BLU B135DL

BLU View 4 B135DL Smartphone User Manual

Model: B135DL

INTRODUCTION

This manual provides essential instructions for setting up, operating, maintaining, and troubleshooting your BLU View 4 B135DL smartphone. Please read this guide thoroughly to ensure proper use and optimal performance of your device.

DEVICE OVERVIEW

Image: Front, side, and rear views of the BLU View 4 B135DL smartphone. The front displays the screen with app icons and a notification. The side shows volume and power buttons. The rear features the camera module, speaker grille, and a textured gray finish with the Tracfone logo.

The BLU View 4 B135DL is a smartphone designed for reliable performance. It features a 6.0" HD+ display, an 8MP rear camera, and a 5MP front camera. The device is powered by a quad-core processor with 3GB of RAM and includes 32GB of internal storage, expandable via microSD card.

SETUP

1. Inserting the SIM Card and MicroSD Card

Locate the SIM card tray on the side of your device. Use the provided SIM ejector tool to open the tray. Carefully place your Tracfone SIM card into the designated slot. If you are using a microSD card for expanded storage, insert it into the appropriate slot on the same tray. Ensure the tray is securely closed.

2. Charging the Battery

Before first use, fully charge your BLU View 4 B135DL. Connect the provided power adapter to the charging port on your phone and plug it into a power outlet. The battery indicator on the screen will show charging progress. A full charge typically takes a few hours.

3. Initial Power On and Setup Wizard

Press and hold the power button located on the side of the device until the BLU logo appears. Follow the on-screen instructions to complete the initial setup, which includes selecting your language, connecting to a Wi-Fi network, setting up your Google account, and configuring security options.

OPERATING INSTRUCTIONS

Basic Navigation

- **Power Button:** Press and hold to power on/off or restart. Press briefly to turn the screen on/off.
- **Volume Buttons:** Adjust media volume, call volume, and notification volume.
- **Touchscreen Gestures:** Tap to select, swipe to scroll, pinch to zoom.

Making Calls

1. Open the **Phone** application.
2. Enter the phone number using the dial pad or select a contact from your address book.
3. Tap the **Call** icon to initiate the call.

Sending Messages

1. Open the **Messages** application.
2. Tap the **New Message** icon.
3. Enter the recipient's number or select from contacts.
4. Type your message and tap the **Send** icon.

Camera Usage

The BLU View 4 B135DL features an 8MP rear camera and a 5MP front camera.

- Open the **Camera** application.
- Tap the **Shutter** button to take a photo.
- Switch between front and rear cameras using the camera toggle icon.
- Access various modes like video, portrait, or panorama if available.

MAINTENANCE

Cleaning Your Device

Use a soft, lint-free cloth to gently wipe the screen and body of your phone. Avoid using harsh chemicals, abrasive

cleaners, or aerosol sprays, as these can damage the device's finish and internal components.

Battery Care

- Avoid exposing the battery to extreme temperatures.
- Do not puncture, disassemble, or modify the battery.
- Use only BLU-approved chargers and cables.
- For optimal battery longevity, avoid frequently draining the battery completely or keeping it at 100% charge for extended periods.

Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. You can usually find this option in **Settings > System > System update**

TROUBLESHOOTING

Problem	Possible Solution
Device does not power on.	Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If unresponsive, perform a forced restart by holding the power button for 10-15 seconds.
Poor call quality or no signal.	Check if the SIM card is correctly inserted. Move to an area with better network coverage. Restart the device. Verify your Tracfone service is active.
Applications are crashing or freezing.	Close and reopen the application. Clear the app's cache and data in**Settings > Apps & notifications > [App Name] > Storage & cache**. Ensure the app is updated. If issues persist, uninstall and reinstall the app.
Battery drains quickly.	Reduce screen brightness. Close unused applications running in the background. Disable Wi-Fi, Bluetooth, and GPS when not in use. Check battery usage in **Settings > Battery** to identify power-hungry apps.
Cannot connect to Wi-Fi.	Ensure Wi-Fi is enabled on your device. Restart your Wi-Fi router. Forget the network in**Settings > Network & internet > Wi-Fi** and reconnect. Verify the Wi-Fi password.

SPECIFICATIONS

Feature	Detail
Model	BLU View 4 B135DL
Operating System	Android 11.0
Processor	Quad-core, MediaTek Helio (2 GHz CPU Speed)
RAM	3 GB
Internal Storage	32 GB (expandable via microSD card)
Display	6.0" HD+
Rear Camera	8 MP

Feature	Detail
Front Camera	5 MP
Battery Capacity	3000 mAh
Wireless Carrier	Tracfone (Locked)
Connectivity	4G Cellular Technology, Wireless
Color	Black
Package Dimensions	49.21 x 37.4 x 1.97 inches
Item Weight	7 pounds
Included in Box	Power Adapter

IMPORTANT INFORMATION

Carrier Lock

This device is locked to specific carriers for secure network compatibility. Please ensure compatibility with your intended carrier before purchase and use.

Safety Guidelines
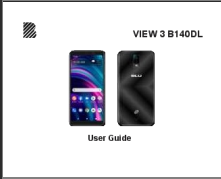

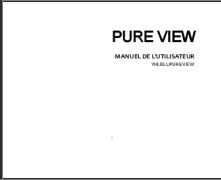

- Do not use the device while driving.
- Avoid exposing the device to extreme temperatures, direct sunlight, or liquids.
- Use only approved accessories.
- Do not attempt to disassemble or repair the device yourself. Refer to qualified service personnel.
