Merax HA1653-1

Merax Modern Tufted Platform Bed Instruction Manual

Model: HA1653-1

IMPORTANT SAFETY INFORMATION

Always follow the assembly instructions carefully to prevent instability or collapse. Be cautious around sharp edges to avoid injury. Do not exceed the weight capacity of 600 pounds.

PRODUCT OVERVIEW

The Merax Modern Tufted Platform Bed is a Queen-sized bed frame featuring a tufted headboard and a low-profile design. It is upholstered in black PU leather and designed to be used without a box spring.

SIZE: INCH

Image: Detailed dimensions of the Merax Modern Tufted Platform Bed. Overall dimensions are 88.6 inches (L) x 66.1 inches (W) x 25.6 inches (H).

PACKAGE CONTENTS

Before assembly, ensure all components are present. The package includes:

- Queen Bed Frame
- Headboard
- All necessary hardware
- All required tools for assembly

ASSEMBLY INSTRUCTIONS

Partial assembly is required for this bed frame, typically taking approximately 0.5 hours. All necessary tools and hardware are included in the package. Please refer to the detailed assembly guide provided with your product for step-by-step instructions.

General Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the central support beam and legs.
4. Place the wooden slats onto the bed frame and secure them.
5. Ensure all connections are tightened securely before use.

OPERATING INSTRUCTIONS

This platform bed is designed for direct mattress placement, eliminating the need for a box spring. The thick built-in wood slats provide optimal anti-sagging mattress support, distributing body weight evenly for a comfortable sleeping experience.

Integrated Reading Lights:

The luxurious headboard includes two adjustable reading lights. To operate, locate the power switch or touch sensor on each light. Adjust the light direction as needed for personalized illumination without disturbing others.

MAINTENANCE AND CARE

To maintain the appearance and longevity of your Merax bed frame, follow these care instructions:

- For general cleaning, wipe the PU leather surfaces with a dry cloth.
- For minor spills or marks, use a damp cloth to gently wipe the affected area. Avoid harsh chemicals or abrasive cleaners.
- Regularly check and tighten all hardware connections to ensure stability.

TROUBLESHOOTING

- **Missing Hardware:** If any hardware or components are missing upon delivery, please contact customer support for replacements. Refer to the parts list in your assembly guide.
- **Bed Feels Too Low:** This is a floor day bed frame with a low-profile design. The overall height is 25.6 inches. If a higher bed is desired, consider using a thicker mattress (recommended mattress thickness: 6 inches).
- **Bed Wobbles or Squeaks:** Ensure all bolts and screws are fully tightened. Over time, connections may loosen, requiring periodic re-tightening. Verify that the bed is placed on a flat, even surface.
