Giantex 5 Piece-37.5"x21.5"

Giantex 5-Piece Outdoor Dining Set Instruction Manual

Model: 5 Piece-37.5"x21.5"

INTRODUCTION

Thank you for choosing the Giantex 5-Piece Outdoor Dining Set. This set includes a durable acacia wood bistro table and four matching folding patio chairs, designed for both indoor and outdoor use. Its robust metal frame ensures stability and longevity. This manual provides important information for assembly, care, and safe use of your new furniture set.

The Giantex 5-Piece Outdoor Dining Set, featuring an acacia wood table and four folding chairs, is suitable for various outdoor environments.

SAFETY INFORMATION

- **Weight Limits:** Do not exceed the maximum weight capacity of 330 lbs (150 kg) per chair and 165 lbs (75 kg) for the table.
- **Folding Mechanism:** Exercise caution when folding and unfolding chairs to prevent accidental tip-overs or pinching. Ensure all parts are securely locked into place before use.
- **Handling:** Handle all components with care to avoid injury from potential sharp edges during assembly or relocation.
- **Weather Exposure:** To prolong the lifespan of the acacia wood and metal frame, avoid prolonged exposure to rain and harsh weather conditions. Store indoors or cover when not in use.
- **Placement:** Ensure the set is placed on a stable, level surface to prevent wobbling or instability.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 4 x Folding Patio Chairs
- 1 x Bistro Dining Table

SETUP AND ASSEMBLY

Chairs Assembly

The four folding patio chairs require no assembly. Simply unfold them to their upright position, ensuring the locking mechanisms are engaged for stability before sitting.

Table Assembly

The dining table is designed for simple, tool-free installation:

1. Carefully remove the table from its packaging.
2. Unfold the table legs outwards until they are fully extended.
3. Ensure the support rods are properly aligned and secured by their fixing screws, providing reinforced strength.
4. Place the table on a flat, stable surface.

Refer to the product dimensions for proper setup and space planning.

Fixing Screw of
Support Rods

Enlarged Anti-Slip
Foot Pads

Ensure the bottom support rods and anti-slip foot pads are correctly positioned for stability.

OPERATING INSTRUCTIONS

Folding and Unfolding Chairs

The chairs feature a quick-folding design for convenient storage and transport:

- **To Unfold:** Gently pull the seat and backrest apart until the chair is fully extended and stable. Ensure all joints are locked.
- **To Fold:** Push the seat upwards towards the backrest. The chair will collapse into a compact, flat form.

Quick-Folding Chairs

- Space-Saving to Store
- Effort-Saving to Carry

The quick-folding chairs are space-saving and easy to carry.

Folding and Unfolding Table

The table also folds for easy storage:

- **To Unfold:** Extend the table legs outwards until they are fully open and the tabletop is flat. Verify stability.
- **To Fold:** Collapse the table legs inwards towards the underside of the tabletop.

Placement Considerations

This versatile set is suitable for various locations:

- Front Porch
- Garden
- Balcony
- Dining Room

Ideal for Indoor & Outdoor

Please avoid rain exposure for prolonged service life

Front Porch

Garden

Balcony

Dining Room

The set is ideal for both indoor and outdoor use, but avoid prolonged rain exposure.

MAINTENANCE

Acacia Wood Care

Acacia wood is known for its durability and natural beauty. To maintain its appearance and extend its life:

- **Regular Oiling:** Apply maintenance oil to the wood regularly (e.g., every 3-6 months, depending on exposure) to prevent drying, cracking, and fading. Follow the oil product's instructions.
- **Cleaning:** Wipe down with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. Dry thoroughly immediately after cleaning.
- **Protection:** Protect from direct sunlight and excessive moisture when not in use. Consider using furniture covers for outdoor storage.

Selected Acacia Wood

For long-lasting use and elegance

Please care the wood
with maintenance oil regularly

Regular maintenance oil application helps preserve the acacia wood's quality.

Metal Frame Care

The metal frame is designed for durability. To maintain its condition:

- **Cleaning:** Wipe with a damp cloth and mild detergent. Rinse and dry completely to prevent rust.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Tighten if necessary.

TROUBLESHOOTING

- **Wobbling:** If the table or chairs wobble, ensure they are placed on a flat, even surface. Check all connections and tighten any loose screws.
- **Difficulty Folding/Unfolding:** Ensure no obstructions are present in the folding mechanism. Apply a small amount of silicone lubricant to hinges if movement is stiff.
- **Wood Discoloration/Drying:** This is normal for natural wood exposed to elements. Apply maintenance oil as recommended in the Maintenance section.

SPECIFICATIONS

Feature	Detail
Color	Black + Brown
Material	Acacia Wood, Metal
Chair Dimensions (L x W x H)	18" x 15.5" x 31"
