## Globlazer F83

# Globlazer Big Cat Tower F83 Instruction Manual

MODEL: F83

## Introduction

---

Thank you for choosing the Globlazer Big Cat Tower F83. This multi-level cat tree is designed to provide a stimulating and comfortable environment for multiple adult cats, offering various platforms for play, rest, and exercise. This manual provides essential information for assembly, safe operation, maintenance, and troubleshooting to ensure a long-lasting and enjoyable experience for your feline companions.

## Safety Information

---

- Always assemble the cat tower on a flat, stable surface.
- Ensure all screws and connections are tightened securely during assembly.
- Regularly check the firmness of all screws and connections at least once a month to prevent loosening.
- Utilize the provided anti-tip kit to secure the cat tower to a wall, especially for tall structures like the F83, to prevent accidental tipping.
- Keep small children and pets away from the assembly area to avoid injury from small parts.
- Do not allow children to climb or play on the cat tower. It is designed for feline use only.
- If any part becomes damaged or worn, discontinue use and replace the part immediately.

## Package Contents

---

Please verify that all components are present before beginning assembly:

- Instruction Manual

## Setup and Assembly

---

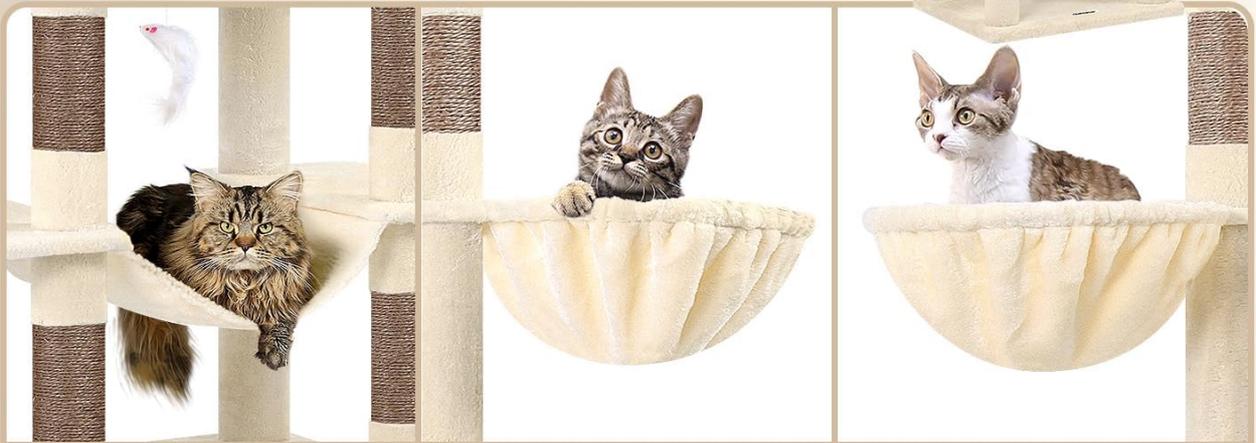

Follow these steps carefully to assemble your Globlazer Big Cat Tower F83. It is recommended to have a clear, spacious area for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Refer to the parts list in your included manual to identify each piece.
2. **Assemble the Base:** Begin by attaching the lowest support posts to the baseboard using the provided hardware. Ensure they are firmly secured.
3. **Build Upwards:** Continue adding platforms and support posts layer by layer, following the numerical or alphabetical order indicated in the detailed assembly diagram in your manual.
4. **Attach Condos and Perches:** Install the cat condos, top perches, hammock, and hanging baskets as instructed. The top perches feature removable covers for easy cleaning.
5. **Install Scratching Posts:** The sisal scratching posts are integrated into various support columns. Ensure these are tightly fastened.
6. **Attach Hanging Toys:** Secure the dangling balls and mouse toys to the designated points on the tower. An additional replacement plush ball is included.
7. **Secure with Anti-Tip Kit:** Once fully assembled, use the anti-tip kit to secure the top of the cat tower to a sturdy wall. This is crucial for stability, especially with multiple cats or active play.

## Maintenance

---

To ensure the longevity and cleanliness of your cat tower, follow these maintenance guidelines:

- **Regular Cleaning:** Use a vacuum cleaner to remove loose fur and dust from the plush surfaces. For spot cleaning, use a damp cloth with mild soap and water, then air dry.
- **Removable Covers:** The covers on the top perches are removable and washable. Follow the care instructions on the label for best results.
- **Sisal Rope Care:** Inspect sisal scratching posts for wear and tear. While durable, heavily used areas may fray over time.
- **Hardware Check:** As a safety measure, check the firmness of all screws and connections at least once a month. Tighten any loose hardware to maintain stability.

## Troubleshooting

---

If you encounter any issues with your Globlazer Big Cat Tower F83, refer to the following common solutions:

- **Tower feels wobbly:** Ensure all screws are tightened. Verify that the anti-tip kit is correctly installed and securely fastened to a wall stud.
- **Parts do not fit:** Double-check the assembly instructions and diagrams. Ensure you are using the correct parts for each step. Do not force parts together.
- **Missing parts:** Review the package contents list. If a part is genuinely missing, contact Globlazer customer service immediately.
- **Cats not using the tower:** Place treats or favorite toys on different levels to encourage exploration. Ensure the tower is in a location your cats frequent and feel safe.
