TG BLOCKS 1007

TG BLOCKS Micro Brick Rocket Building Set - Model 1007 Instruction Manual

This manual provides instructions for assembling and maintaining the TG BLOCKS Micro Brick Rocket Building Set, a detailed model craft kit designed for display.

IMPORTANT SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years. This building set contains small components that may pose a choking hazard. Adult supervision is recommended for younger builders (ages 8+). Keep all packaging materials away from children to prevent suffocation risks.

PRODUCT OVERVIEW

The TG BLOCKS Micro Brick Rocket Building Set (Model 1007) allows you to construct a detailed space rocket and planetary scene. This kit is designed for both assembly enjoyment and as a decorative display piece.

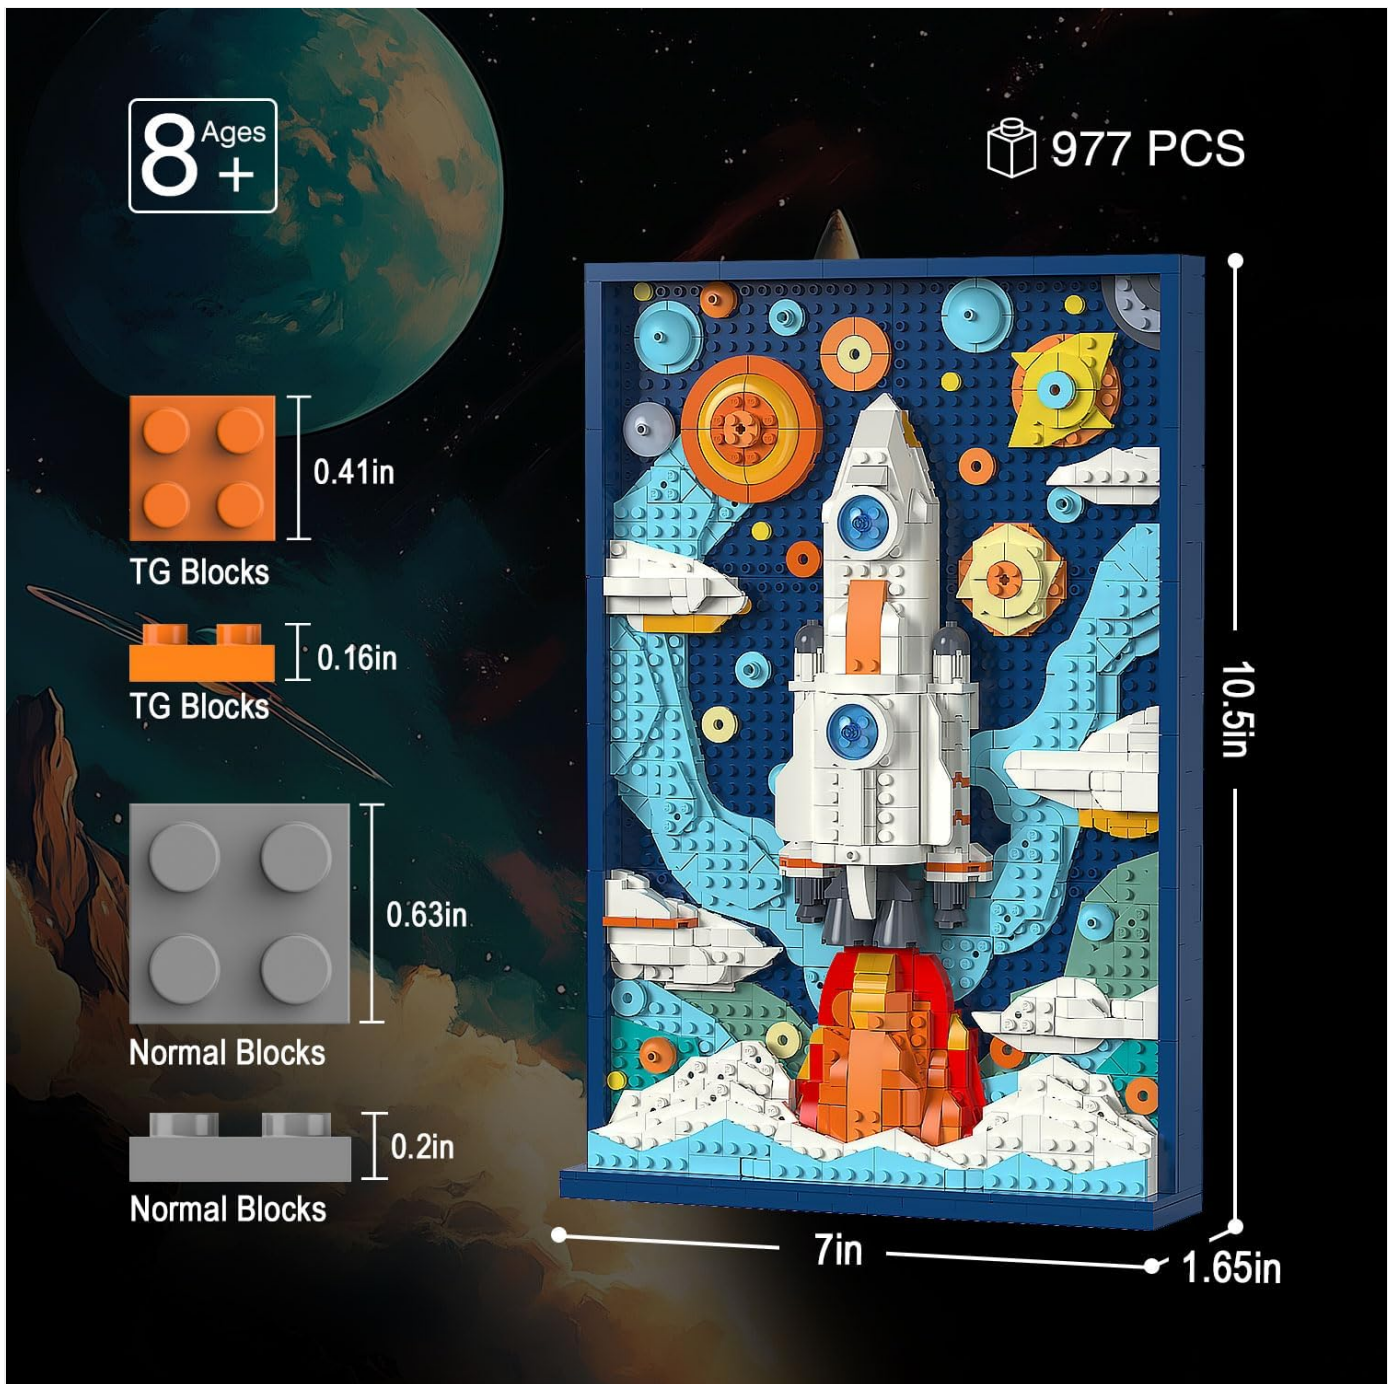

Figure 1: Completed Micro Brick Rocket Building Set.

The set includes 977 micro building blocks to create a vibrant 3D wall art or tabletop display. It promotes creative thinking and fine motor skills during assembly.

PACKAGE CONTENTS

- 977 Micro Building Blocks (various shapes and colors)
- Instruction Manual (this document)

Please verify all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

SETUP AND ASSEMBLY

1. Preparation:

- Clear a well-lit, flat surface for assembly.
- Open all block bags and sort pieces by color or type if desired, to facilitate easier building.

2. Follow Instructions:

Refer to the included printed instruction booklet for step-by-step visual guidance. Each step illustrates the blocks required and their placement.

Figure 2: Engaging in the building process.

3. Micro Block Handling:

This set uses micro bricks, which are smaller than standard building blocks. Exercise patience and precision during assembly. A small tool (not included) like tweezers may assist with very small pieces if needed.

CREATIVE AND COLLECTIBLE DISPLAY SET

Figure 3: Comparison of micro block sizes.

4. Layered Construction:

The model is built in layers. Ensure each layer is firmly pressed together before proceeding to the next to ensure stability.

