Step-by-Step Instructions:

1. **Download the App:** Download the "AI COOL" App from the Apple App Store or Google Play Store. You can also scan the QR code provided in the user manual or on the product packaging.
2. **Register Your Account:** Open the app and register for a new account or log in if you already have one.
3. **Click Binding Device:** On the app's main screen, locate and tap the "Binding Device" option.
4. **Connect Bluetooth:** Ensure your phone's Bluetooth is enabled. Go to your phone's Bluetooth settings and connect to the K02 earbuds. Once connected, return to the app and confirm by tapping "I have connected Bluetooth".
5. **Scan Binding Code:** The app will prompt you to scan a binding code. This QR code is typically found on the cover of the physical user manual. Scan it to bind your earbuds to the app.
6. **Choose Translation Mode:** After successful binding, select your desired translation mode (e.g., Simultaneous Interpretation, AI Assistant, Meeting Assistant) to begin using the translation features.

4. Operating Instructions

The ENGFYADSY K02 earbuds offer versatile functionality for communication and entertainment.

Translation Modes:

- **Simultaneous Interpretation:** For real-time, continuous translation during conversations.
- **AI Assistant:** Utilize the AI for quick translations of phrases or words.
- **Meeting Assistant:** Designed for group discussions, providing translated transcripts or real-time interpretation for multiple participants.

Music Playback & Phone Calls:

Beyond translation, the K02 earbuds function as standard Bluetooth headphones:

- **Music Streaming:** Connect via Bluetooth to your device to enjoy audio playback.
- **Phone Calls:** Answer and make calls using the integrated microphone and speakers.
- **Touch Control:** Use the touch-sensitive area on the earbuds to control music playback (play/pause, skip tracks) and manage calls (answer/end). Refer to the app or quick start guide for specific touch gestures.

5. Charging and Battery Life

To ensure optimal performance, keep your earbuds and charging case adequately charged.

- **Earbud Playtime:** Up to 4 hours per charge.
- **Charging Case:** Provides multiple recharges, extending total usage time up to 72 hours.
- **Charging Time:** Approximately 1-1.5 hours for a full charge of the earbuds and case.
- **Charging Port:** Uses a Type-C USB cable for charging.

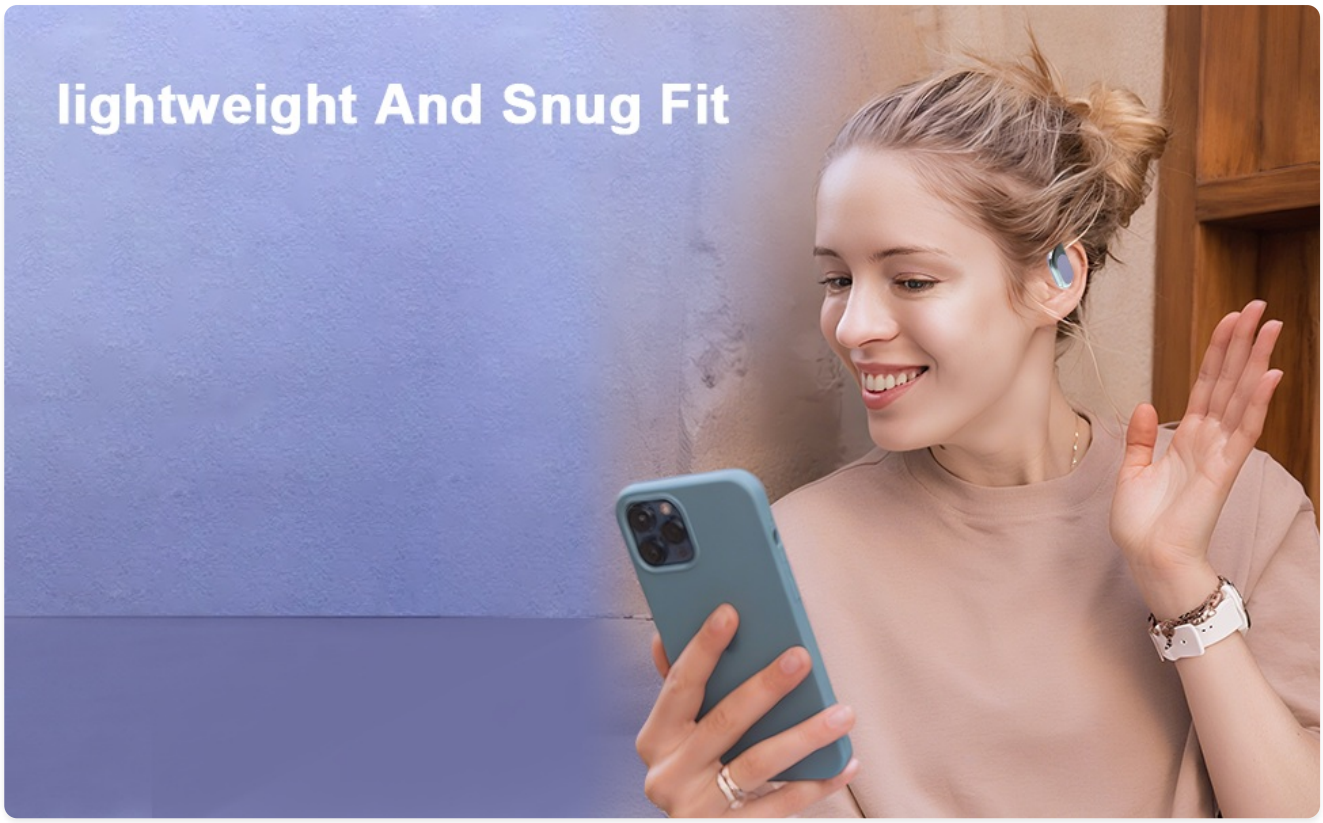

Image: Details on the Type-C charging capabilities and battery indicators for both the earbuds and their charging case.

6. Maintenance

Proper care will extend the lifespan of your earbuds:

- **Cleaning:** Gently wipe the earbuds with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage.
- **Avoid Moisture:** Keep the earbuds away from water and excessive humidity. They are not waterproof.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures.

7. Troubleshooting

If you encounter issues with your ENGFYADSY K02 earbuds, try the following solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, then take them out again. Check your phone's Bluetooth settings to ensure it's discoverable and try re-pairing.
- **No sound:** Check the volume levels on your connected device and the earbuds. Ensure the earbuds are properly seated in your ears.
- **Translation not working:** Verify that the earbuds are correctly bound to the "AI COOL" app and that you have selected the appropriate translation mode. Check your internet connection, as some translation features may require it.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and a power source. Check if the charging indicators on the case are active.
- **App connectivity problems:** Close and reopen the "AI COOL" app. Ensure your phone's operating system is up to date.
