Aroepurt FOXXD S67 5G YGH-BQ

Aroepurt Phone Case Instruction Manual

For AirVoice S67 5G / C67 / A67 and FOXXD Foxx S67 5G / C67 / A67

1. PRODUCT OVERVIEW

The Aroepurt phone case is designed to provide robust protection and enhanced functionality for your compatible smartphone. It features a multi-layer construction for shock absorption, an integrated rotating ring stand, and a luminous effect for visibility in low light conditions.

Compatible Models:

- AirVoice S67 5G
- AirVoice C67
- AirVoice A67
- FOXXD Foxx S67 5G
- FOXXD Foxx C67
- FOXXD Foxx A67

Package Contents:

- 1 x Aroepurt Phone Case

2. SETUP AND INSTALLATION

Follow these steps to properly install your phone into the Aroepurt case:

1. Ensure your phone is clean and free of dust or debris.
2. Gently insert the phone into the soft silicone frame of the case, starting with one side and then pressing the other side into place. Ensure all corners are securely fitted.
3. Verify that all ports, buttons, and camera lenses are correctly aligned with the case's cutouts.

3. OPERATING INSTRUCTIONS

3.1 Using the Ring Support

The integrated metal finger ring provides multiple functionalities:

- **Finger Grip:** Slide your finger through the ring for a secure grip, reducing the risk of accidental drops.
- **Kickstand:** Rotate the ring 360 degrees and adjust it to an optimal angle to prop up your phone for hands-free viewing in landscape mode.

Luminous effect style

Absorption of light and sunlight will produce a fluorescent effect in a dark environment.

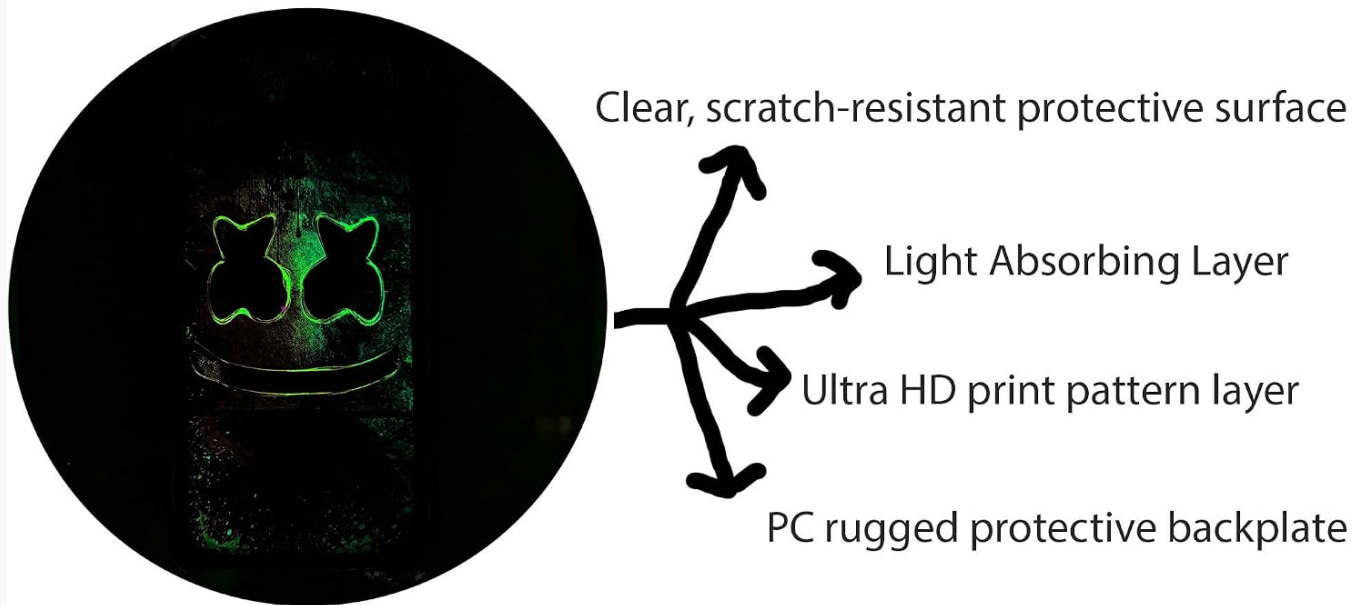

Image: A detailed view of the phone case's ring stand, highlighting its ability to rotate 360 degrees for versatile use as a grip or kickstand.

3.2 Luminous Effect

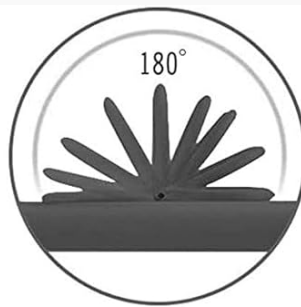

The case features a luminous effect that glows in the dark. To activate this feature:

- Expose the case to a strong light source, such as sunlight or artificial light, for a few minutes.
- The case will then emit a fluorescent glow in a dark environment. The intensity and duration of the glow depend on the amount and duration of light absorption.

3.3 Magnetic Car Mount Compatibility

The metal ring on the back of the case is compatible with magnetic car mounts, allowing for easy attachment to your vehicle's dashboard or vent mount (magnetic car mount not included).

Note: This phone case does not support wireless charging due to the integrated metal ring. Please remove the case or use a wired charger for charging your device.

SUPPORT MAGNETIC CAR MOUNT

Not include magnetic car mount,
not support wireless charging.

4. MAINTENANCE

To ensure the longevity and appearance of your Aroepurt phone case:

- Clean the case regularly with a soft, damp cloth. Avoid abrasive cleaners or solvents that may damage the material or luminous coating.
- If the ring stand becomes loose over time, ensure it is free of debris that might hinder its movement.
- Avoid prolonged exposure to extreme temperatures or direct sunlight, which may affect the material and luminous properties.

5. TROUBLESHOOTING

5.1 Luminous Effect Not Visible

- **Solution:** Ensure the case has been exposed to sufficient light for an adequate period. The luminous effect requires light absorption to glow in the dark.

5.2 Ring Stand Feels Loose

- **Solution:** Check for any dust or debris accumulated around the rotating mechanism of the ring. Clean gently if necessary. If the ring was an adhesive attachment, ensure it is firmly pressed onto the case.

5.3 Case Does Not Fit Phone

- **Solution:** Verify that your phone model is listed under the compatible models in Section 1. This case is specifically designed for AirVoice S67 5G / C67 / A67 and FOXXD Foxx S67 5G / C67 / A67.

6. SPECIFICATIONS

Feature	Detail
Product Dimensions	0.39 x 0.39 x 0.39 inches
Item Weight	1.76 ounces
Material	PC hard back panel + soft silicone frame + metal support finger ring
