## SETUP AND ASSEMBLY

Your Yanosaku vanity desk requires assembly. All necessary parts, detailed instructions, and tools are included in the package. It is recommended to follow each step in the provided instructions carefully for quick and correct assembly.

1. **Unpack Components:** Carefully unbox all parts and verify against the parts list in your instruction manual.
2. **Organize Parts:** Arrange all components by their corresponding numbers to streamline the assembly process.
3. **Follow Step-by-Step Instructions:** Adhere strictly to the assembly guide provided in your package. Pay close attention to diagrams and fastener types.
4. **Secure Connections:** Ensure all screws, bolts, and connectors are tightened securely, but do not overtighten to avoid damaging the material.
5. **Install Mirror and Lights:** Attach the mirror and LED lights according to the specific instructions.
6. **Place Glass Top:** Carefully position the tempered glass tabletop into its designated area.
7. **Assemble Stool:** Follow the separate instructions for assembling the vanity stool.

Assembly typically requires two people and may take several hours. If any parts are missing or damaged, please contact customer support.

## OPERATING INSTRUCTIONS

### LED Mirror Lights

**Figure 6:** The LED mirror lights offer three distinct color modes: Warm White, Natural Light, and Cold White, each adjustable in brightness.

- **Power On/Off:** Press the power button on the light control panel to turn the LED lights on or off.
- **Change Color Mode:** Short press the mode button to cycle through the three lighting modes: Warm White, Natural Light, and Cold White.
- **Adjust Brightness:** Long press the brightness adjustment buttons (+/-) to increase or decrease the light intensity within the selected color mode.

## Charging Station

- **AC Outlets:** Plug in your hair dryer, curling iron, or other small appliances into the two standard 125V/12A AC outlets.
- **USB Ports:** Use the two 5V/2A USB ports to charge your mobile devices such as phones and tablets.
- **Hair Dryer Holder:** Utilize the integrated holder to keep your hair dryer conveniently accessible.

## Drawers and Cabinet

- **7 Drawers:** Organize your cosmetics, jewelry, and personal items within the seven spacious drawers. The fluted panel design and gold handles provide easy access.
- **Glass Top Drawers:** The embedded tempered glass tabletop allows you to view and access items stored in the top drawers without opening them.
- **Storage Cabinet:** The side cabinet features adjustable shelves. To open, gently push the glass door, and it will release. Adjust shelves as needed for different sized items.

## MAINTENANCE

- **Cleaning Surfaces:** Wipe down wood surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Glass Care:** Clean the mirror and glass tabletop with a glass cleaner and a lint-free cloth.

- **Electrical Components:** Ensure all electrical connections are dry before cleaning. Do not spray liquids directly onto the power strip or light bulbs.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Stool Care:** The vanity stool's fabric can be spot cleaned with a mild detergent and damp cloth.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not turning on.	Power cable not connected; faulty bulb; power outage.	Check power connection. Ensure bulbs are securely screwed in. Test the outlet with another device. If issues persist, contact customer support.
Drawers are stiff or not sliding smoothly.	Misaligned runners; obstruction; loose hardware.	Ensure drawers are correctly aligned on their runners. Check for any objects blocking the slides. Verify all assembly hardware is tight.
Power outlets/USB ports not working.	Power cable not connected; circuit breaker tripped; faulty unit.	Confirm the main power cable for the vanity is plugged in. Check your home's circuit breaker. Avoid overloading the outlets. If still not working, contact customer support.
Vanity feels unstable.	Uneven floor; loose assembly hardware.	Ensure the vanity is on a level surface. Re-tighten all assembly screws and bolts.

For issues not listed here or if solutions do not resolve the problem, please contact Yanosaku customer support.
