1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Flwrgirl Portable Mini Baby Crib, Model FL202502. This 4-in-1 crib is designed for infants aged 0-18 months, offering versatility as a standalone crib, bedside bassinet, and a foldable unit for easy storage and portability. Constructed from durable pine wood, it features three adjustable height levels and lockable swivel wheels for convenience and safety.

2. IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and the instructions could result in serious injury or death.

- Always ensure all parts are correctly assembled and securely fastened before placing a child in the crib. Regularly check for loose hardware, damaged parts, or sharp edges.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Flwrgirl for replacement parts. Do not substitute parts.
- The crib is certified by the US CPC for safety and reliability. Always adhere to the recommended age and weight limits.

- To prevent falls, do not leave a child unattended in the crib when the side rail is lowered or if the child can climb out.
- Ensure the mattress used with this crib is the correct size (38 x 24 inches) to prevent gaps that could entrap a child. Only use the mattress provided or one specifically designed for this crib.
- Keep cords, blinds, and other potential strangulation hazards away from the crib.
- Never use plastic shipping bags or other plastic film as mattress covers, as they can cause suffocation.
- When using as a bedside bassinet, ensure the crib is securely attached to the adult bed and there are no gaps between the crib and the adult mattress.
- Always engage the brake pedals on the swivel wheels when the crib is stationary to prevent accidental movement.
- The crib is made of pine wood and includes anti-bite strips on the sidebars. Regularly inspect for any signs of wear or damage.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

- Crib Frame Components (Headboards, Footboards, Side Rails)
- Mattress Support Board
- Soft Sponge Mattress (38 x 24 inches)
- 4 Universal Swivel Wheels with Brake Pedals
- Hardware Pack (Screws, bolts, nuts, Allen wrench)
- Instruction Manual (This document)

3 Adjustable Height

The height of the mattress above the ground: 20", 16", 12"

Image: Overview of the crib dimensions (40"L x 25"W x 32"H) and mattress size (38" x 24").

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please follow these steps carefully. Refer to the diagrams for visual guidance.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify all components against the package contents list.
- 2. Attach Wheels:** Secure the four universal swivel wheels to the bottom of the crib legs using the provided screws and nuts. Ensure the brake pedals are facing outwards for easy access.
- 3. Assemble Side Rails:** Connect the side rails to the headboards and footboards using the designated hardware. Ensure all connections are snug but do not overtighten until the entire frame is assembled. Note the side rail with the openable feature.
- 4. Install Mattress Support Board:** Insert the mattress support board into the desired height level. The crib offers three adjustable height levels: 20 inches, 16 inches, and 12 inches from the ground. Ensure the board is securely seated in all four corners.
- 5. Final Tightening:** Once the frame is fully assembled and the mattress support board is in place, go

back and securely tighten all screws and bolts. Do not overtighten to avoid stripping the wood.

6. **Place Mattress:** Lay the soft sponge mattress (38 x 24 inches) onto the mattress support board.

5. OPERATING INSTRUCTIONS

5.1 Adjusting Mattress Height

The crib features three adjustable height levels for the mattress support board to accommodate your child's growth and your convenience.

1. To adjust the height, remove the mattress.
2. Carefully lift the mattress support board and reposition it into the desired slot on the crib frame. Ensure all four corners are securely seated at the same height.
3. The available heights from the ground are approximately 20 inches, 16 inches, and 12 inches.
4. Always use the lowest position once your child can sit up unassisted.

Image: Visual representation of the three adjustable mattress height levels: 20 inches, 16 inches, and 12 inches from the ground.

5.2 Using as a Bedside Bassinet

The crib can be converted into a bedside bassinet by lowering one of the side rails to attach it to an adult bed.

1. Ensure the crib is positioned next to the adult bed.
2. Locate the mechanism to lower the designated side rail. Follow the specific instructions for lowering the rail securely.
3. Adjust the crib's mattress height to match the height of the adult mattress for safe co-sleeping.
4. Securely attach the crib to the adult bed using appropriate straps or connectors (if included, not specified in product data, but good practice). Ensure there are no gaps between the crib and the adult mattress.
5. Always ensure the side rail is securely locked in the lowered position when used as a bedside bassinet.

Image: The crib configured as a bedside bassinet, with one side rail lowered to attach to the parents' bed, allowing close proximity to the baby.

5.3 Folding for Storage and Portability

The crib is designed to fold for compact storage and easy transport.

1. Remove the mattress from the crib.
2. Remove the mattress support board. The board can be stored neatly inside the folded crib.
3. Follow the specific folding mechanism instructions, typically involving releasing latches on the headboard and footboard to allow them to fold inwards.
4. Once folded, the crib can be stored against a wall or placed in a car trunk.

Foldable Crib

Easy to Store and Carry - Saving Space

 Only a large SUV can accommodate all of them!

5.4 Using Swivel Wheels with Brakes

The crib is equipped with four universal swivel wheels for easy movement. Each wheel has a brake pedal.

- To move the crib, ensure all brake pedals are disengaged (up position).
- To secure the crib in place, press down on the brake pedal of each wheel until it clicks into the locked position.
- Always engage the brakes when the crib is stationary to prevent accidental movement.

PRODUCT INFORMATION

Image: Detailed view of the crib's features, including New Zealand pine wood construction, anti-grazing barbs (anti-bite strips), the soft mattress, and the 360-degree swivel wheels with brake pedals.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the crib frame with a damp cloth and mild soap, then wipe dry. Avoid abrasive cleaners or strong chemicals that could damage the wood finish.
- **Mattress Care:** The soft sponge mattress can be spot cleaned with a damp cloth. Ensure it is completely dry before placing it back in the crib.
- **Regular Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Inspect the wood for any cracks, splinters, or damage. Check the anti-bite strips for wear.
- **Storage:** When not in use, store the crib in a dry, temperate environment. If folding for storage, ensure all components are clean and dry.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Crib feels unstable or wobbly.	Loose fasteners or incorrect assembly.	Ensure all screws and bolts are securely tightened. Review assembly instructions to confirm correct installation of all parts.
Side rail does not stay in position (up or down).	Latching mechanism not fully engaged.	Ensure the latch for the side rail is fully engaged. Check for any obstructions preventing proper latching.
Wheels do not roll smoothly or brakes do not engage.	Debris in wheels or brake mechanism, or incorrect installation.	Clean any debris from the wheels and brake mechanisms. Ensure wheels are correctly attached and tightened.
Missing parts upon arrival.	Packaging error or transit damage.	Do not attempt to assemble. Contact Flwrgirl customer support immediately for replacement parts.
