

Otterease SZT06

Otterease SZT06 Vanity Desk with Mirror and Lights - Instruction Manual

Model: SZT06 | Brand: Otterease

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Otterease SZT06 Vanity Desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

- Assembly may require safety precautions. Exercise caution during all assembly steps.
- Be cautious with electrical components, including the LED mirror and charging station. Ensure all connections are secure and follow electrical safety guidelines.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not overload drawers or shelves to prevent tipping or damage.
- Place the vanity on a flat, stable surface to ensure stability.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included parts list in your package for detailed identification.

- Vanity Desk Components (panels, hardware)
- LED Light Mirror
- Storage Stool
- Hair Dryer Holder
- Charging Station (pre-installed or separate unit)
- Assembly Instructions
- Tools for Assembly (if included)

- **Cool White (6500K):** Bright, clear light for detailed makeup application.
- **Natural White (4500K):** Balanced light for everyday use.
- **Warm Yellow (3500K):** Soft, ambient light for evening makeup or relaxation.

OPERATING INSTRUCTIONS

LED Mirror Operation

1. **Power On/Off:** Locate the touch-sensitive button on the mirror surface. Tap once to turn the lights on or off.
2. **Change Lighting Mode:** With the lights on, tap the touch button repeatedly to cycle through the three color modes: Warm Yellow, Natural White, and Cool White.
3. **Adjust Brightness:** To adjust brightness, press and hold the touch button. The light intensity will gradually increase or decrease. Release the button when the desired brightness is reached.

Charging Station Usage

The integrated charging station is located on the side of the vanity desk.

1. **Power Outlets:** Plug in your styling tools (e.g., hair dryer, curling iron) into the 2 standard 125V/12A power outlets.
2. **USB Ports:** Connect your mobile devices or other USB-powered accessories to the 2 USB ports

(5V/3A) for charging.

3. Ensure the vanity desk is properly connected to a power source for the charging station to function.

MAINTENANCE

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **Electrical Components:** Ensure all electrical connections remain dry and free from dust. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

TROUBLESHOOTING

- **LED Mirror Lights Not Working:**
 - Check if the vanity is properly plugged into a working power outlet.
 - Ensure the power switch for the vanity (if any) is in the "on" position.
 - Gently tap the touch-sensitive button on the mirror to activate.
- **Charging Station Not Providing Power:**
 - Verify the vanity's power cord is securely plugged into a functional wall outlet.
 - Check if the devices you are trying to charge are working correctly with other power sources.
- **Drawers Sticking or Difficult to Open/Close:**
 - Ensure drawers are not overloaded.
 - Check for any obstructions in the drawer slides.
 - Verify that the drawer slides were installed correctly during assembly.
 - Apply a small amount of silicone lubricant to the drawer slides if needed.
- **Vanity Feels Unstable:**
 - Ensure all assembly screws and fasteners are tightened securely.
 - Verify the vanity is placed on a level surface.
