### Mounting Options

The ApoloSign Digital Calendar offers both desktop and wall-mounting options.

#### Desktop Stand Installation

1. Assemble the Upper and Lower Desk Stand components using the provided screwdriver and screws.
2. Securely attach the assembled stand to the back of the ApoloSign Digital Calendar.

3. Place the calendar on a stable, flat surface.

## Choose the View You Love, again and again

### Wall Mounting Installation

1. Choose a suitable wall location, ensuring it is free from obstructions and has access to a power outlet.
2. Use the provided wall mounting bracket as a template to mark drill holes on the wall.
3. Drill pilot holes and insert the anchors.
4. Secure the wall mounting bracket to the wall using the mounting screws.
5. Carefully align the digital calendar with the mounted bracket and slide it into place until it is securely fastened.

## Powering On and Wi-Fi Connection

1. Connect the power adapter to the digital calendar and plug it into a power outlet.
2. The device will automatically power on. Follow the on-screen prompts to select your language and connect to your Wi-Fi network. A stable Wi-Fi connection is required for full functionality.

## OPERATING INSTRUCTIONS

The ApoloSign Digital Calendar operates with a dual OS, offering a dedicated Calendar Mode and a versatile Android Mode.

### Calendar Mode

Calendar Mode is optimized for family organization and task management, providing a clear, focused interface.

- **Calendar Syncing:** Seamlessly sync and display schedules from multiple platforms including Google Calendar, iCloud, Outlook, and Yahoo. This consolidates all family events into one central view.

