4. Care and Maintenance

To ensure the longevity and appearance of your LOPOO Kitchen Island, follow these simple care instructions:

- **Cleaning:** The island is constructed from particle board, which is easy to clean. Simply wipe down all surfaces with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used, followed by wiping dry.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or harsh chemicals, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent moisture damage to the particle board.
- **Heat Protection:** While the surface is durable, it is advisable to use coasters or placemats for hot items to prevent potential heat marks.
- **Sunlight Exposure:** Avoid prolonged direct exposure to sunlight to prevent fading of the finish.

5. Troubleshooting

This kitchen island is designed for durability and stability. Should you encounter any issues, consider the following:

- **Wobbling:** Ensure the island is placed on a completely flat and level surface. If the floor is uneven, small shims can be placed under the base to stabilize it.
- **Surface Stains:** Refer to the "Care and Maintenance" section for cleaning instructions. For persistent stains, a specialized furniture cleaner for laminate surfaces may be required.
- **Damage during Shipping:** If the product arrived damaged, please contact customer support immediately with photographic evidence.

For issues not covered here, please refer to the "Warranty and Support" section for contact information.
