Package Contents

- 1 x 50000mAh Portable Power Bank
- 4 x Built-in Charging Cables (iOS, Type-C, Micro-USB, Type-A)
- 1 x Lanyard
- 1 x User Manual

Specifications

- **Model Number:** HT-DX273
- **Battery Capacity:** 50000 Milliamp Hours (mAh)
- **Battery Type:** 3 Lithium Polymer batteries (included)
- **Product Dimensions:** 7.5 x 4 x 1.5 inches
- **Item Weight:** 1.5 pounds
- **Color:** Black
- **Special Features:** Auto Shut-Off, Built-In Cable, Digital Display, Fast Charging, Over Charging Protection
- **Connector Types:** Type-C, Type-A, iOS, USB-A, USB-C, Micro USB

Setup

Charging the Power Bank:

1. Connect the power bank to a power source using one of its input ports (Type-A cable, USB-C port, or Micro-USB port).
2. The LED digital screen will display the charging progress.
3. Charge until the display shows 100% for optimal performance.

Operating Instructions

Charging Your Devices:

1. Press the power button on the power bank to activate it and check the battery level on the LED display.
2. Select the appropriate built-in cable (iOS, Type-C, Micro-USB) or use your own USB-A/USB-C cable with the available ports.
3. Connect the cable to your device. The power bank will automatically begin charging.
4. You can charge up to 7 devices simultaneously using a combination of built-in cables and external ports.

Maintenance

- Keep the power bank away from extreme temperatures, direct sunlight, and liquids.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store in a cool, dry place when not in use.
- Avoid dropping or subjecting the power bank to strong impacts.

Troubleshooting

- **Device not charging:** Ensure the power bank is sufficiently charged. Check that the charging cable is securely connected to both the power bank and your device.
- **Power bank not charging:** Verify that the charging cable is properly connected to a power source and the power bank's input port. Ensure the power source is active.

- **Slow charging:** Confirm that your device supports fast charging and that you are using a compatible cable and port. Some devices may charge slower if multiple devices are connected simultaneously.

Safety Information

- Do not disassemble, modify, or repair the device yourself.
- Keep out of reach of children.
- Do not expose to fire or water.
- **Important Note:** This power bank has a capacity greater than 100Wh and is therefore **NOT allowed on an airplane** according to current regulations.
- Avoid using the power bank in environments with high humidity or extreme temperatures.

Warranty and Support

Your Znoyaf Portable Charger Power Bank comes with 24 months of care. For technical support or customer service, please refer to the contact information provided in your product packaging or visit the official Znoyaf website.
