2. SAFETY INFORMATION

Observe the following safety precautions to prevent injury or damage to the product:

- Ensure all components are securely fastened before use.
- Do not overload the desk. The maximum weight capacity is 176 lbs (80 kg).
- Keep children and pets away from the desk during operation to prevent accidents.
- Avoid placing liquids directly on the desk surface to prevent electrical hazards.
- Do not disassemble or modify the desk's electrical components. Contact customer service for repairs.
- Ensure sufficient clearance around the desk when adjusting height to avoid collision with other objects. The desk features a built-in anti-collision system.

3. PACKAGE CONTENTS

Your FEZIBO L Shaped Electric Standing Desk is shipped in two separate packages. Please verify that all parts listed in the assembly instructions are present before beginning assembly. Boxes may arrive separately.

Using Memory Height Settings:

1. Adjust the desk to your desired sitting or standing height using the **Up (^)** or **Down (v)** buttons.
2. Press and hold one of the preset buttons (**1** or **2**) until the display flashes, indicating the height has been saved.
3. To recall a saved height, simply press the corresponding preset button.

5.2 Anti-Collision System

The desk is equipped with a smart anti-collision system. If the desk encounters an obstruction during height adjustment, it will automatically stop and reverse slightly to prevent damage to the desk or objects in its path.
