## 5. MAINTENANCE

---

- **Charging Frequency:** If the power bank is not used for a long time, please charge it once every 3 months to maintain battery health.
- **Cleaning:** Keep the power bank clean and dry. Do not wash it with depurative chemistry.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures.

## 6. TROUBLESHOOTING

---

### Common Issues and Solutions:

- **Device not charging:**
  - Ensure the power bank is sufficiently charged.
  - For wireless charging, verify your device/case is Mag-Safe compatible and properly aligned.
  - For wired charging, check cable connections and ensure the cable is not damaged.
  - Press the power button once to activate charging if it's in standby mode.
- **Slow charging:**
  - Ensure you are using a high-quality, compatible charging cable.
  - For optimal speed, use the original USB-C cable provided to charge the power bank itself.
  - Avoid using your device heavily while charging.
- **Power bank not turning on:**

- Charge the power bank for at least 30 minutes.
- If the issue persists, contact customer support.