# Sync All Your Calendars in One Place

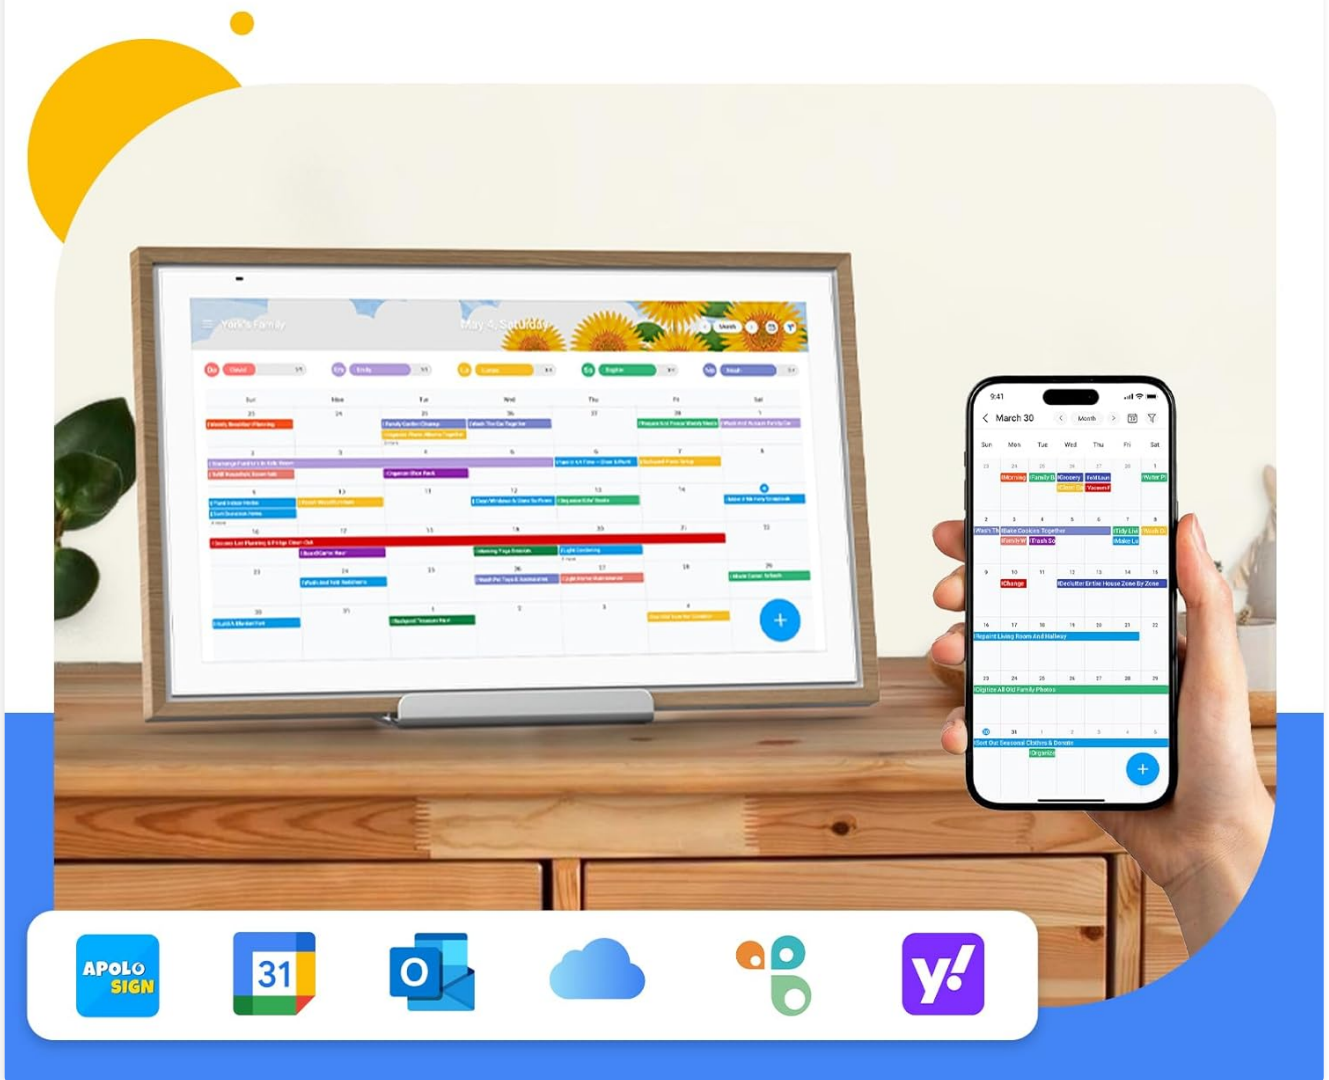

Figure 5: Syncing multiple calendars.

- **Chore Chart & Routine Planning:** Create and manage interactive chore charts and daily routines. Assign tasks to family members, set reminders, and track progress using color-coded labels. This feature supports building consistent habits.

