# Garvee 8 Drawer Dresser & TV Stand

## USER MANUAL

### 1. INTRODUCTION

---

Thank you for choosing the Garvee 8 Drawer Dresser & TV Stand. This versatile furniture piece is designed to provide ample storage with its 8 deep collapsible fabric drawers, while also serving as a sturdy stand for televisions up to 50 inches. It features a convenient built-in charging station with AC outlets and USB ports, and integrated LED lights to enhance your living space. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your product.

## 2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Tip-Over Prevention:** Always secure the dresser to the wall using the provided tip guard. This is crucial to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the top surface or drawers. Distribute weight evenly.
- **Electrical Safety:** Ensure the charging station is connected to a properly grounded outlet. Do not overload the outlets. Keep liquids away from the charging station.
- **Child Safety:** The fabric drawers are designed to be child-friendly, preventing pinched fingers. However, always supervise children around the unit.
- **Placement:** Place the unit on a flat, stable, and level surface. Avoid placing it in areas with high humidity or direct sunlight.

### 3. SETUP AND ASSEMBLY

The Garvee Dresser is designed for quick and tool-free assembly, typically taking around 15 minutes. All necessary hardware is included.

#### 3.1 Unpacking and Component Check

1. Carefully unpack all components from the box.
2. Verify that all parts listed in the assembly instructions (provided in the packaging) are present and undamaged.
3. Keep packaging materials until assembly is complete in case any parts need to be returned or replaced.

#### 3.2 Assembly Steps

Follow the step-by-step visual instructions provided in the separate assembly guide included with your product. General steps include:

- Assemble the metal frame components.
- Attach the top wooden board and back panels.
- Insert the fabric drawers into their designated slots.

- Install the anti-tip kit to secure the dresser to a wall stud.

## 4. OPERATING INSTRUCTIONS

### 4.1 Using the Drawers

The 8 fabric drawers are designed for smooth operation and ample storage. Gently pull the handles to open and push to close. Ensure items are placed neatly to allow for easy drawer movement.

*Image: The dresser with several drawers pulled open, illustrating their depth and capacity for organizing various household items.*

#### **4.2 Built-in Charging Station**

The top surface of the dresser includes a built-in power bar with 3 AC outlets (125V/12A) and 2 USB ports (5V/2A). Plug the dresser's 5ft power cord into a wall outlet. You can then charge your electronic devices such as phones, tablets, or power your TV and audio systems directly from the dresser.

### 4.3 LED Lights

The storage unit is equipped with LED lights. Locate the control switch (usually on the back or side of the unit, or integrated into the charging station) to turn the lights on or off. Refer to the specific assembly guide for exact placement and operation of the LED light control.

### 4.4 TV Placement

The top surface is designed to accommodate TVs up to 50 inches. Ensure the TV base fits securely on the surface and does not overhang excessively. Distribute the TV's weight evenly.

*Image: A visual guide demonstrating the suitable TV sizes (32, 42, and 50 inches) that can be placed on the dresser's top surface.*

## 5. MAINTENANCE

- **Cleaning:** Wipe the metal frame and wooden top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Drawer Care:** Periodically check the fabric drawers for wear and tear. If a drawer becomes damaged, it can often be replaced.
- **Electrical Components:** Ensure the charging station and power cord are free from damage. Do not attempt to repair electrical components yourself.
- **Stability Check:** Regularly check that all screws and connections are tight, especially the wall anchor, to maintain stability.

## 6. TROUBLESHOOTING

- **Drawers not sliding smoothly:** Ensure drawers are not overloaded or unevenly packed. Check for any obstructions in the drawer slots.
- **Charging station not working:** Verify the dresser's main power cord is securely plugged into a working wall outlet. Check if the wall outlet itself is functional. Ensure devices are properly connected

to the AC outlets or USB ports.

- **LED lights not turning on:** Check the power connection to the LED lights. Ensure the control switch is in the "on" position.
- **Unit feels wobbly:** Confirm all assembly screws are tightened. Ensure the unit is placed on a level surface. Re-check the wall anchor installation.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Garvee
Model Name	Q8V7IkDQxUVSq6ouhzoypQg26s
Product Dimensions	31.1"D x 14.57"W x 7.87"H (Overall)
