## OPERATING INSTRUCTIONS

### Using the 360-Degree Rotation and Stand Function

The Kinetijy case features a unique 360-degree rotating mechanism and an integrated stand to provide multiple viewing angles for your tablet.

1. **Rotate the Tablet:** With the tablet secured in the case, you can gently rotate the tablet within its frame to switch between portrait and landscape orientations without removing it from the case.
2. **Engage the Stand:** Open the front cover of the case. Locate the anti-slip strips on the interior of the cover. Prop the tablet's edge into one of these grooves to create a stable viewing stand.
3. **Adjust Viewing Angle:** The anti-slip strips allow for multiple viewing angles. Experiment with different grooves to find the most comfortable angle for typing, watching videos, or browsing.

# ADJUSTABLE MULTIPLE ANGLES

Supports multiple viewing angles with 360° free rotate

## Using the Storage Pocket

The case includes a convenient storage pocket on the front cover.

- **Accessing the Pocket:** Simply lift the flap on the front cover to reveal the pocket.
- **Storage:** This pocket is suitable for carrying small items such as cards, notes, or a few bills. Avoid overfilling to prevent damage to the case or its contents.

# STORAGE POCKET

The pocket is convenient for carrying cards, documents, and cash

## MAINTENANCE

---

To ensure the longevity and appearance of your Kinetijy tablet case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely. Do not expose it to direct sunlight or high heat, as this may damage the material.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.
- **Avoid Sharp Objects:** Keep the case away from sharp objects to prevent scratches or punctures to the PU leather.

## TROUBLESHOOTING

---

If you encounter any issues with your tablet case, consider the following common solutions:

- **Tablet Not Fitting Properly:** Ensure you have the correct model (Logicom Tab XL 14) and that the tablet is aligned correctly within the frame. Gently press all edges to ensure a snug fit.
- **Stand Instability:** Make sure the tablet's edge is firmly seated in one of the anti-slip grooves. Adjust the position until it feels stable.
- **Camera Obstruction:** Verify that the tablet is fully seated and aligned with the case's camera cutout.

If problems persist, please refer to the support information provided.