# Organize Routines, Grow Good Habits

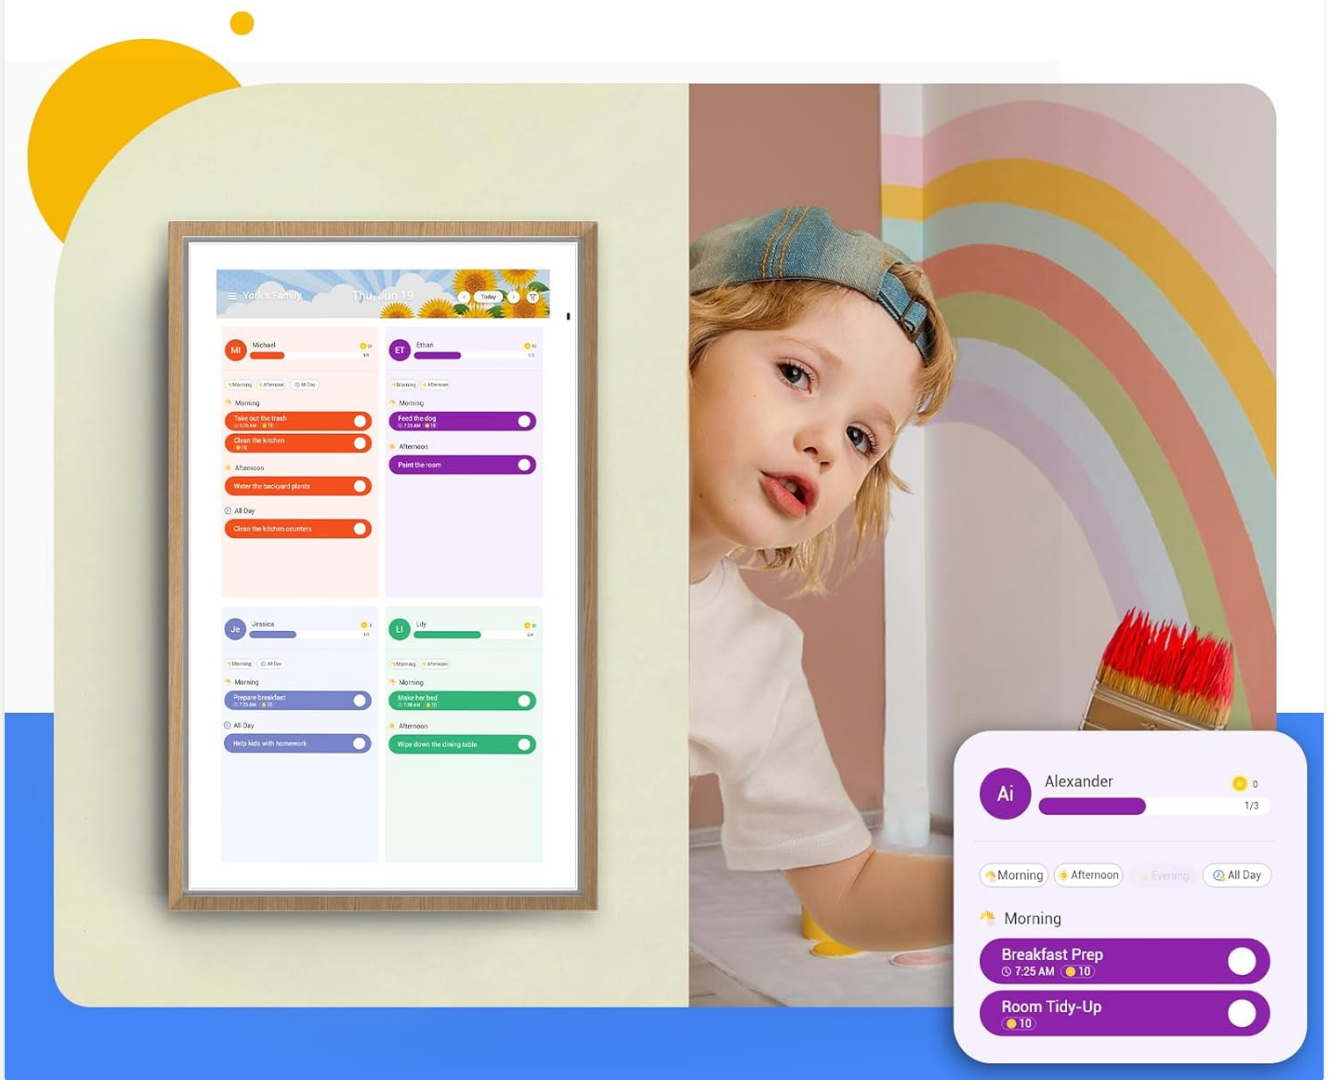

Figure 6: Interactive chore chart and routine planning.

- **To-Do Lists:** Manage personal and family to-do lists directly from the calendar screen. Add, check off, and prioritize tasks to stay organized.

