947-Piece Adventure Camp Building Toy

1. Introduction

Thank you for choosing the HSANHE Tree House Building Set, Model YC526. This 947-piece set allows you to construct a detailed adventure camp tree house with multiple levels, balconies, slides, and swings. This manual provides comprehensive instructions for assembly, operation, and maintenance to ensure an enjoyable building experience and lasting enjoyment of your model.

2. Safety Information

- **Age Recommendation:** This building set is recommended for individuals aged 14 years and older.
- **Small Parts Warning:** This product contains small parts which may pose a choking hazard for children under 3 years of age. Keep all components out of reach of young children.
- **Assembly Supervision:** Adult supervision is recommended during assembly, especially for younger builders, to ensure proper handling of parts and adherence to instructions.
- **Proper Use:** Do not modify or alter the building blocks. Use the product only as intended.

3. Package Contents

Your HSANHE Tree House Building Set (Model YC526) includes:

- 947 Building Pieces (various shapes and colors)
- 1 Instruction Manual (this document)

Please verify all pieces are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

4. Assembly Instructions

Follow the step-by-step instructions carefully. It is recommended to sort pieces by color and type before starting. The assembly process is designed to enhance hand-eye coordination and spatial thinking.

4.1 Overview of the Tree House Structure

The completed model features a multi-level tree house design with interconnected units, including balconies, slides, and swings. The structure is designed to simulate an adventure camp environment.

4.3 Step-by-Step Assembly

Follow the numbered steps in the printed instruction manual provided in the box. Each step illustrates which pieces are needed and how they connect. Pay close attention to the orientation of the blocks.

1. **Base Construction:** Begin by assembling the base plates and the foundational elements of the tree trunks.
2. **Tree House Units:** Construct each individual tree house unit, including walls, roofs, and interior details.
3. **Connecting Structures:** Build the bridges, ladders, and slides that connect the various tree house sections.
4. **Outdoor Features:** Assemble the pool, seesaw, swing, and other outdoor accessories.
5. **Decorative Elements:** Add the floral roofs, windows, natural decorations like mushrooms, fences, and plants to complete the scene.

6. Maintenance

To ensure the longevity and cleanliness of your building set, follow these maintenance guidelines:

- **Cleaning:** Wipe the building blocks with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.

- **Handling:** Handle the assembled model with care to avoid accidental disassembly or damage to delicate parts.

7. Troubleshooting

If you encounter any issues during assembly or use, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact HSANHE customer support with the part number (refer to the parts list in the printed manual).
- **Difficulty Connecting Pieces:** Ensure pieces are correctly aligned and apply gentle, firm pressure. Avoid forcing pieces together, as this can cause damage.
- **Incorrect Assembly:** Carefully review the steps in the instruction manual where the error occurred. Disassemble only the necessary sections and reassemble correctly.
