# Automatic Pet Feeder with Mushroom Shape Instruction Manual

Model: pet food dispenser

## INTRODUCTION

This manual provides instructions for the safe and efficient use of your new Automatic Pet Feeder with Mushroom Shape. This dual-function feeder is designed to provide a continuous supply of both dry food and water for small to medium-sized pets, including cats, dogs, puppies, and kittens. Its gravity-fed design ensures consistent availability, making it ideal for daily use at home or during travel.

Overview of the Automatic Pet Feeder in blue and green, suitable for cats and dogs.

## PRODUCT COMPONENTS

The Automatic Pet Feeder consists of the following main parts:

- **Base:** The sturdy foundation that holds the food and water bowls.
- **Food Reservoir:** A clear container for storing dry pet food.
- **Water Reservoir:** A clear container for holding water.
- **Mushroom Top:** The decorative lid that covers the reservoirs.

## SETUP INSTRUCTIONS

---

Follow these steps to set up your pet feeder:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Clean:** Before first use, wash all parts (base, reservoirs, top) with mild soap and water. Rinse thoroughly and dry completely.
3. **Assemble:** Place the food and water reservoirs securely onto the designated slots in the base. Ensure they are properly seated.
4. **Fill:** Proceed to the Operating Instructions section for filling the reservoirs.
5. **Placement:** Position the feeder on a flat, stable surface away from direct sunlight or heat sources.

## OPERATING INSTRUCTIONS

To use your Automatic Pet Feeder:

1. **Fill Food Reservoir:** Remove the mushroom top. Pour dry kibble into the food reservoir. The gravity system will automatically dispense food into the bowl as your pet consumes it.
2. **Fill Water Reservoir:** Remove the mushroom top. Fill the water reservoir with fresh, clean water. The gravity system will maintain the water level in the bowl.
3. **Replace Top:** Securely place the mushroom top back onto the feeder.
4. **Monitor:** Regularly check food and water levels and refill as needed.

## MAINTENANCE AND CLEANING

---

Regular cleaning is essential for your pet's health and the longevity of the feeder.

- **Daily:** Rinse the water bowl daily and refill with fresh water.
- **Weekly:** Disassemble all parts (base, reservoirs, top). Wash thoroughly with warm water and mild dish soap. Use a soft brush if necessary to remove any residue.
- **Rinse:** Rinse all components completely to remove any soap residue.
- **Dry:** Allow all parts to air dry completely before reassembling and refilling to prevent mold or bacterial growth.
- **Care Instructions:** Hand Wash Only. Do not use abrasive cleaners or scrubbers.

## TROUBLESHOOTING

If you encounter issues with your pet feeder, refer to the following table:

Problem	Possible Cause	Solution
Food not dispensing	Kibble stuck or reservoir empty.	Shake feeder gently to dislodge food. Refill reservoir if empty. Ensure kibble size is appropriate for dispenser.
Water not flowing	Reservoir empty or airlock.	Refill water reservoir. Briefly lift and reseal the water reservoir to release any airlock.
Feeder tips over easily	Uneven surface or pet playing roughly.	Place feeder on a flat, stable surface. Consider placing it in a corner or against a wall for added stability.
Unpleasant odor	Lack of regular cleaning.	Disassemble and thoroughly clean all parts as per Maintenance instructions. Ensure complete drying.

## SPECIFICATIONS

Feature	Detail
Model Name	pet food dispenser
Brand	Generic
Material	Polypropylene
Item Dimensions (LxWxH)	9.37 x 9.06 x 5.9 inches
Item Weight	14.3 ounces (405 Grams)

Feature	Detail