# Stay on Track with To-Dos & Shopping Lists

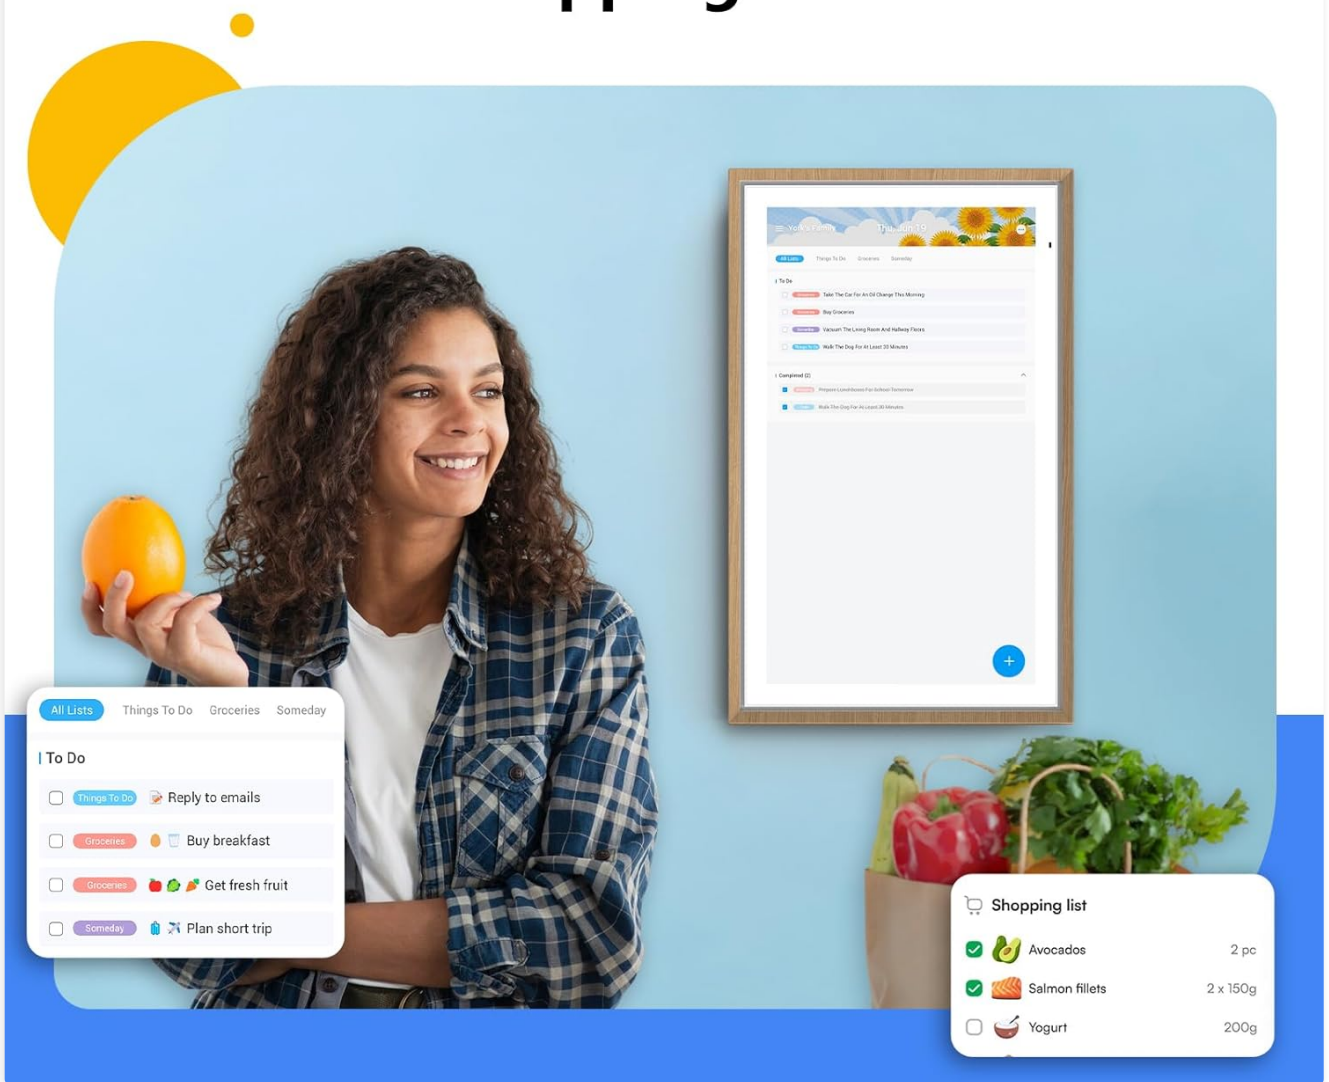

Figure 7: Managing to-do and shopping lists.

