LIGE EF13-A

LIGE Military Smart Watch EF13-A User Manual

Model: EF13-A

INTRODUCTION

This manual provides detailed instructions for the LIGE Military Smart Watch EF13-A. Please read this manual thoroughly before using the device to ensure proper operation and to maximize its features. Keep this manual for future reference.

WHAT'S IN THE BOX

Upon opening the package, verify that all the following items are included:

- LIGE Smartwatch EF13-A
- Black Orange Silicone Strap
- Black Silicone Strap
- Product Manual
- Customer Card
- Magnetic Charging Cable
- Strap Adjuster

PRODUCT OVERVIEW

The LIGE EF13-A Smart Watch features a robust design with a 1.85-inch HD AMOLED touchscreen display. It includes mechanical side buttons for navigation and interaction.

SMART WATCH FOR MEN

Image: The LIGE EF13-A Smart Watch showcasing its 1.85-inch Ultra HD display with 360x360 pixel resolution and full touch screen capabilities. The image also compares its screen size to a 1.43-inch screen.

The watch is designed for durability, having undergone military tests for extreme temperatures, low pressure, and drilling, offering scratch and shock resistance. The sandblasted metal design contributes to its robust build.

SETUP AND PAIRING

To begin using your LIGE EF13-A Smart Watch, follow these steps to connect it with your smartphone:

1. **Download the App:** Search for "GloryFit Pro APP" on the App Store (iOS) or Google Play Store (Android) and install it on your smartphone.
2. **Enable Bluetooth:** On your phone, go to settings and ensure Bluetooth is turned on.
3. **Add Device:** Open the GloryFit Pro APP. Tap "Add New Device" and search for "EF13".
4. **Pair Device:** Select "EF13" from the list. Confirm the pairing request on both your phone and the smartwatch.
5. **Grant Permissions:** Follow the on-screen prompts in the app to grant necessary permissions for notifications, such as SMS, Facebook, WhatsApp, and Instagram.

OPERATING INSTRUCTIONS

Basic Navigation

The watch features a full touch screen for navigation. Swipe across the screen to access different functions and menus. Use the mechanical side buttons for additional controls, such as power or back functions.

Bluetooth Calling & Message Notifications

Once connected via Bluetooth, the watch allows you to manage calls and receive notifications directly:

- **Answering/Making Calls:** Use the built-in microphone and speaker to answer, make, or reject calls directly from the watch. Access call logs and a numeric keypad for dialing.
- **Contact List:** Sync your important contacts to the watch for quick dialing.
- **Message Alerts:** Receive notifications for SMS, Facebook, WhatsApp, Instagram, and other phone messages.

WATERPROOF RATING

The LIGE EF13-A Smart Watch has an IP68 waterproof rating. This means it is protected against dust ingress and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for:

- Swimming
- Handwashing
- Rain exposure
- Sweatproof activities

Note: While IP68 rated, it is not recommended for hot water activities, diving, or prolonged submersion in deep water.

TROUBLESHOOTING

If you encounter issues with your LIGE EF13-A Smart Watch, refer to the following common problems and solutions:

- **Watch not connecting to phone:**

- Ensure Bluetooth is enabled on your phone.
- Make sure the watch is charged.
- Restart both the watch and your phone.
- Re-attempt pairing through the GloryFit Pro APP.
- Check if the app has all necessary permissions.

- **Notifications not appearing:**

- Verify that notification permissions are granted in the GloryFit Pro APP.
- Check your phone's notification settings to ensure the app is allowed to send notifications.
- Ensure "Do Not Disturb" mode is not active on the watch or phone.

- **Short battery life:**

- Reduce screen brightness.
- Limit frequent use of power-intensive features like continuous heart rate monitoring or flashlight.
- Ensure the watch is fully charged using the provided magnetic charging cable.

- **Screen is black/unresponsive:**

- Try pressing and holding the power button to restart the watch.
- Ensure the watch is charged. Connect it to the charger for at least 30 minutes.

- **Bluetooth audio takes over phone audio:**

- On your phone, go to Bluetooth settings and disconnect or unpair the watch when you want audio to play through your phone's speakers or other connected devices.
- Some phones allow you to specify which audio profiles (e.g., media audio, call audio) are used by a Bluetooth device. Adjust these settings if available.

WARRANTY AND SUPPORT

The LIGE EF13-A Smart Watch comes with a 24-month (365 days) after-sales service. If you have any questions or require assistance with your smart watch, please contact customer support. We aim to provide quick responses within 24 hours to resolve any issues.

For support, refer to the contact information provided on the Customer Card included in your package or visit the official LIGE website.