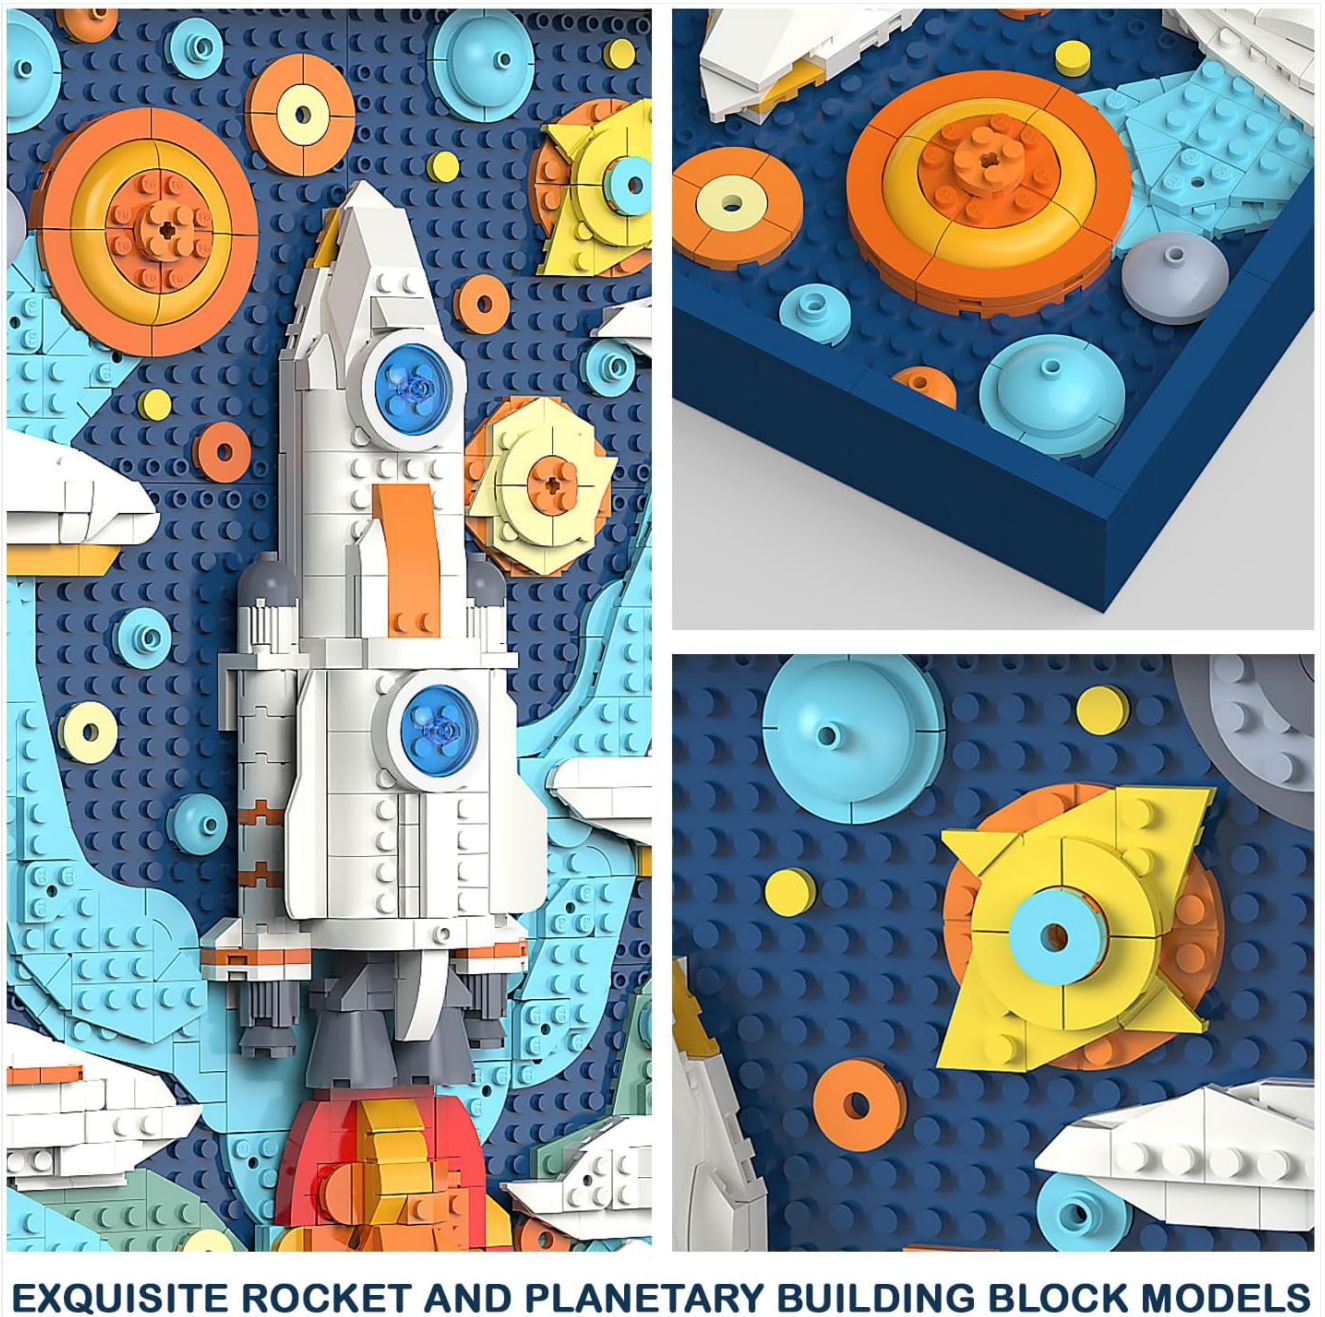

Figure 4: Detailed view of assembled sections.

OPERATING (DISPLAY AND INTERACTION)

Once assembled, the TG BLOCKS Micro Brick Rocket model is designed for display. It can be used as 3D wall art or a tabletop decoration.

- **Wall Mounting:** If designed for wall mounting, ensure appropriate hardware (not included) is used to securely hang the model.
- **Tabletop Display:** Place the model on a stable, flat surface to prevent accidental falls.

THE PERFECT GIFT FOR ANY OCCASION

Figure 5: Model displayed as room decor.

While durable, avoid excessive force or dropping the model to prevent pieces from detaching.

MAINTENANCE

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

TROUBLESHOOTING

- **Missing Pieces:** Carefully re-check all packaging and the building area. If a piece is genuinely missing, contact customer support with the specific piece number (if available in the instruction booklet) or a clear description.

- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented. Apply firm, even pressure. If a piece is too tight, ensure no foreign objects are obstructing the connection points.
- **Model Instability:** Review previous steps in the instruction booklet to ensure all connections are secure and pieces are placed correctly. Loose connections can lead to instability.

SPECIFICATIONS

Model Number:	1007
Brand:	TG BLOCKS
Number of Pieces:	977
Material:	Plastic
Recommended Age:	8 years and up
Product Dimensions (L x W x H):	17.78 x 26.67 x 4.19 cm (7 x 10.5 x 1.65 inches)
Assembly Required:	Yes
Batteries Required:	No
Educational Objective:	Creative Thinking
