2.2 App Installation and Pairing

To unlock the full functionality of your LIGE Smart Watch EF13-D, you need to install the companion application on your smartphone and pair the devices.

- 1. Download the App:** Search for "FitCloudPro" on the App Store (for iOS devices) or Google Play Store (for Android devices) and install it.
- 2. Enable Bluetooth:** Turn on Bluetooth on your smartphone.
- 3. Add Device:** Open the FitCloudPro app, navigate to the "Device" section, and tap "Add New Device." The app will search for available devices.
- 4. Pair:** Select "EF13" from the list of found devices. Confirm the pairing request on both your watch and smartphone.
- 5. Grant Permissions:** Follow the on-screen prompts to grant necessary permissions for notifications and other features.

3.4 Additional Features

The EF13-D includes several practical tools:

- **LED Flashlight:** A high-brightness LED flashlight is integrated for convenience in low-light conditions.
- **Music Control:** Control music playback on your smartphone directly from the watch.
- **Camera Control:** Use the watch as a remote shutter for your phone's camera.
- **Stopwatch & Timer:** Essential tools for timing activities.
- **Alarm Clock:** Set alarms directly on the watch.
- **Weather Forecasts:** Get real-time weather updates.
- **Find Phone:** Locate your paired smartphone.
- **Calculator:** A basic calculator function.
- **Sedentary & Hydration Reminders:** Prompts to encourage activity and water intake.
- **Password Lock:** For privacy protection.
- **Do Not Disturb Mode:** Silence notifications during specific times.

4. HEALTH AND FITNESS TRACKING

4.1 24/7 Health Monitoring

The watch is equipped with sensors for continuous health monitoring:

- **Heart Rate Tracking:** Monitors your heart rate throughout the day. Real-time data is viewable on the watch and in the app.
- **Sleep Monitoring:** Tracks different sleep stages (REM, light sleep, deep sleep) and records awake times to provide insights into your sleep quality.
- **Blood Oxygen Monitoring:** Measures blood oxygen levels, with configurable intervals for readings.

Model Number	EF13-D
Batteries	1 Lithium Polymer battery (included)
Standing Screen Display Size	1.85 Inches
Memory Storage Capacity	128 MB
Operating System Compatibility	Android 5.0+ and iOS 11+
Battery Capacity	1000 mAh
Connectivity Technology	Bluetooth
GPS	No GPS
Shape	Round
Waterproof Rating	IP68
Manufacturer	LIGE

7. TROUBLESHOOTING

Common Issues and Solutions:

- Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger and allow it to charge for at least 30 minutes before attempting to power it on.
- Cannot pair with smartphone:**

- Ensure Bluetooth is enabled on your phone.
- Make sure the watch is within range of your phone.
- Restart both the watch and your smartphone.
- Verify that the correct app, "FitCloudPro," is installed and updated.

- **Notifications not appearing:**

- Check app permissions on your smartphone to ensure notifications are allowed for FitCloudPro.
- Ensure "Do Not Disturb" mode is not active on the watch or phone.
- Confirm that the watch is properly connected via Bluetooth.
- **Inaccurate activity tracking (e.g., steps):** Ensure the watch is worn snugly on your wrist. If issues persist, try a factory reset of the watch (refer to app settings for this option).
- **Screen unresponsive or frozen:** Attempt to restart the watch by pressing and holding the power button. If unresponsive, allow the battery to fully drain and then recharge.

8. WARRANTY AND SUPPORT

8.1 Warranty Information

The LIGE Smart Watch EF13-D comes with a 24-month service period and 365 days of after-sales support.

8.2 Customer Support

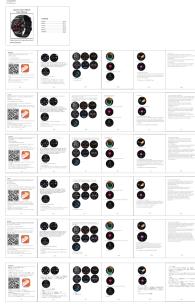

For any questions or issues regarding your LIGE Smart Watch, please contact customer service. We aim to provide quick responses within 24 hours to resolve your concerns.

Compatibility: This smart watch is compatible with Android smartphones version 5.0 and above, and iOS smartphones version 11.0 and above.