- **Privacy Mode:** Hide private events with a single tap, ensuring only essential information is visible when needed.

## Android Mode

Android Mode transforms your calendar into a versatile smart display, offering access to a wide range of applications and customization options.

- **Google Play Integration:** Download and install various apps from the Google Play Store, including additional calendar tools, entertainment apps, and productivity tools.

# One of Two Powerful Modes: Android Dashboard with Google Play

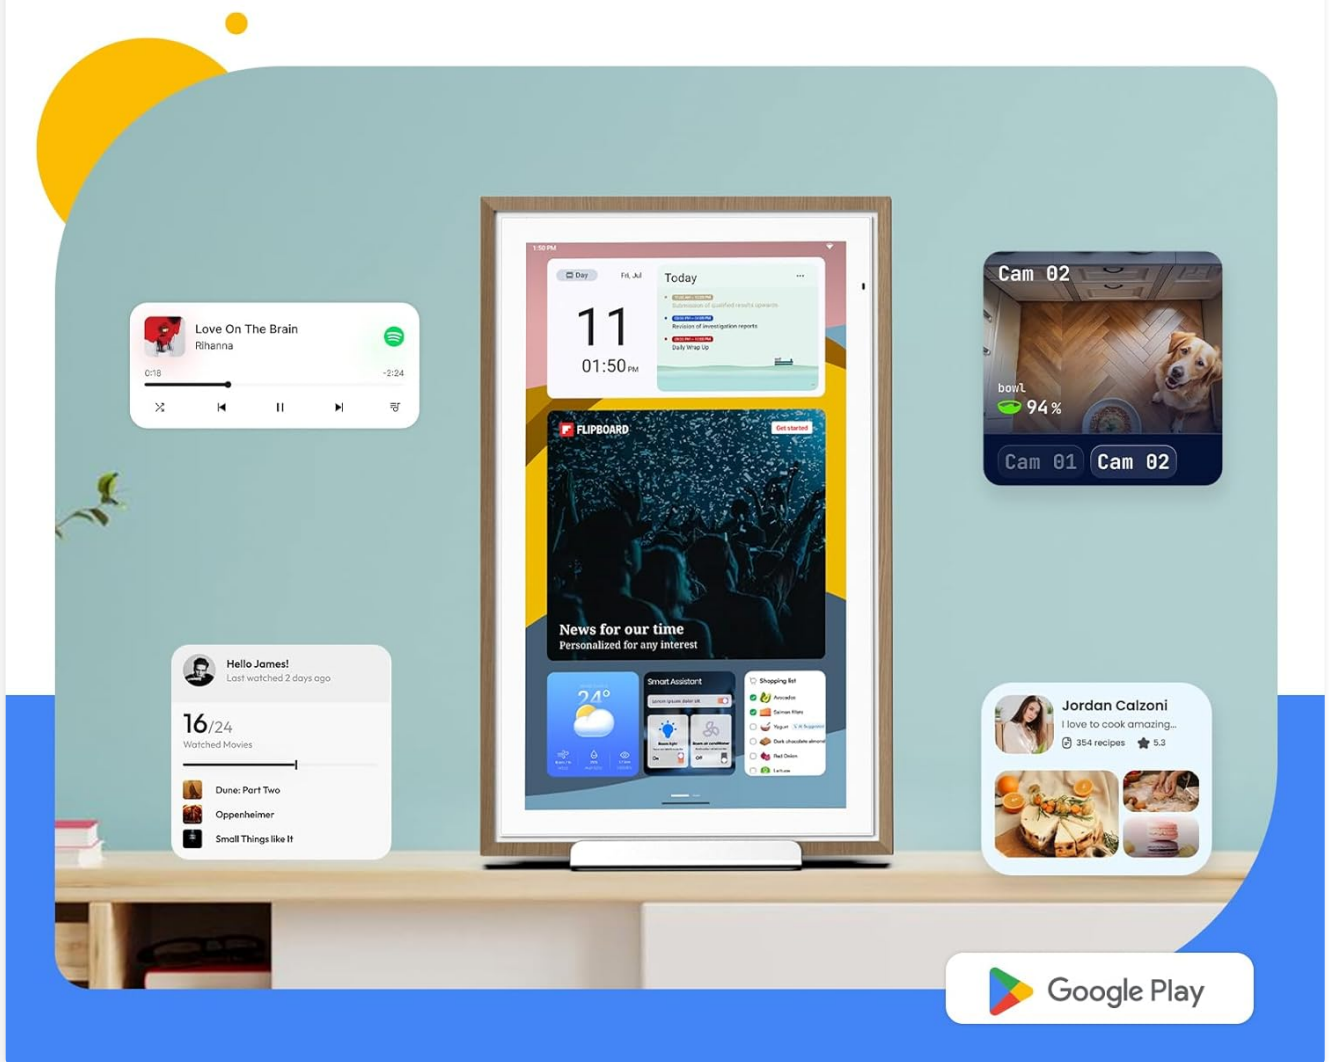

Figure 8: Android Dashboard with Google Play apps.

- **Custom Dashboard Widgets:** Personalize your display with customizable widgets for weather, notes, to-dos, and routines. Drag, resize, and arrange widgets to create your ideal dashboard.
- **Google Assistant:** Utilize built-in quad microphones for hands-free voice control. Set alarms, check the weather, organize tasks, and interact with your calendar using voice commands.
- **Smart Home Ready:** Connect and control compatible smart home devices such as video doorbells and security cameras directly from the display.
- **Smart Photo Frame:** Transform your calendar into a digital photo frame. Display photos from Google Photos or upload them directly to the device. No subscriptions are required for this feature.

