VOWNER VOWNER-592

VOWNER Vanity with Lighted Mirror - Glass Top Makeup Desk (Model VOWNER-592) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

INTRODUCTION

Thank you for choosing the VOWNER Vanity with Lighted Mirror. This manual provides detailed instructions to ensure safe assembly, proper operation, and effective maintenance of your new vanity desk. Please read this manual thoroughly before beginning assembly or use, and retain it for future reference.

IMPORTANT SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Always assemble the vanity according to the provided instructions.
- Ensure the vanity is stable and secure before use.
- Do not place heavy objects on the glass top to prevent breakage.
- Keep fingers away from drawers when closing to avoid pinch points.
- Always supervise children around the vanity.
- Do not overload the drawers.
- Use only the provided power cord and ensure it is not pinched or damaged.

SETUP AND ASSEMBLY

The VOWNER Vanity Desk requires assembly. Please follow these steps carefully. It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

Tools Required:

- Allen Key (often included)
- Screwdriver (Phillips head recommended)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components are present against the parts list (refer to the separate assembly guide included in the packaging).
2. **Assemble the Main Frame:** Follow the numerical sequence in the assembly guide to connect the side panels and support beams. Ensure all screws are tightened securely but do not overtighten.
3. **Install Drawer Slides:** Attach the drawer slides to the vanity frame and the drawer boxes as per the instructions. Ensure they are aligned correctly for smooth operation.
4. **Assemble Drawers:** Construct the 9 drawers, attaching the crystal ball knobs. Insert the assembled drawers into their respective slides.
5. **Attach the Mirror:** Securely attach the lighted mirror to the back of the vanity desk. Ensure all mounting hardware is firmly in place.
6. **Place the Glass Top:** Carefully position the tempered glass desktop onto the vanity frame.
7. **Install Power Outlet:** Mount the built-in power strip (with 2 standard plug sockets and 2 USB ports) in the designated area, typically on the side or back of the vanity. Connect the power cord.
8. **Assemble Stool:** Assemble the cushioned stool following its specific instructions.
9. **Final Check:** Once assembled, gently shake the vanity to ensure stability. Re-tighten any loose screws if necessary.

OPERATING INSTRUCTIONS

Lighted Mirror Operation:

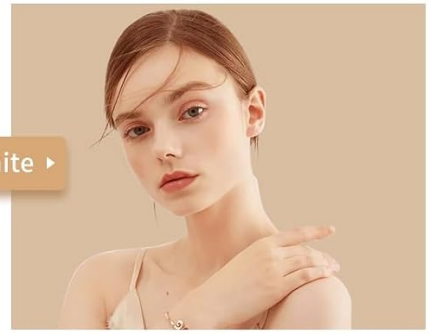

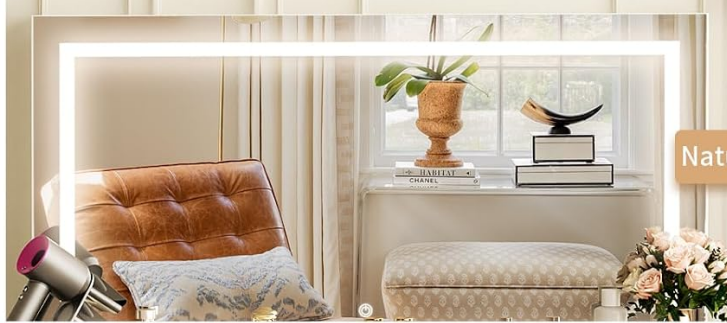

The integrated LED mirror features adjustable lighting for various needs.

- **Power On/Off:** Locate the touch sensor button on the mirror surface. Tap once to turn the light on or off.
- **Change Color Mode:** With the light on, tap the touch sensor button repeatedly to cycle through the 3 color temperature modes:
 - Warm White
 - Natural White
 - Cool White
- **Adjust Brightness:** To adjust brightness, press and hold the touch sensor button. The brightness will gradually increase or decrease. Release the button when the desired brightness level is reached.

Charging Station Usage:

The vanity is equipped with a convenient built-in power strip.

- **AC Outlets:** Use the two 125V/12A standard plug sockets to power devices such as hair dryers, curling irons, or other beauty appliances.
- **USB Ports:** Use the two 5V/2A USB ports to charge smartphones, tablets, or other USB-powered devices.
- Ensure the vanity's main power cord is plugged into a functional wall outlet for the charging station to operate.

CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your VOWNER Vanity.

- **Cleaning the Surface:** Wipe the vanity surfaces, including the tempered glass top, with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors and a soft, lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If a drawer becomes stiff, a small amount of silicone lubricant can be applied to the slides.
- **Knob Tightening:** Occasionally check and tighten the crystal ball knobs to ensure they remain secure.
- **Avoid Moisture:** Do not expose the vanity to excessive moisture or direct sunlight, which can cause warping or discoloration.

TROUBLESHOOTING GUIDE

If you encounter issues with your vanity, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror light does not turn on.	<ul style="list-style-type: none">• Power cord not plugged in.• Loose connection.• Faulty power outlet.• Damaged LED component.	<ul style="list-style-type: none">• Ensure the main power cord is securely plugged into a working wall outlet.• Check all connections to the mirror light.• Test the wall outlet with another appliance.• If the light is still not working, contact customer support.
