Leo IRis Folding Bed

Leo IRis Portable Folding Camping Cot Instruction Manual

Product Overview

The Leo IRis Portable Folding Camping Cot is designed for comfort and convenience in various settings. It features a durable frame and a thick, detachable cotton mattress, providing a stable and comfortable sleeping or lounging surface. This cot is suitable for outdoor adventures, travel, or as an extra bed indoors.

Key features include a five-level adjustment function for various sitting and lying postures, a soft and comfortable detachable mattress, and a stable triangular locking system. The cot is designed for quick setup and portability.

Image: The Leo IRis Portable Folding Camping Cot is versatile, suitable for use in bedrooms, offices, during travel, and camping.

Setup Instructions

The Leo IRis Portable Folding Camping Cot requires no assembly. It comes pre-assembled and is ready for immediate use. To set up, simply unfold the cot from its compact, folded position.

1. Place the folded cot on a flat, stable surface.
2. Gently pull the two ends of the cot apart until the frame fully extends and locks into place.
3. Ensure all support legs are fully extended and stable on the ground before use.
4. Attach the detachable mattress if it is not already in place.

Image: This illustration shows the cot's dimensions when extended and its compact form when folded, highlighting its portability and ease of setup.

Operating the Camping Cot

Adjusting the Reclining Positions

The cot features a five-level adjustment function, allowing you to customize the angle for optimal comfort. This is achieved through a stable triangular locking system.

1. To adjust, slightly lift the backrest of the cot.
2. Select your desired angle by moving the backrest to one of the five available positions.
3. Ensure the backrest securely locks into the chosen position before applying full weight.

Folding for Storage and Transport

The cot can be easily folded for compact storage and transport, typically within 10 seconds.

1. Ensure the backrest is in its lowest, flat position.
2. Locate the folding mechanism, usually near the center of the frame.
3. Apply gentle pressure to release the locking mechanism and bring the two ends of the cot together.
4. Secure the cot in its folded position using any integrated straps or latches.

Care and Maintenance

Cleaning the Cot Frame

The cot frame is made of stainless steel. To clean, wipe with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Dry thoroughly after cleaning to prevent rust.

Cleaning the Oxford Fabric and Mattress

The cot features 600D Oxford fabric and a detachable cotton mattress. For general cleaning, spot clean with a damp cloth

and mild detergent. The mattress and pillow are removable for easier cleaning or replacement.

- **Detachable Mattress:** Refer to the care label on the mattress for specific washing instructions. Typically, machine wash on a gentle cycle with cold water and air dry.
- **Oxford Fabric:** Hand wash with mild soap and water. Do not bleach. Air dry completely before folding or storing to prevent mildew.

Image: The removable premium mat, emphasizing its breathable and frictionless surface, made from durable 800D Oxford cloth, which facilitates easy cleaning.

Storage

Store the cot in a dry, cool place away from direct sunlight when not in use. Ensure it is completely dry before folding and storing to prevent mildew or damage to the fabric and frame.

Troubleshooting

- **Cot feels unstable:** Ensure all legs are fully extended and locked into place. Check that the cot is placed on a flat,

even surface. The triangular locking system should be engaged correctly.

- **Difficulty adjusting backrest:** Ensure no weight is on the backrest when attempting to adjust. Lift slightly to disengage the lock, then move to the desired position until it clicks securely.
- **Fabric appears too tight or loose:** The Oxford fabric is designed to be taut for support. Over time, minor stretching may occur. If the fabric seems excessively loose or tight, inspect the frame for any damage or bending.
- **Discomfort during use:** Ensure the detachable mattress is properly positioned. If discomfort persists, consider adding additional padding or adjusting the reclining angle.
- **Cot does not fold easily:** Check for any obstructions in the folding mechanism. Ensure the backrest is fully flattened before attempting to fold. Do not force the mechanism.

Product Specifications

Brand	Leo IRis
Model Number	Folding Bed
Material	Oxford Fabric, Stainless Steel
Product Dimensions (Extended)	70.8 x 24.4 x 11 inches (180cm x 62cm x 28cm)

Image: Visual representation of the mattress's key attributes: softness, thickness, breathability, and durability, contributing to overall comfort.

Safety Guidelines

- **Weight Limit:** Do not exceed the maximum weight limit of 350 lbs (approximately 158 kg). Exceeding this limit can cause damage to the cot and potential injury.
- **Setup Caution:** Be cautious during setup and folding to avoid pinching fingers or hands in the moving parts of the frame.
- **Stable Surface:** Always place the cot on a flat, stable, and level surface to prevent tipping.
- **Children and Pets:** Keep children and pets away from the cot during setup and folding. Supervise children when they are using the cot.
- **Inspection:** Regularly inspect the cot for any signs of wear, damage, or loose parts. Do not use if damaged.

Warranty Information

Specific warranty details for the Leo IRis Portable Folding Camping Cot may vary. Please refer to the product packaging

or contact Leo IRis customer support for the most accurate and up-to-date warranty information.

Customer Support

For any questions, concerns, or assistance with your Leo IRis Portable Folding Camping Cot, please contact Leo IRis customer support. You can typically find contact information on the product packaging, the manufacturer's official website, or through your point of purchase.
