- Stems and leaf elements
- Instruction Manual (this document)

ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual guide provided in the included instruction booklet. The assembly process involves connecting various small building blocks to form the rose petals, stems, and leaves. Take your time and ensure each connection is secure.

Step 1: Prepare the Stems and Leaves

Begin by assembling the green stem pieces and attaching the leaf elements. Ensure the leaves are securely fastened to the stem segments.

MAINTENANCE

To keep your rose bouquet looking its best, periodically dust the flowers and leaves with a soft, dry cloth or a gentle brush. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic components.

TROUBLESHOOTING

- **Pieces not fitting:** Ensure you are using the correct pieces as indicated in the instruction manual. Apply gentle, even pressure. Do not force pieces together, as this may cause damage.
- **Missing pieces:** Carefully check all packaging and bags. If pieces are genuinely missing, contact INVITOP customer support with your product model number and a description of the missing parts.
- **Assembled flower is unstable:** Recheck the connections of the stem and flower head. Ensure all parts are firmly pressed together.
