Gizoon Activity Table with Storage

Gizoon 3-in-1 Kids Table and Chair Set Instruction Manual

Model: Activity Table with Storage

1. Introduction and Overview

Thank you for choosing the Gizoon 3-in-1 Kids Table and Chair Set. This versatile set is designed to support various activities for children, including studying, drawing, eating, playing, and crafting. It features a removable tabletop with dual surfaces and integrated storage solutions to help keep play areas organized.
Key features of this set include:

- **3-in-1 Activity Table:** Functions as a regular table, a sensory play area, and a storage unit.
- **Removable Tabletop:** The tabletop can be lifted to reveal additional storage space underneath.
- **Double-sided Drawing Desktop:** One side is a whiteboard for markers, and the other is a chalkboard for chalk.
- **Chair with Storage Basket:** Each chair includes a removable, foldable fabric basket for storing toys, books, or craft supplies.
- **Durable Construction:** Made from engineered wood for stability and longevity.

The Gizoon 3-in-1 Kids Table and Chair Set is designed for multiple activities including playing, drawing, eating, and hands-on learning, making it a central piece for any child's room.

2. Safety Information

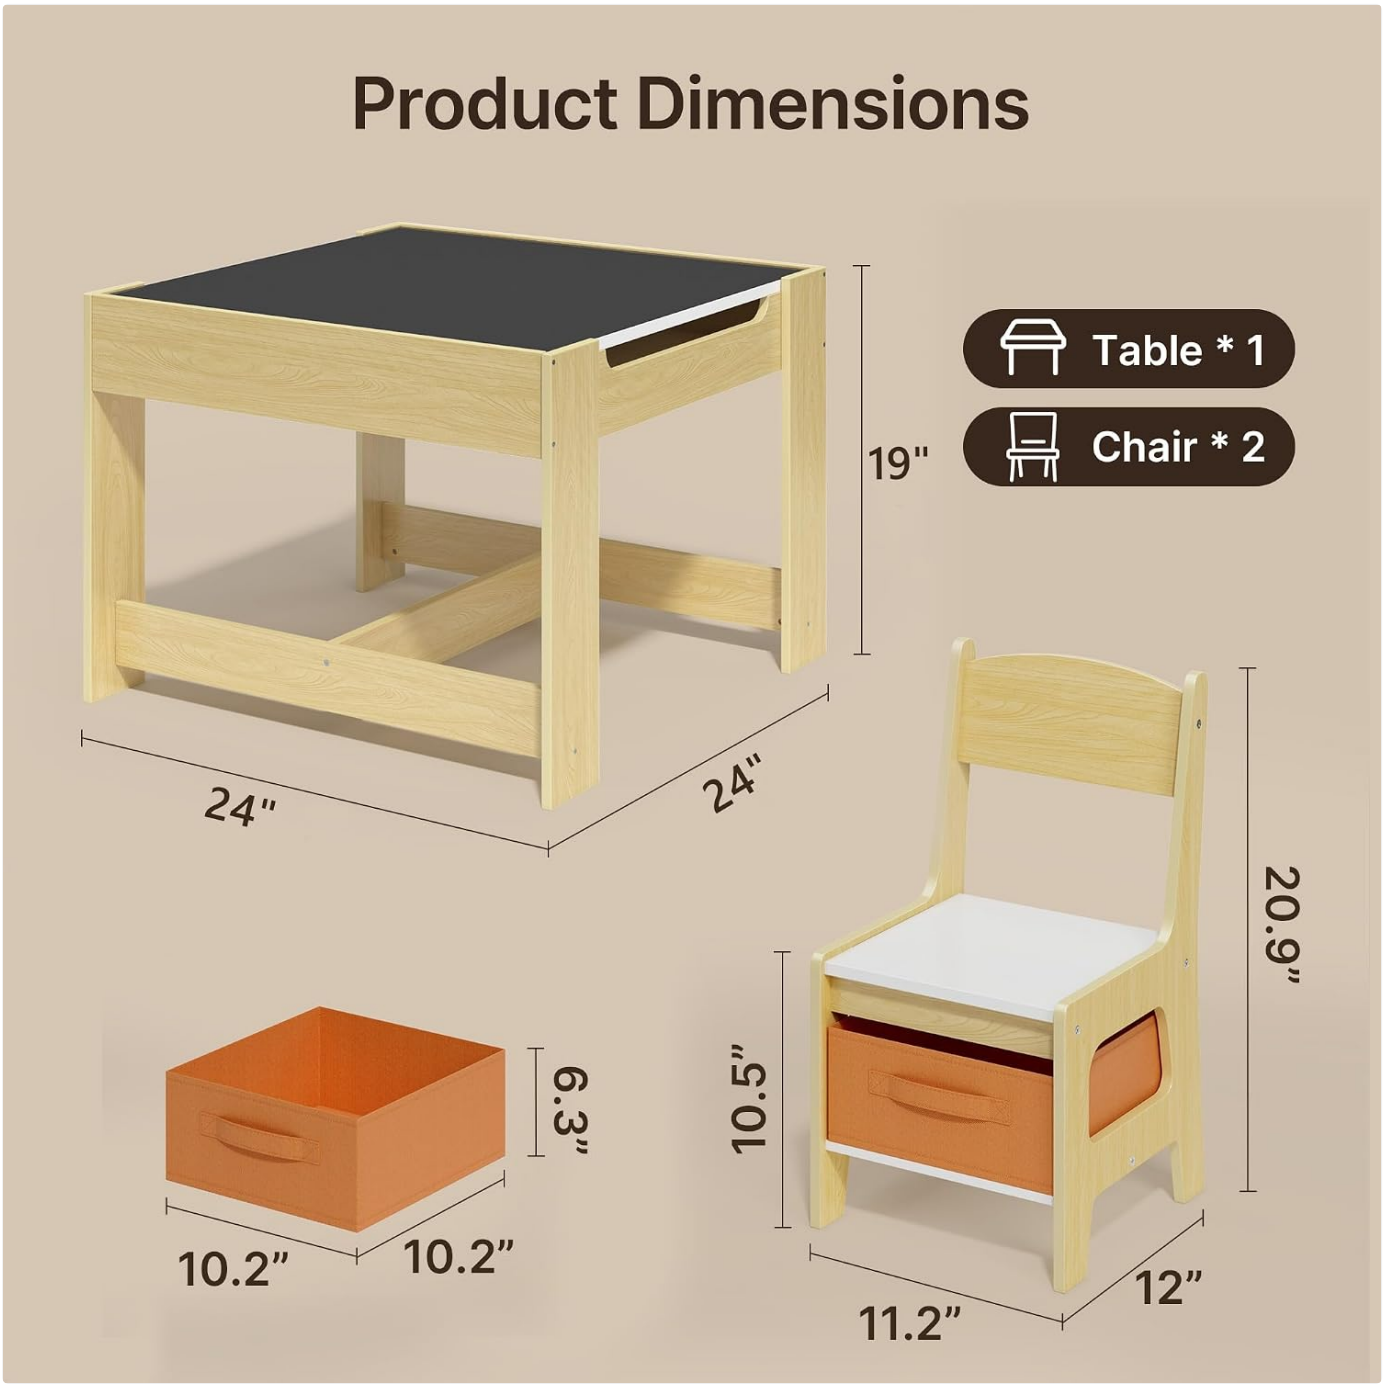

Please read and follow all safety instructions to ensure safe use of the product.

- Do not overload the table or chairs.
- Anchor the table to a wall to prevent tipping, especially if children are prone to climbing.
- Keep small parts away from young children to prevent choking hazards.
- Ensure all screws and fasteners are tightened securely before use and check periodically.
- Supervise children during play, especially when using the removable tabletop for sensory activities.

3. Assembly Instructions

Assembly of the Gizoon Kids Table and Chair Set is required. Detailed, step-by-step instructions with pictures are included in the

product packaging. Please ensure all 19 labeled pieces are present before beginning assembly.
While assembly may take some time due to the number of parts, following the instructions carefully will result in a sturdy and durable product. It is recommended to have a second person assist with assembly for ease and safety.

This image provides precise measurements for the table (24L x 24W x 19H inches), chairs (11.2L x 12W x 20.9H inches, seat height 10.5 inches), and storage baskets (10.2L x 10.2W x 6.3H inches) to assist with assembly and space planning.

4. Operating and Usage

The Gizoon 3-in-1 Kids Table and Chair Set offers multiple functionalities to adapt to your child's needs:

Standard Table Use

Use the table for everyday activities such as eating, homework, or general play. The smooth surface is easy to clean.

Double-Sided Drawing Desktop

The tabletop is reversible. One side is a white surface suitable for marker drawing, and the other is a black chalkboard surface for chalk drawing. Simply lift and flip the tabletop to switch between surfaces.

