SETUP

1. Battery Installation

1. Locate the battery compartment on the back of the remote control.
2. Slide open the battery cover.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Close the battery cover securely.

2. Pairing with Your TV

For initial use or after battery replacement, the remote may need to be paired with your TV. The pairing process can vary slightly depending on your TV model. Refer to your TV's user manual for specific instructions if the general steps below do not work.

1. Ensure your TV is powered on.
2. Point the remote control towards the TV.
3. Press and hold the **Home Button** and **Back Button** simultaneously for approximately 3-5 seconds.
4. A pairing indicator (often an LED on the remote or a message on the TV screen) should appear, confirming the remote is in pairing mode.
5. Release the buttons once the pairing process begins.
6. Follow any on-screen prompts on your TV to complete the pairing.
