## ASSEMBLY INSTRUCTIONS

Assembly is required for this kitchen island. All necessary tools are included. Follow the step-by-step instructions provided in the separate assembly guide (usually packed with the hardware) for detailed visual instructions. The process is designed to be straightforward.

### Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the package contents list.
2. **Assemble the Base:** Attach the side panels to the bottom panel using the provided hardware.
3. **Install Shelves:** Insert the adjustable shelves into the designated slots within the cabinet sections.
4. **Assemble and Install Drawer:** Construct the drawer and install it into its designated slot using the metal slides.
5. **Attach Cabinet Doors:** Secure the cabinet doors to the main frame using the hinges. Ensure magnetic catches are aligned for proper closure.
6. **Attach Countertop:** Secure the main wood countertop to the top of the cabinet frame.
7. **Install Drop Leaf:** Attach the drop leaf extension to the main countertop using the provided hinges and support mechanism.
8. **Attach Wheels:** Secure the five universal rolling wheels to the bottom of the island. Ensure the two

wheels with brakes are positioned for easy access.

9. **Install Handles and Towel Rail:** Attach the stainless steel handles to the drawer and cabinet doors, and secure the towel rail to the side of the island.

## OPERATING INSTRUCTIONS

### Using the Drop Leaf:

The kitchen island features a folding drop leaf to extend your countertop space. To extend, gently lift the drop leaf and pull out the support mechanism underneath until it locks into place. To fold, release the support mechanism and carefully lower the leaf.

## Towel Rack:

The integrated stainless steel towel rack provides a convenient spot to hang kitchen towels or other small items, keeping them within easy reach.

## MAINTENANCE AND CARE

- **Cleaning:** The smooth tabletop and cabinet surfaces can be wiped clean effortlessly with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Wood Care:** The wood components are crafted from FSC-certified wood. To maintain the wood's appearance, avoid placing hot items directly on the surface without protection. Periodically check and tighten any loose hardware.
- **Spills:** Wipe up spills immediately to prevent staining or water damage, especially on the wood surfaces.
