CASANOOKK Makeup Vanity Desk with Large Mirror and Lights

Model: vanity desk | Brand: CASANOOKK

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your CASANOOKK Makeup Vanity Desk. Please read all instructions carefully before assembly and use to ensure safe and proper functionality. Keep this manual for future reference.

You Will Receive 2 Boxes

- Sometimes these 2 boxes will not arrive at the same time.
- Please assemble them after receiving all 2 packages.

SAFETY INFORMATION

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or shelves. Distribute weight evenly to maintain stability.
- Keep electrical components (lights, power outlet) away from water or excessive moisture.
- Use only the provided power adapter for the LED lights and power outlet.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

PACKAGE CONTENTS

Your CASANOOKK Makeup Vanity Desk is shipped in two separate boxes. Please ensure you have received both packages before beginning assembly. Verify all components against the parts list provided in the separate assembly guide.

SETUP AND ASSEMBLY

Assembly of the CASANOOKK Makeup Vanity Desk requires careful attention to detail. It is recommended to have a helper for certain steps. Please refer to the dedicated assembly instruction booklet included in your package for step-by-step guidance. The assembly process typically takes 4-8 hours.

General Assembly Tips:

- Clear a spacious area for assembly to avoid damaging components.
- Organize all parts and hardware before starting. Each part is labeled.
- Do not overtighten screws, as this can strip the wood.
- For drawer slides, ensure the metal bar is separated correctly. Look for a small black lever to release the inner

slide.

- If you encounter any difficulties, consult the detailed installation instructions or contact customer support.

OPERATING INSTRUCTIONS

Mirror Lighting System:

The large mirror features integrated LED lights with adjustable settings to suit your needs.

- **Power On/Off:** Locate the touch switch on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, click the touch switch to cycle through the three available color modes: cold light, natural light, and warm light.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning Surfaces:** For general cleaning, wipe the surfaces with a damp cloth. Immediately follow with a dry cloth to prevent water marks. Avoid abrasive cleaners or harsh chemicals.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the edges.
- **Glass Top Care:** The tempered glass top can be cleaned with glass cleaner. Be careful not to scratch the surface.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth.
- **Electrical Components:** Ensure the power cord and connections are free from damage. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not connected; loose connection; power outage.	Ensure the vanity is plugged into a working wall outlet. Check all cable connections. Verify the wall outlet is functional.
Lights not changing color or brightness.	Incorrect operation of touch switch.	Click the touch switch to change color modes. Long press the touch switch to adjust brightness.
Drawers are stiff or do not close smoothly.	Incorrect assembly of drawer slides; obstruction in the drawer.	Review the assembly instructions for drawer slide installation. Ensure no items are blocking the drawer's path. Check for proper alignment.
Vanity feels unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the vanity is placed on a level surface.
