1. Introduction

This manual provides detailed instructions for the GREYOLK V3 Open Ear Headphones. Designed for comfort and situational awareness, these Bluetooth 5.4 wireless headphones feature an AI noise-cancelling microphone and Hi-Fi stereo sound, making them suitable for work, calls, meetings, driving, and sports. Please read this manual thoroughly before use to ensure proper operation and maintenance.

2. What's in the Box

- GREYOLK V3 Open Ear Headphones
- USB-C Charging Cable
- User Manual

3. Product Overview

The GREYOLK V3 headphones are engineered for an optimal audio experience while maintaining awareness of your surroundings. Key features include:

- **Open Ear Design:** Enhances comfort and allows awareness of surroundings.

- **AI Noise Cancelling Microphone:** Minimizes background noise for clear conversations.
- **HI-FI Stereo Sound:** 15mm speakers deliver immersive audio with clarity and depth.
- **Ultra-Light & Comfortable:** Weighing only 32g, designed for extended wear.
- **Durable Bluetooth Headset:** Offers up to 10 hours of talk time on a single charge.
- **Effortless Control:** Intuitive multi-function button (MFB) and 270° rotatable microphone.

4. Setup

4.1 Charging the Headphones

Before first use, fully charge your GREYOLK V3 headphones. Connect the provided USB-C charging cable to the charging port located on the headset. A full charge takes approximately 2 hours and provides up to 10 hours of talk/music time.

4.2 Powering On/Off and Pairing

1. **Power On:** Press and hold the Multi-Function Button (MFB) for 2 seconds until the indicator light illuminates.
2. **Pairing Mode:** When powering on for the first time, the headphones will automatically enter pairing mode, indicated by a blinking light. If already paired, they will attempt to reconnect to the last device. To manually enter pairing mode, press and hold the MFB for 5 seconds.
3. **Connect to Device:** On your device (smartphone, tablet, laptop), enable Bluetooth and select "V3" from

the list of available devices. Once connected, the indicator light will stop blinking.

4. **Power Off:** Press and hold the MFB for 5 seconds until the indicator light turns off.

5. Operating Instructions

5.1 Call Management

- **Answer/End Call:** Single click the MFB.
- **Reject Call:** Long press the MFB.
- **Adjust Microphone:** The 270° rotatable microphone can be adjusted to optimize voice capture.

5.2 Music Control

- **Play/Pause:** Single click the MFB.
- **Next Track:** Double click the '+' button.
- **Previous Track:** Double click the '-' button.
- **Volume Up:** Single click the '+' button.
- **Volume Down:** Single click the '-' button.

6. Maintenance

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The headphones are water-resistant. Avoid submerging them in water or exposing them to heavy rain for extended periods.

7. Troubleshooting

- **No Power:** Ensure the headphones are fully charged.
- **Cannot Pair:**
 - a. Ensure Bluetooth is enabled on your device.
 - b. Ensure the headphones are in pairing mode (blinking indicator light).
 - c. Move the headphones closer to your device (within 10 meters).
 - d. Restart both the headphones and your device.
 - e. Confirm your device supports Bluetooth audio devices.
- **Poor Sound Quality:**
 - a. Check the volume levels on both the headphones and your connected device.
 - b. Ensure there are no obstructions between the headphones and your device.
 - c. Move away from sources of strong electromagnetic interference.
- **Microphone Issues:**
 - a. Ensure the microphone is properly positioned towards your mouth.
 - b. Check for any debris blocking the microphone holes.
 - c. Verify that the AI Noise Cancellation is functioning correctly in noisy environments.
