CARE AND MAINTENANCE

Proper care will help maintain the appearance and extend the life of your coffee table.

- **Cleaning:** Wipe the surface with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean spills immediately to prevent staining. The table is **not stain resistant**.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks and placemats for hot dishes. Protect from excessive moisture.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.

- **Stability:** Periodically check and tighten all hardware connections to ensure the table remains stable.

The table is constructed from P2 grade panels, which are easy to clean with a damp cloth.

TROUBLESHOOTING

If you encounter any issues with your OKD coffee table, please consider the following common solutions:

- **Wobbling:** Ensure the table is placed on a level surface. Check all assembly hardware and tighten any loose screws.
- **Drawer not sliding smoothly:** Verify that the drawer slides are correctly installed and free from obstructions. Ensure the drawer is not overloaded.
- **Missing parts:** If any parts were missing upon delivery, please contact customer support immediately with your product information.

For persistent issues, refer to the original assembly guide or contact OKD customer support.
