Obstructed rails or wheels; loose hardware.	Check for debris in slide rails and wheels. Ensure all assembly hardware is tightened.
Charging station not working.	Not plugged in; faulty outlet; damaged cord.	Verify the bed is plugged into a live wall outlet. Test the outlet with another device. Inspect the power cord for damage.
Cabinet feels unstable.	Loose connections; anti-tipping device not installed.	Re-tighten all screws and bolts. Ensure the anti-tipping device is correctly installed and secured to the wall.
Drawer does not slide easily.	Debris in rails; misaligned drawer.	Clear any obstructions from the drawer rails. Check if the drawer is properly aligned on its tracks.

If the problem persists after attempting these solutions, please contact AMERLIFE customer support.
