# Jocoevol 47"-63" Extendable Round Dining Table Instruction Manual

Model: B0FDG9MVV7

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Jocoevol 47"-63" Extendable Round Dining Table. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Proper assembly and care will ensure the longevity and optimal performance of your dining table.

## SAFETY INFORMATION

- Always assemble the table on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the table.
- Keep small parts away from children during assembly to avoid choking hazards.
- Use caution when extending or retracting the table to prevent pinching fingers.
- Do not place excessively hot items directly on the table surface without protection.

## PACKAGE CONTENTS

Verify that all components and hardware are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

## SETUP: ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully for proper assembly. It is recommended to have two people for certain steps.

- Step 1: Assemble the Base Frame.** Begin by connecting the base frame components as shown in the diagram. Ensure all dowels and screws are aligned and secured.
- Step 2: Attach the Base Plate.** Secure the bottom circular base plate to the assembled base frame using the

designated screws.

3. **Step 3: Construct the Central Storage Unit.** Assemble the inner shelves and side panels of the central storage unit.
4. **Step 4: Install Storage Doors.** Attach the sliding doors to the central storage unit, ensuring they glide smoothly.
5. **Step 5: Prepare the Tabletop Mechanism.** Attach the sliding rails to the underside of the main tabletop sections. Ensure they are securely fastened and aligned for smooth extension.
6. **Step 6: Connect Tabletop to Base.** Carefully place the assembled tabletop onto the central base, aligning the pre-drilled holes and securing it with the provided fasteners.
7. **Step 7: Insert Extension Leaves.** Place the extension leaves into the central opening of the tabletop. These leaves are designed to fold and store within the table's mechanism when not in use.

## OPERATING INSTRUCTIONS

---

### Extending the Table

1. Unlock any securing clips or latches on the underside of the tabletop.
2. Gently pull the two halves of the tabletop apart. The sliding mechanism will extend.
3. Retrieve the extension leaves from the central storage compartment.
4. Place the extension leaves into the gap created by pulling the table halves apart. Ensure they sit flush and are properly aligned.
5. Push the tabletop halves back together until they meet the extension leaves and lock into place. Secure any clips or latches.

## Retracting the Table

1. Unlock any securing clips or latches.
2. Gently pull the tabletop halves apart to create a gap.
3. Remove the extension leaves and store them in the central compartment.
4. Push the tabletop halves back together until they meet, ensuring a tight seam. Secure any clips or latches.

## Using the 2-Tier Storage Shelf

The central pedestal features a discreet 2-tier storage shelf. Simply slide open the curved doors to access the compartments. The shelf can be adjusted to different heights to accommodate various items.

## MAINTENANCE

---

- **Cleaning:** Wipe the table surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. Dry immediately with a clean cloth.
- **Spills:** Clean spills immediately to prevent staining, especially on the wood finish.
- **Heat Protection:** Always use coasters or placemats for hot dishes to protect the tabletop from heat damage.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or warping of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood expansion or contraction.

## TROUBLESHOOTING

---

Issue	Possible Cause	Solution
Table is wobbly	Loose fasteners; uneven floor.	Check and tighten all screws. Use furniture glides or shims to level the table on uneven surfaces.
Tabletop difficult to extend/retract	Rails are dirty or misaligned; securing clips engaged.	Ensure all securing clips are disengaged. Clean the sliding rails and apply a silicone-based lubricant if necessary. Check for obstructions.
Storage doors do not slide smoothly	Debris in tracks; misaligned doors.	Clean the tracks of any dust or debris. Ensure the doors are properly seated in their tracks.
