

## Vestel 75UG9750

# Vestel 75UG9750 75-inch 4K Smart Google TV User Manual

Model: 75UG9750 | Brand: Vestel

## 1. INTRODUCTION

This manual provides essential information for the safe and efficient operation of your Vestel 75UG9750 75-inch 4K Smart Google TV. Please read these instructions thoroughly before using your television and retain them for future reference. This television features a 75-inch 4K Ultra HD display, Google TV operating system, and supports HDR10, Dolby Vision, and HDR10+ for an enhanced viewing experience.

## 2. SAFETY INFORMATION

Always adhere to the following safety precautions to prevent electric shock, fire, or damage to the television:

- Do not expose the television to rain or moisture.
- Ensure proper ventilation around the television.
- Do not block ventilation openings with items such as newspapers, table-cloths, or curtains.
- Do not place the television on an unstable cart, stand, tripod, bracket, or table.
- Unplug the television from the wall outlet before cleaning.
- Refer all servicing to qualified service personnel.

## 3. PACKAGE CONTENTS

Upon unpacking, verify that all components are present and undamaged:

- Vestel 75UG9750 75-inch 4K Smart Google TV
- Remote Control (with voice command functionality)
- Power Cable
- TV Stand Components (if applicable)
- User Manual (this document)
- Batteries for Remote Control (may be included)

## 4. SETUP

### 4.1 Stand Installation

Carefully place the television face down on a soft, clean surface to prevent screen damage. Attach the stand components to the designated slots on the bottom of the television using the provided screws. Ensure the stand is securely fastened before placing the TV upright.

Image: A close-up view of one of the television's stand bases, showing its design and how it supports the display.

## 4.2 Connecting Devices

The back panel of your Vestel TV provides various ports for connecting external devices such as Blu-ray players, game consoles, sound systems, and more. Refer to the image below for port locations.

Image: The rear panel of the Vestel 75UG9750 television, displaying the arrangement of various input and output ports for external device connections.

### 4.3 Initial Power-On and Configuration

After connecting the power cable and any desired external devices, press the power button on the remote control or the TV. Follow the on-screen instructions to complete the initial setup, including language selection, network connection (Wi-Fi), and Google account sign-in.

## 5. OPERATING YOUR TV

### 5.1 Remote Control Functions

The included remote control allows you to navigate the Google TV interface, adjust settings, and access smart features. It also supports voice commands for convenient control.

## 5.2 Google TV Interface

Your Vestel TV runs on the Google TV platform, offering a personalized experience with access to a vast library of apps, movies, and shows. The interface organizes content from all your streaming services in one place.

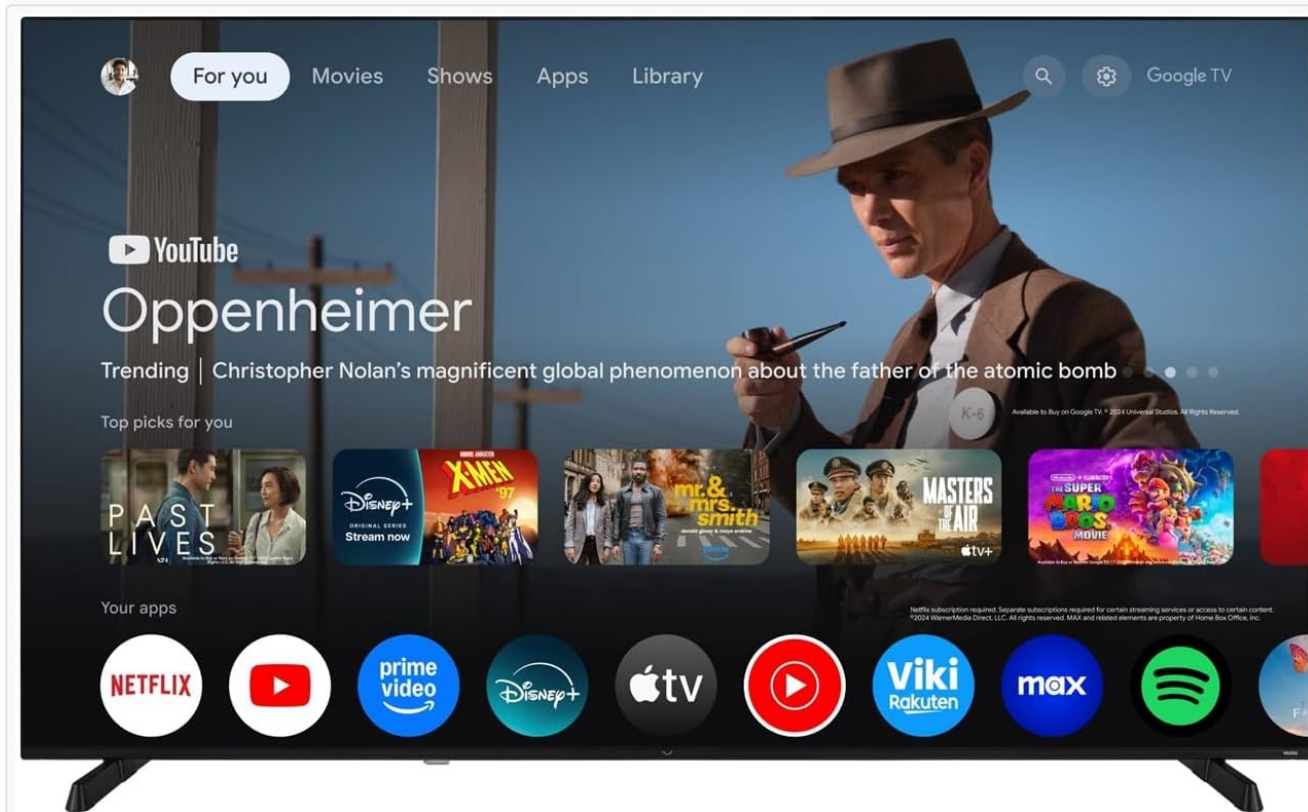

Image: The Google TV home screen, showcasing a selection of streaming applications and personalized content recommendations.

## 5.3 Smart Features

The Vestel 75UG9750 supports advanced display technologies:

- **HDR10, Dolby Vision, HDR10+:** These High Dynamic Range (HDR) formats provide superior contrast, brightness, and color accuracy for compatible content.
- **Voice Command:** Use the voice command feature on your remote to search for content, control playback, and manage smart home devices.

## 6. MAINTENANCE

### 6.1 Cleaning Your TV

To clean the screen, gently wipe it with a soft, dry, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution specifically designed for televisions. Do not use harsh chemicals or abrasive materials. For the TV casing, use a soft, dry cloth.

### 6.2 Software Updates

Your Vestel Google TV may receive automatic software updates to improve performance and add new features. Ensure your TV is connected to the internet to receive these updates. You can also manually check for updates in the TV's settings menu.

## 7. TROUBLESHOOTING

If you encounter issues with your television, refer to the following common solutions:

- **No Power:** Check if the power cable is securely plugged into both the TV and the wall outlet. Ensure the outlet is functional.
- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections to external devices.
- **Remote Control Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Poor Wi-Fi Connection:** Ensure your Wi-Fi router is within range and functioning correctly. Try restarting both the TV and the router.
- **Picture Quality Issues:** Adjust picture settings (brightness, contrast, sharpness) in the TV menu. Ensure the content source is of high quality.

For more complex issues, consult the Vestel support website or contact customer service.

## 8. SPECIFICATIONS