One side of the reversible tabletop provides a smooth white surface, ideal for drawing with markers.

The other side of the reversible tabletop features a black chalkboard surface, perfect for chalk art.

The reversible tabletop features a chalkboard surface, perfect for creative drawing and learning with chalk.

Sensory Play and Storage

Remove the tabletop completely to transform the table into a sensory play station. The recessed area can be filled with various materials like sand, water beads, or building blocks for engaging play. This area also serves as a large storage compartment when not in use for play.

Lift the tabletop to access a spacious storage area, ideal for building blocks, toys, or sensory play materials.

The versatile design allows for sensory play by filling the under-table storage with materials like sand, providing an engaging activity space.

Removing the tabletop uncovers a deep storage compartment within the table, excellent for organizing toys or craft supplies.

Chair Storage Baskets

Each chair is equipped with a removable, foldable fabric basket. These baskets are perfect for storing smaller items like crayons, coloring books, or small toys, helping to keep the play area tidy.

Key features include an easy-to-clean tabletop surface, convenient storage baskets integrated under each chair, and a removable tabletop for versatile use.

This video showcases the Gizoon Kids Table and Chair Set in a playroom environment, illustrating its various uses for children's activities and highlighting its design.

5. Maintenance

To maintain the quality and appearance of your Gizoon Kids Table and Chair Set, follow these care instructions:

- **Cleaning:** Wipe surfaces with a slightly damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the tabletop surfaces.
- **Chalkboard/Whiteboard:** Use only appropriate chalk and dry-erase markers. Clean the chalkboard with a damp cloth and

the whiteboard with a dry-erase cleaner or damp cloth.

- **Storage Baskets:** The fabric baskets are foldable and can be spot cleaned as needed.
- **Inspection:** Periodically check all connections and fasteners to ensure they remain tight. Tighten if necessary.

6. Troubleshooting

If you encounter any issues with your Gizoon Kids Table and Chair Set, please refer to the following common solutions:

- **Wobbly Table/Chairs:** Ensure all screws and bolts are fully tightened. Re-check the assembly steps to confirm all parts are correctly installed.
- **Difficulty with Tabletop Removal/Flipping:** Ensure no debris is obstructing the grooves or hinges. Apply gentle, even pressure when lifting or flipping.
- **Stains on Tabletop:** For stubborn marks, try a mild soap solution on a damp cloth. Test on an inconspicuous area first.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support with your purchase details.
