GarveeHome 82-inch Double Dog Crate Instruction Manual

Model: Iz0Fhh-c1V6LRKDZ7wdANArbk

INTRODUCTION

Thank you for choosing the GarveeHome 82-inch Double Dog Crate. This furniture-style dog kennel is designed to provide a comfortable and secure living space for two large dogs, while also serving as a functional piece of furniture in your home. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INFORMATION

- Always ensure all screws and fasteners are securely tightened before allowing pets to use the crate.
- Do not allow children to climb on or play inside the crate.
- Place the crate on a flat, stable surface to prevent tipping.
- Regularly inspect the crate for any loose parts, damage, or sharp edges that could harm your pet.
- This product is intended for indoor use only.

PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present. Refer to the included parts list (not provided in this context, but implied by the "Directions" text) to ensure nothing is missing.

- Main Crate Panels (sides, back, bottom, top)
- Crate Doors (2 units)
- Internal Divider (1 unit)
- Drawer Components
- Shelving Units
- Hardware Pack (screws, bolts, latches, handles, metal pins)
- Assembly Instructions (this manual)

SETUP AND ASSEMBLY

Follow these steps carefully to assemble your GarveeHome Double Dog Crate. It is recommended to have two people for assembly.

1. **Unpack All Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Check that you have all the necessary components and hardware as listed in the instruction manual (refer to the "Package Contents" section).
2. **Read the Instructions:** Before starting the assembly, read through this instruction manual thoroughly to understand the steps and familiarize yourself with all parts.
3. **Assemble the Main Frame:** Begin by connecting the side panels to the bottom panel using the provided hardware. Ensure all connections are snug but do not overtighten initially.
4. **Install the Internal Divider:** If using the crate for two dogs, install the internal divider as indicated in the diagrams. This creates two separate compartments.
5. **Attach the Doors:** Securely attach the two crate doors to the main frame using the hinges and metal pins. Test the doors to ensure they open and close smoothly and the latches function correctly.
6. **Assemble Storage Components:** Install any drawers and shelving units according to the diagrams. These are typically located in the central section of the crate.
7. **Attach the Top Panel:** Place the top panel onto the assembled frame and secure it with the remaining hardware.
8. **Final Checks:** Double-check all screws and latches to ensure everything is tightly secured and functioning properly.
9. **Add Soft Bedding:** Place soft bedding or a pet mat inside each crate compartment to provide comfort for your dog.
10. **Position the Crate:** Finally, move the assembled crate to your desired location in your home. Make sure it's in a safe, comfortable area for your pet.

OPERATING INSTRUCTIONS

Using the Crate Compartments

- **Opening/Closing Doors:** To open a crate door, lift the latch mechanism and pull the door outwards. To close, push the door shut and ensure the latch securely engages.
- **Divider Use:** The included divider allows for two separate dog compartments. If you need a single, larger space, the divider can be removed during assembly or by following reverse assembly steps for that component.
- **Comfort:** Always provide comfortable bedding inside the crate for your pet's well-being.

Utilizing Storage Features

The GarveeHome Double Dog Crate is designed with integrated storage to enhance its functionality as a piece of furniture.

- **Drawers:** Use the pull-out drawers for storing pet accessories, toys, leashes, or other household items.
- **Open Compartments:** The central open shelves are suitable for displaying decorative items, books, or storing frequently accessed pet supplies like treats or food containers.
- **Top Surface:** The sturdy top surface can be used as a console table, side table, or TV stand, supporting various items.

MAINTENANCE

- **Cleaning:** Wipe down the crate surfaces with a damp cloth and mild soap. Avoid harsh chemicals that could damage the finish or be harmful to pets. Dry thoroughly.
- **Hardware Check:** Periodically check all screws, bolts, and latches to ensure they remain tight. Tighten any loose hardware to maintain structural integrity.
- **Bedding:** Regularly clean or replace pet bedding to maintain hygiene and comfort.
- **Damage Inspection:** Inspect the crate for any signs of wear, damage, or chewing. Address any issues promptly to ensure the safety of your pet.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Missing parts or hardware	Packaging error or items overlooked during unpacking.	Carefully re-check all packaging materials. If parts are still missing, contact GarveeHome customer support with your model number and a list of missing items.
Difficulty with assembly	Steps not followed correctly, or parts oriented incorrectly.	Review the "Setup and Assembly" section. Ensure all parts are correctly identified and oriented as shown in the diagrams. Do not force parts together.
Crate doors do not close or latch properly	Hinges or latches are misaligned, or screws are loose.	Check that the door hinges are securely attached and aligned. Tighten any loose screws on the hinges or latch mechanism. Ensure the crate frame is square.
Crate feels unstable or wobbly	Not all fasteners are tightened, or the crate is on an uneven surface.	Ensure all assembly screws are fully tightened. Move the crate to a flat, level surface.