# Turn Your Calendar into a Smart Photo Frame

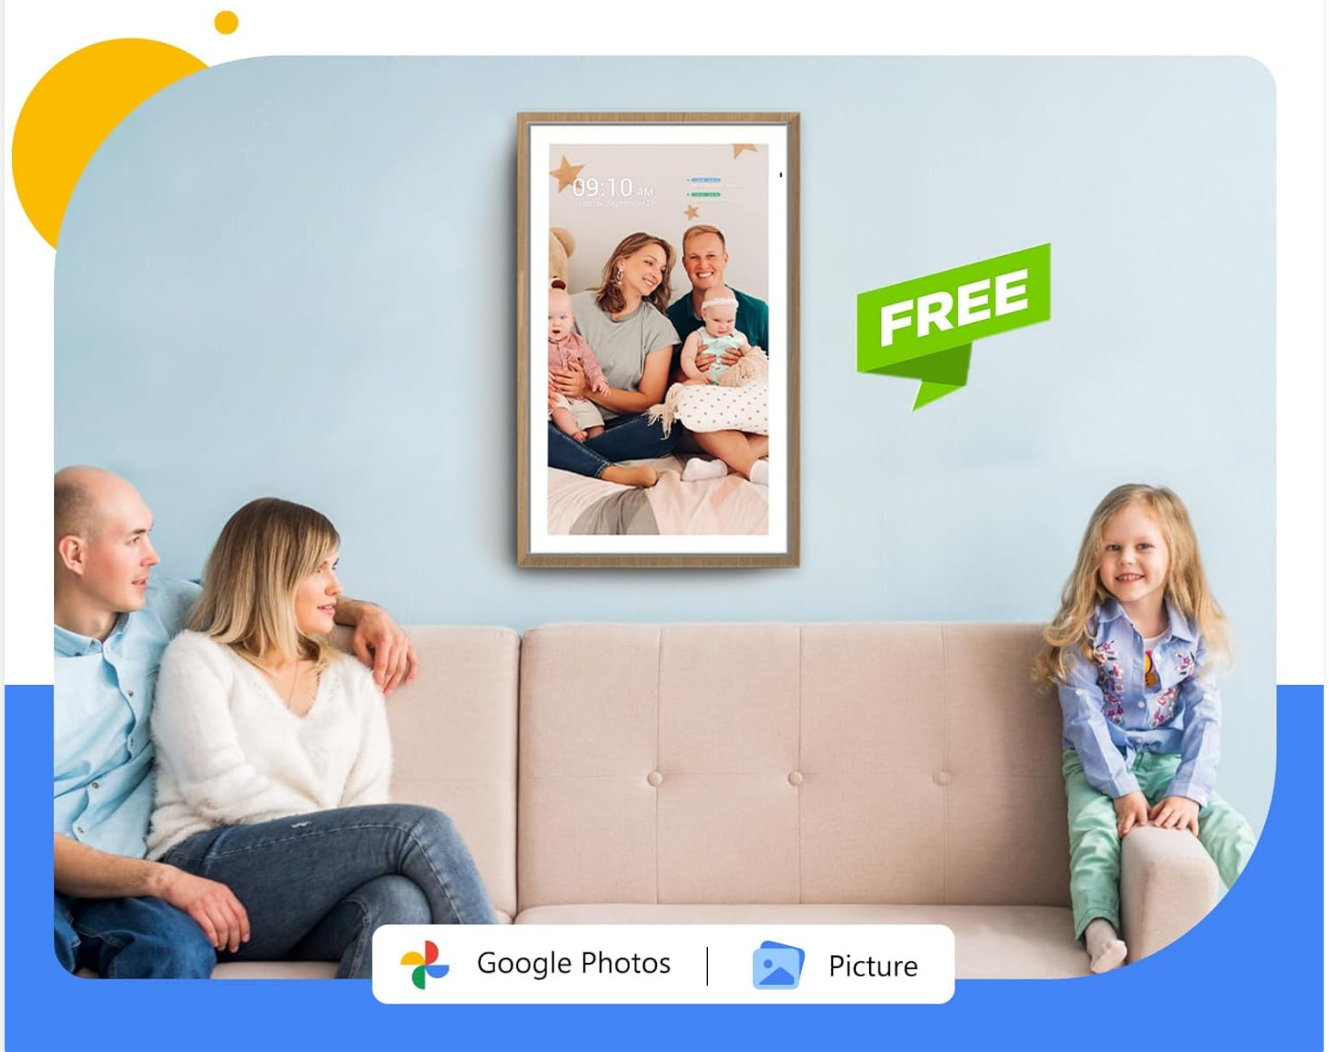

Figure 9: Using the calendar as a smart photo frame.

- **Energy-Saving Sleep Mode:** The device features an energy-saving sleep mode for restful nights, automatically dimming or turning off the display during specified hours.
- **Auto Portrait/Landscape Rotation:** The display automatically adjusts its orientation based on how it is positioned.

### TROUBLESHOOTING

For any issues encountered with your ApoloSign Digital Calendar, please refer to the following general guidance:

- **No Power:** Ensure the power adapter is securely connected to both the device and a working power outlet.

- **Wi-Fi Connectivity Issues:** Verify your Wi-Fi network is active and the password is correct. Try restarting your router and the digital calendar.
- **App Malfunction:** If an app is not functioning correctly, try restarting the device. If the issue persists, consider uninstalling and reinstalling the app from Google Play.
- **Screen Responsiveness:** If the touchscreen is unresponsive, restart the device. Ensure the screen is clean and free of debris.

If you require further assistance or encounter problems not covered here, our expert support team is available around the clock to assist you. Your satisfaction is our top priority.

## WARRANTY AND SUPPORT

ApoloSign is committed to providing high-quality products and customer satisfaction. While specific warranty details are provided with your purchase documentation, our dedicated support team is available 24/7 to assist with any questions, setup guidance, or troubleshooting needs. Please refer to the contact information provided in your user guide or on the ApoloSign official website for support.
