## SETUP GUIDE

### 1. Charging the Smartwatch

Before initial use, fully charge your LIGE TX3-I Smartwatch. The watch is equipped with a 900mAh large capacity battery, offering over 60 days of standby time and 30+ days of high-efficiency working time. A full charge takes approximately 3 hours.

1. Connect the magnetic charging cable to the charging contacts on the back of the watch.
2. Plug the USB end of the cable into a standard USB power adapter (not included) or a computer's USB port.

3. The watch display will indicate charging status. Ensure the watch is fully charged before proceeding with setup.

## 2. Connecting to Your Smartphone

The LIGE TX3-I Smartwatch is compatible with Android and iOS 9.0 and above smartphones. To unlock full functionality, you need to connect the watch to its dedicated application.

1. Scan the QR code provided in the packaging or search for the official companion app in your smartphone's app store (e.g., Google Play Store for Android, Apple App Store for iOS).
2. Download and install the app.

3. Open the app and follow the on-screen instructions to create an account or log in.
4. Enable Bluetooth on your smartphone.
5. Within the app, search for your LIGE TX3-I Smartwatch and pair it. Ensure the watch is discoverable.
6. Confirm the pairing request on both your watch and smartphone.

### 3. Customizing Watch Faces

Personalize your smartwatch experience by choosing from over 200 available watch faces or creating your own custom designs using your favorite photos.

1. Open the companion app on your smartphone.
2. Navigate to the "Watch Face" or "Dial" section.
3. Browse the available watch faces and select your preferred one to sync to the watch.
4. To create a custom watch face, select the "DIY" or "Custom" option and follow the prompts to upload an image from your phone's gallery.

## OPERATING INSTRUCTIONS

### 1. Basic Navigation

The LIGE TX3-I features a 1.73" full-touch high-definition AMOLED display. Swipe left, right, up, or down to navigate through menus and functions. Tap to select an option or confirm an action. The physical buttons on the side provide quick access to power and menu functions.

### 2. Bluetooth Calls and Message Alerts

With advanced Bluetooth 5.3 technology, you can make and receive calls directly from your watch. You will also receive notifications from various apps.

- 1. **Making Calls:** Access the dial pad or contact list on your watch to initiate a call.
- 2. **Receiving Calls:** When a call comes in, you can answer or reject it directly from the watch.
- 3. **Message Notifications:** The watch will display incoming text messages and notifications from apps like WhatsApp, Twitter, Facebook, and Instagram.

## 6. Other Functions

The LIGE TX3-I Smartwatch integrates a variety of practical functions:

- **Compass:** For outdoor navigation.
- **Altitude and Barometric Pressure:** Essential for outdoor adventures.
- **Weather Forecasts:** Stay informed about current and upcoming weather conditions.

- **Alarm Clocks:** Set multiple alarms for reminders.
- **Calculators:** Perform quick calculations on the go.
- **Pedometers:** Track your daily steps.
- **Music Controls:** Control music playback on your connected smartphone.
- **Photo Controls:** Remotely trigger your smartphone's camera.
- **Mobile Phone Search:** Locate your misplaced phone.
- **Brightness Adjustment:** Adjust screen brightness for optimal viewing.
- **Do-Not-Disturb Mode:** Silence notifications when needed.
- **SOS Emergency Calls:** Quick access to emergency contacts.
- **Password Protection:** Secure your device.
- **Wrist Lifting and Brightening Screen:** Automatically wake the screen when you raise your wrist.

## MAINTENANCE

### 1. Water Resistance

The LIGE TX3-I Smartwatch boasts a military-grade 5ATM waterproof rating, making it resistant to splashes, rain, and brief immersion in water. It is designed to withstand harsh environments, making it suitable for outdoor sports.

- Avoid prolonged exposure to hot water, steam, or high-pressure water jets.
- Do not operate the watch buttons underwater.
- After contact with saltwater, rinse the watch with fresh water and dry it thoroughly.

Figure 10: Military-Grade 5ATM Waterproofing.

## 2. General Care

- Clean the watch regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials for cleaning.
- Store the watch in a cool, dry place when not in use.
- Protect the screen from sharp objects, although it features anti-scratch properties.

## TROUBLESHOOTING

If you encounter any issues with your LIGE TX3-I Smartwatch, please refer to the following common solutions:

Problem	Possible Solution
Watch not turning on	Ensure the watch is fully charged. Press and hold the power button for several seconds.
Cannot pair with smartphone	Ensure Bluetooth is enabled on your phone and the watch is discoverable. Restart both the watch and your smartphone. Make sure the companion app is installed and updated. Check if the watch is already paired with another device.
Inaccurate health data	Ensure the watch is worn snugly on your wrist. Clean the sensor on the back of the watch. Remember that data is for reference only.
Notifications not appearing	Check app notification settings on your smartphone and within the companion app. Ensure the watch is connected via Bluetooth. Disable "Do Not Disturb" mode on the watch if active.
