AMERLIFE BPB117

AMERLIFE Queen Size Murphy Bed Instruction Manual

Model: BPB117

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your AMERLIFE Queen Size Murphy Bed, Model BPB117. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image 1.1: The AMERLIFE Queen Size Murphy Bed, showcasing its dual functionality as a cabinet and a bed, along with integrated charging and storage features.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all parts are securely fastened before use.
- Do not exceed the maximum weight capacity of the bed frame (400 lbs) or tabletop (100 lbs).
- Utilize the anti-tipping device to secure the cabinet to a wall, preventing accidental tipping.
- Keep small parts and packaging materials away from children.
- Assembly requires two adults. Do not attempt to assemble alone.

3. PARTS LIST

Before beginning assembly, verify that all components and hardware are present. Refer to the included instruction manual for a complete, detailed list of parts and hardware.

- MDF Boards: 25 pieces
- Hardware: 307 pieces

- Included Components: Anti-tipping Device, Cabinet Bed, Charging Station, Large Drawer, Wheeled mechanism.

— PRODUCT SIZE —

Image 3.1: Product dimensions and key components. The cabinet measures 63.4"W x 23.8"D x 43"H, and the Queen Bed Frame is 81.7"L x 63.4"W x 43"H. The bed frame has a weight capacity of 400 lbs, and the tabletop 100 lbs. The product ships in two packages.

4. SETUP & ASSEMBLY

Assembly of the AMERLIFE Queen Size Murphy Bed requires careful attention to detail and the assistance of a second person. The estimated assembly time for two adults is approximately 2 hours, though actual time may vary based on experience.

4.1 General Assembly Guidelines

- Follow the step-by-step instructions provided in the separate assembly manual.
- Identify all parts and hardware before starting.
- Use appropriate tools as specified in the manual.
- Do not overtighten screws.
- Ensure the anti-tipping device is properly installed and secured to a wall.

4.2 Assembly Steps Overview

The assembly process involves several key stages to transform the cabinet components into a

functional Murphy bed. Refer to the detailed manual for each step.

1. **Step 1:** Open the bottom drawer.
2. **Step 2:** Flip down the bed panel.
3. **Step 3:** Unfold the bed frame.
4. **Step 4:** Complete the bed extension, ensuring all parts are locked into place.

Image 4.3: Two-person assembly is recommended for efficiency and safety.

5. OPERATING INSTRUCTIONS

The AMERLIFE Murphy Bed is designed for easy conversion between a stylish cabinet and a comfortable queen-size bed.

5.1 Converting from Cabinet to Bed

1. Ensure the area in front of the cabinet is clear of obstructions.
2. Gently pull out the bottom storage drawer.
3. Locate the latch mechanism (refer to Image 4.1, Step 3 detail) and release it.
4. Carefully pull the top panel forward and down. The bed frame will begin to unfold.
5. Continue to pull the bed frame until it is fully extended and rests securely on the floor.
6. Place your tri-fold mattress (not included, maximum 6 inches thick) onto the bed frame.

5.2 Converting from Bed to Cabinet

1. Remove any bedding and the tri-fold mattress from the bed frame.
2. Lift the bed frame from the foot end, folding it back towards the cabinet.
3. Push the bed panel upwards until it aligns with the cabinet top.
4. Secure the latch mechanism to hold the bed panel in its upright, cabinet position.
5. Push the bottom storage drawer back into the cabinet.

6. PRODUCT FEATURES

6.1 Built-in Charging Station

The AMERLIFE Murphy Bed includes a convenient built-in charging station located on the side of the cabinet. This station provides easy access to power for your electronic devices.

- 2 AC Power Outlets (125V/12A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (5V/2A)
- 5.9-foot Power Cord

8. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your AMERLIFE Murphy Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills immediately to prevent staining, especially on the engineered wood surfaces.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Moving:** When moving the unit, lift it rather than dragging to prevent damage to the frame and floor.
- **Charging Station:** Ensure the charging station is kept dry and free from dust. Do not overload the outlets.

9. TROUBLESHOOTING

This section addresses common issues you might encounter with your Murphy bed.

9.1 Assembly Difficulties

- **Problem:** Assembly takes longer than expected (e.g., more than 2 hours).
- **Solution:** The estimated assembly time is an average. Complex furniture assembly can take longer. Ensure you have two people working together and carefully follow each step in the instruction manual. Verify all parts are correctly oriented before fastening.
- **Problem:** Missing or damaged parts.
- **Solution:** Contact AMERLIFE customer support immediately with your model number and a description of the missing or damaged part. Do not attempt to substitute parts.

9.2 Bed Conversion Issues

- **Problem:** Bed frame does not extend or retract smoothly.
- **Solution:** Check for any obstructions in the path of the bed frame or drawer. Ensure the precision silent rails are clean and free of debris. Verify that the latch mechanism is fully disengaged or engaged as required.

- **Problem:** Bed feels unstable when extended.
- **Solution:** Recheck all assembly connections, especially those related to the bed frame and support structure. Ensure the anti-tipping device is securely installed and anchored to a wall.

9.3 Charging Station Not Working

- **Problem:** Devices are not charging.
- **Solution:** Ensure the power cord for the charging station is securely plugged into a functional wall outlet. Check if the devices themselves are working correctly with other power sources. Avoid overloading the charging station with too many high-power devices simultaneously.

10. CUSTOMER SUPPORT

For further assistance, missing parts, or warranty inquiries, please contact AMERLIFE customer support. Have your model number (BPB117) and purchase information ready.

Contact information can typically be found on the AMERLIFE official website or through your retailer's customer service portal.
