## VARRONOBE VA01

# VARRONOBE VA01 Collapsible Beach Wagon User Manual

Model: VA01 | Brand: VARRONOBE

### Introduction

Thank you for choosing the VARRONOBE VA01 Collapsible Beach Wagon. This heavy-duty utility wagon is designed for easy transport of gear across various terrains, including sand, grass, and mud. Its robust construction and thoughtful features make it ideal for outdoor activities such as beach trips, camping, and sports events. This manual provides essential information for the safe and effective use, maintenance, and storage of your wagon.

### Product Features

- **All-Terrain Inflatable Rubber Wheels:** Equipped with 9x3-inch double-layer thickened inflatable tires, optimized for enhanced grip and reduced resistance on sand, grass, and mud. An inflator is included.
- **Heavy-Duty Steel Frame:** Features a 25% thickened, reinforced steel frame with anti-rust coating and double-layer welding, supporting up to 350 pounds (approx. 159 kg).
- **Extra-Large Capacity:** Offers a 200-liter storage space, suitable for supermarket shopping, family stockpiling, and camping equipment.
- **Compact and Portable Design:** One-click folding mechanism allows the wagon to fold/unfold in seconds, reducing its volume to 1/6 of the original for easy storage.
- **Durable Fabric:** Constructed with 600D high-density Oxford cloth, providing waterproof, dustproof, and tear-resistant triple protection. The fabric is machine washable.
- **Adjustable Handle:** Features a one-key telescopic handle for comfortable pulling and maneuvering.
- **Front Wheel Brakes:** Equipped with brakes on the front wheels for secure parking and stability.

### Setup and Unfolding

Follow these steps to unfold and prepare your VARRONOBE VA01 Beach Wagon for use:

1. Place the folded wagon on a flat, stable surface.
2. Gently pull the sides of the wagon outwards until the frame extends fully.
3. Press down firmly on the center of the wagon's base until it locks into place, creating a stable bottom.
4. Insert the removable bottom support panel (if applicable) to create a flat and sturdy base for your items.
5. Adjust the telescopic handle to your desired height by pressing the release button and extending it.

6. Ensure all wheels are securely in place and, if necessary, inflate the tires using the provided inflator to the recommended pressure for optimal performance on various terrains.

## Operating Instructions

To ensure safe and efficient operation of your wagon, please observe the following guidelines:

- **Loading:** Distribute weight evenly within the wagon to maintain balance. Do not exceed the maximum weight capacity of 350 lbs (159 kg).
- **Pulling:** Use the adjustable telescopic handle to pull the wagon. Adjust the handle height for comfortable towing. The 360-degree rotating front wheels allow for easy maneuverability.
- **Braking:** Engage the red brake levers on the front wheels to secure the wagon in place, especially on inclines or uneven surfaces. Disengage the brakes before moving.
- **Terrain:** The 9x3-inch inflatable rubber wheels are designed for all-terrain use, including sand, grass, and gravel. While effective, exercise caution on extremely soft sand or steep slopes.

## Maintenance

Regular maintenance ensures the longevity and optimal performance of your wagon:

- **Cleaning:** The 600D high-density Oxford cloth is machine washable. Remove the fabric from the frame for thorough cleaning. Wipe down the metal frame with a damp cloth and mild detergent as needed. Ensure all parts are dry before folding and storing.
- **Tire Pressure:** Periodically check the tire pressure of the inflatable rubber wheels. Use the included inflator to maintain the recommended pressure for smooth rolling and to prevent damage.
- **Lubrication:** Apply a small amount of lubricant to moving parts, such as wheel axles and folding joints, annually or as needed to ensure smooth operation.
- **Inspection:** Regularly inspect the frame, fabric, and wheels for any signs of wear, damage, or loose components. Address any issues promptly to prevent further damage or safety hazards.

## Storage and Folding

To fold your VARRONOBE VA01 Beach Wagon for compact storage:

1. Ensure the wagon is empty and clean.
2. Remove the bottom support panel from the wagon.
3. Locate the pull strap or handle in the center of the wagon's interior.
4. Pull upwards on this strap/handle to initiate the folding mechanism. The sides of the wagon will begin to collapse inwards.
5. Continue pulling until the wagon is fully folded into its compact form.
6. Secure the folded wagon with any integrated straps or clips to prevent it from unfolding during transport or storage.
7. Place the folded bottom support panel on top of the folded wagon for convenient storage.
