KIBTOY 360-CX04

KIBTOY Battery Operated Wall Sconces User Manual (Model 360-CX04)

Your guide to installation, operation, and features.

INTRODUCTION

Thank you for choosing the KIBTOY Battery Operated Wall Sconces. This manual provides essential information for the safe and efficient use of your new wireless lighting solution. Please read these instructions carefully before installation and operation.

WHAT'S IN THE BOX

- Bulb x2
- Fabric lampshades x2
- Metal lamp holders x2
- Remote Control x2
- USB-C charging cable x2

SETUP AND INSTALLATION

The KIBTOY Wall Sconces are designed for easy, wireless installation, requiring no complex wiring or professional electricians. Simply mount the lamp holders to your desired location.

1. **Prepare the Lamp Holder:** Attach the fabric lampshade to the metal lamp holder.
2. **Mount the Base:** Use the provided mounting hardware to securely attach the circular base of the lamp holder to your wall. Ensure the surface is clean and dry. No wiring is required, making placement flexible.
3. **Insert the Magnetic Bulb:** The included LED bulb features a magnetic base. Once the lamp holder is mounted, simply place the magnetic bulb into the socket. It will securely attach.

4. **Charge the Bulb:** Before first use, fully charge the magnetic bulb using the provided USB-C charging cable. The bulb has a 10,000mAh capacity and charges in approximately 4-5 hours.

OPERATING INSTRUCTIONS

Your KIBTOY Wall Sconces can be operated using two methods: the included remote control or the button on the magnetic bulb.

Using the Remote Control:

- **Power On/Off:** Press the "ON" or "OFF" buttons.
- **Brightness Adjustment:** Use the brightness control buttons (sun icons) to adjust the light intensity from 15% to 100%.
- **Color Temperature Selection:** Choose from 4 color temperatures: 1800K (Warm), 3000K, 4000K, and 6000K (Cool White).
- **RGB Color Selection:** Select from 9 vibrant RGB colors using the dedicated color buttons.
- **Timer Function:** Set the light to automatically turn off after 30, 60, or 120 minutes using the timer buttons.
- **Memory Function:** The sconce automatically remembers your last color and brightness settings when powered off and on again.

Using the Bulb Button:

- **Single Click:** Turns the bulb on or off.
- **Double Click:** Cycles through different light functions (e.g., color temperatures, RGB modes).
- **Long Press:** Activates stepless dimming for static colors.

No wiring or electrician required

CHARGING THE MAGNETIC BULB

The KIBTOY Wall Sconces feature a convenient magnetic bulb that can be easily removed for charging without disassembling the entire fixture.

1. **Remove the Bulb:** Gently pull the magnetic bulb from the lamp holder.
2. **Connect Charger:** Plug the provided USB-C charging cable into the charging port located on the base of the bulb.
3. **Charging Indicator:** The bulb will indicate its charging status (e.g., a light indicator).
4. **Charging Time:** A full charge takes approximately 4-5 hours. The 10,000mAh battery provides up to 24 hours of use at maximum brightness and up to 80 hours at the lowest setting.
5. **Reattach Bulb:** Once fully charged, simply reattach the magnetic bulb to the lamp holder.

FEATURES

- **Wireless Installation:** No wiring or electrician needed.
- **High Capacity Battery:** 10,000mAh rechargeable bulb for extended use (24-80 hours runtime).
- **Magnetic Bulb:** Easy to remove for USB-C charging.
- **Versatile Lighting:** 9 RGB colors and 4 color temperatures (1800K/3000K/4000K/6000K).
- **Dimmable:** Brightness adjustable from 15% to 100%.
- **Timer Function:** Set automatic shut-off for 30, 60, or 120 minutes.
- **Memory Function:** Retains last brightness and color settings.
- **360° Even Illumination:** Cylindrical bulb design provides comprehensive light distribution.

SPECIFICATIONS

Brand	KIBTOY
Model Number	360-CX04
Color	Gold
Material	Metal, Fabric
Power Source	Battery Powered
Battery Capacity	10,000mAh (Lithium Ion)
Charging Time	4-5 hours (via USB-C)
Runtime	24-80 hours (Max to Min brightness)
Light Source Type	LED
Brightness	Up to 300 lumens (per bulb)
Color Temperatures	1800K, 3000K, 4000K, 6000K
RGB Colors	9 colors
Control Method	Remote Control, Push Button
Product Dimensions	16.54 x 12.6 x 22.64 inches
Item Weight	3.39 pounds
Water Resistance Level	Not Water Resistant

MAINTENANCE

- **Cleaning:** Wipe the metal lamp holder and fabric lampshade with a soft, dry cloth. Do not use abrasive cleaners or liquids directly on the electrical components.
- **Bulb Care:** Handle the magnetic bulb with care. Avoid dropping it or exposing it to extreme temperatures.
- **Charging:** For optimal battery life, avoid completely draining the battery frequently. Charge the bulb when the light output noticeably diminishes.

TROUBLESHOOTING

- **Light Not Turning On:**

- Ensure the magnetic bulb is fully charged.
- Check if the bulb is securely seated in the lamp holder.
- Verify the remote control battery is functional and pointed directly at the bulb.

- **Remote Not Responding:**

- Replace the remote control battery if necessary.
- Ensure there are no obstructions between the remote and the bulb.
- Try operating the bulb directly using its integrated button.

- **Short Battery Life:**

- Ensure the bulb is fully charged (4-5 hours).
- High brightness settings and frequent color changes consume more power. Adjust settings for longer runtime.

WARRANTY & SUPPORT

The KIBTOY Battery Operated Wall Sconces come with a **3-year limited warranty**.

For warranty claims, technical support, or any questions regarding your product, please contact KIBTOY customer service.

You can typically find contact information on the product packaging or the official KIBTOY website.

For issues such as defective items, lights flashing or turning off during use, missing parts, or battery/charging problems, please submit your "Order No." to service01@kibtoy.com for assistance.
