KAJIE MILAN AINI-E

KAJIE MILAN AINI-E Mini Bluetooth Speaker Instruction Manual

Model: AINI-E

Introduction

This manual provides detailed instructions for the KAJIE MILAN AINI-E Mini Bluetooth Speaker. This device is a compact, portable speaker featuring a touchscreen display, Bluetooth 5.4 connectivity, LED lighting, and multiple smart functions. Please read this manual thoroughly before using the product to ensure proper operation and longevity.

What's in the Box

- 1 x KAJIE MILAN AINI-E Mini Portable Bluetooth Speaker
- 1 x USB Cable (Type-C)
- 1 x User Manual

Setup

1. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB Type-C cable to the charging port on the side of the speaker and the other end to a compatible USB power adapter (not included).
A full charge typically takes under 2 hours. The battery indicator on the touchscreen will show charging status.

Image: Close-up of the speaker's side, showing the USB-C charging port and control buttons.

2. Powering On/Off

To power on the speaker, press and hold the Power button located on the top of the device for 3 seconds. The touchscreen will illuminate, displaying "hello" and then the main interface. To power off, press and hold the Power button again for 3 seconds, then slide off on the touchscreen.

Video: A short demonstration of powering on the speaker, showing the "hello" message on the screen.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and the Bluetooth icon is visible on the touchscreen.
2. On your smartphone or other Bluetooth-enabled device, navigate to the Bluetooth settings.
3. Search for available devices and select "DK08" (or similar model name) from the list.
4. Once connected, the speaker will emit an audible confirmation, and the Bluetooth icon on the speaker's screen will indicate a successful connection.

Operating Instructions

1. Touchscreen Navigation

The KAJIE MILAN AINI-E features an intuitive touchscreen for easy navigation. Swipe left or right to access different applications and settings. Tap on icons to open specific functions.

Image: The speaker's touchscreen displaying various smart functions like music, calculator, calendar, and phone.

2. Music Playback

- **Via Bluetooth:** Once paired with your device, music played on your phone will stream through the speaker. Use the touchscreen controls (play/pause, next/previous track) or the physical buttons on top to manage playback.
- **Via SD Card:** Insert a MicroSD card (not included) loaded with audio files into the TF port on the side of the speaker. Navigate to the music player app on the touchscreen to access and play your stored music.

3. Volume Control and Track Navigation

- **Volume:** Use the touchscreen controls or the dedicated Volume +/- buttons on the top of the speaker to adjust the audio level.

- **Track Skip:** Press the arrow buttons on the top of the speaker to skip to the next or previous track.

4. LED Lighting Effects

Press the Light button on the top of the speaker to cycle through different dynamic LED lighting effects. The speaker offers various colors (Blue, Red, Green) to enhance the listening experience.

5. Smart Functions

The touchscreen provides access to several smart functions:

- **Hands-Free Calling:** When connected to a smartphone, you can answer calls directly from the speaker.
- **Message Notifications:** Receive notifications from your paired smartphone directly on the speaker's screen.
- **Weather Updates:** Access current weather information (requires connection to a smartphone app).
- **Calendar:** View the current date and month.
- **Alarm Clock:** Set multiple alarms with customizable times.
- **Calculator:** Perform basic arithmetic operations.
- **Timer:** Set countdown timers for various activities.

Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The speaker is waterproof. However, avoid prolonged submersion or exposure to high-pressure water jets. Ensure the charging port cover is securely closed when near water.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.

Troubleshooting

Issue	Possible Solution
Speaker does not power on.	Ensure the battery is charged. Connect to a power source and try again.
Cannot pair with Bluetooth device.	Ensure Bluetooth is enabled on both devices. Move the speaker closer to the device. Forget "DK08" from your device's Bluetooth list and try pairing again.
No sound or low volume.	Check the volume levels on both the speaker and the connected device. Ensure the speaker is not muted.
Touchscreen is unresponsive.	Restart the speaker by holding the power button. Ensure the screen is clean and dry.
