2. SAFETY INFORMATION

Adherence to the following safety guidelines is crucial for preventing injury and damage to the product.

- Do not attempt to assemble this furniture alone. Two adults are recommended for safe installation.
- Secure the table to a wall to prevent tipping, especially if children are present or if the table is frequently used as a climbing surface.
- Ensure all screws and fasteners are tightened securely during assembly and periodically checked for tightness.
- Do not overload shelves or drawers. Distribute weight evenly.

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this dining table set. Approximately 2 hours are needed for assembly with two adults. All necessary assembly instructions are included with the product and are designed to be easy to follow.

Assembly Overview:

1. Unpack all components and verify against the parts list provided in the separate assembly guide.
2. Assemble the table frame, ensuring all connections are secure.
3. Attach the tabletop to the assembled frame.
4. Install the drawers, shelves, and wine rack components.
5. Assemble the four bar stools.
6. Place the assembled table and stools in the desired location, ensuring stability.

4. PRODUCT FEATURES AND USAGE

Storage Solutions:

The table is designed with integrated storage to maximize utility in compact spaces.

- **Drawers:** Four smooth-gliding drawers are located beneath the tabletop, providing convenient storage for utensils, placemats, or other dining essentials.
- **Open Shelves:** Two open shelves offer space for cookbooks, decorative items, or frequently accessed kitchen tools.
- **Wine Rack:** A 7-bottle wine rack with a removable divider allows for organized storage of beverages or can be reconfigured for other items.

5. CARE AND MAINTENANCE

Proper care and maintenance will extend the lifespan and preserve the appearance of your dining set.

- **Cleaning the Tabletop:** Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild wood cleaner and dry thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning Upholstered Stools:** Spot clean fabric with a mild upholstery cleaner. Test on an inconspicuous area first. Do not saturate the fabric.
- **Wood Care:** Avoid placing hot items directly on the tabletop; use coasters or placemats. Keep furniture away from direct sunlight and heat sources to prevent drying and cracking.
- **Hardware:** Periodically check and tighten all screws and bolts to ensure stability.

6. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Wobbly Table/Stools:** Ensure all assembly hardware is fully tightened. Check that the furniture is on a level surface. Adjust glides if present.
- **Drawers Sticking:** Check for obstructions in the drawer slides. Ensure the slides are properly aligned and lubricated if necessary.
- **Surface Scratches:** Minor scratches on the tabletop may be minimized with wood repair markers or polishes. For deeper scratches, professional repair may be required.
