2. KEY FEATURES

- **Cordless Convenience & Self-Parking:** Features a tangle-free cordless design and self-parks when the battery is low, simplifying retrieval.
- **Efficient Cleaning:** Provides powerful suction, capturing debris and leaves for a clean pool.
- **Long Runtime:** Operates for up to 90 minutes of continuous cleaning, ideal for flat above-ground pools up to 860 sq. ft.
- **One-Click Start:** Ready for use in seconds with a simple one-click operation.
- **Lightweight & Easy Drainage:** Weighs just 7.5 lb, making it easy to lift, and drains in 15 seconds.
- **Durable Design:** Built with a high-quality shell and an easy-to-clean, built-in filter for extended service life.

3. PACKAGE CONTENTS

Verify that all items are included in your package:

1x Gosvor LiteVac 800
1x Charger
1x User Manual
1x Retrieval Hook
2x Brushes

- 1x Gosvor LiteVac 800 Robotic Pool Cleaner
- 1x Charger
- 1x User Manual
- 1x Retrieval Hook
- 2x Brushes

4. INITIAL SETUP

Before first use, ensure the unit is fully charged.

1. **Charge the Cleaner:** Connect the charger to the charging port on the underside of the cleaner. A full charge takes approximately 3 hours.

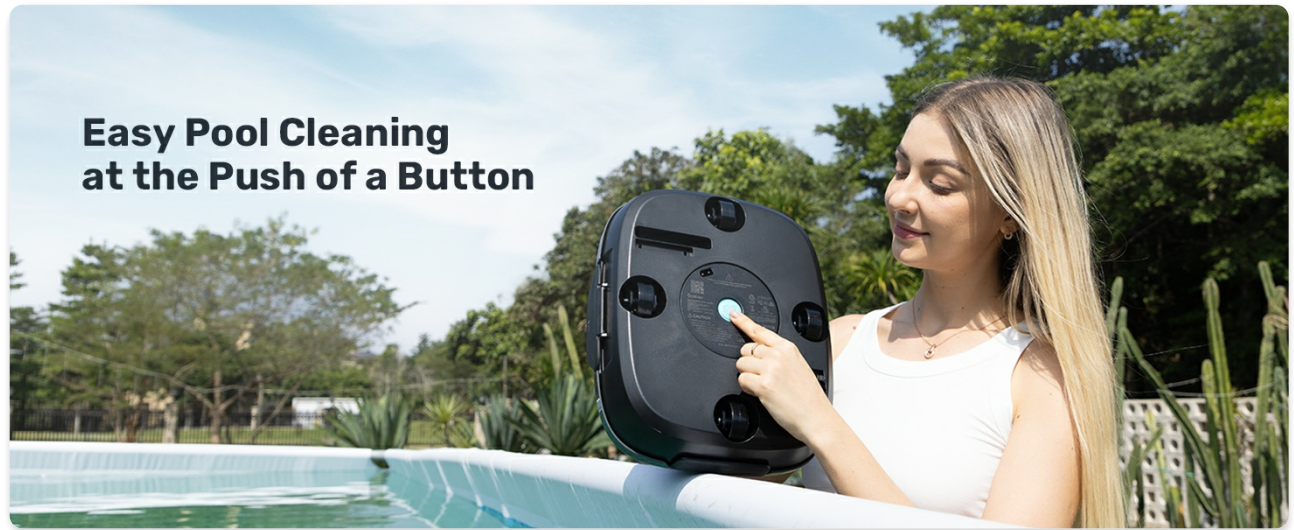

Image 3: The robotic pool cleaner connected to its charger.

2. **Prepare for Deployment:** Once charged, ensure the filter basket is securely in place.

5. OPERATING INSTRUCTIONS

The LiteVac 800 is designed for simple, one-touch operation.

1. **Activate the Cleaner:** Press the power button located on the underside of the unit. You will hear an audible beep indicating it is powered on.

Easy Pool Cleaning at the Push of a Button

Image 4: Activating the cleaner with a simple button press.

2. **Submerge in Pool:** Gently lower the cleaner into the pool water. Hold it submerged for a few moments to allow it to fill with water and sink to the bottom. This prevents it from flipping over.

Automatic, Cordless

Ready to Delight Pool Time, Made Effortless

Image 5: The robotic cleaner operating autonomously in the pool.

3. **Cleaning Cycle:** The LiteVac 800 will begin its cleaning cycle, moving across the pool floor in a random, zigzag pattern. It is designed to clean flat surfaces efficiently.

Image 6: Illustration of the cleaner's powerful suction capturing debris.

4. **Self-Parking:** When the battery level drops to approximately 15%, the cleaner will automatically navigate to the nearest pool wall for easy retrieval.

Image 7: The cleaner automatically docking itself at the pool edge.

5. **Retrieval:** Use the provided retrieval hook to pull the cleaner out of the water. The quick-release water drainage

system will rapidly empty the unit.

Image 8: The cleaner quickly releasing water as it is lifted from the pool.

6. CLEANING AND MAINTENANCE

Regular cleaning of the filter basket is essential for optimal performance.

1. **Access Filter Basket:** Once retrieved from the pool, open the top cover of the cleaner.
2. **Remove and Empty:** Lift out the filter basket. Dispose of collected debris.

Remove, Rinse, Reinstall It's That Easy

Image 9: Steps for removing, rinsing, and reinstalling the filter basket.

- Rinse Thoroughly:** Rinse the filter screen and the inside of the cleaner with a hose to remove any remaining dirt, sand, leaves, or bugs.

Easy to Clean

Image 10: Demonstrating the ease of cleaning the filter and the main unit.

- Reassemble:** Place the clean filter basket back into the unit and close the top cover securely.

7. TROUBLESHOOTING

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
Cleaner gets stuck or does not move smoothly.	Pool liner has wrinkles or uneven surfaces.	The LiteVac 800 is designed for flat above-ground pools. Significant wrinkles or unevenness in the pool liner can impede its movement. Ensure your pool floor is as flat as possible.
Reduced suction or cleaning efficiency.	Clogged filter basket.	Remove and thoroughly clean the filter basket as described in the Maintenance section.
Cleaner stops prematurely.	Low battery.	Recharge the cleaner fully. The unit will self-park when battery is low.

8. TECHNICAL SPECIFICATIONS

Specification	Detail
Model Name	LiteVac 800
Brand	Gosvor
Product Dimensions	13.4"L x 13.2"W x 6.8"H
Item Weight	7 pounds
Power Source	Battery Powered
