3. WHAT'S IN THE BOX

Upon unpacking, please ensure all components are present:

- ZWNAV 14.5 Inch Multimedia Head Unit
- Necessary Connection Cables

If any items are missing or damaged, please contact customer support immediately.

4. SETUP AND INSTALLATION

This unit is designed for direct installation in Ford Mustang models from 2015-2021. Professional installation is recommended. No additional accessories are typically required.

1. **Preparation:** Ensure the vehicle's power is off before beginning installation.

2. **Removal of Old Unit:** Carefully remove the existing car stereo and dashboard components as per your vehicle's service manual.
3. **Wiring Connections:** Connect the provided cables to the corresponding ports on the ZWNAV unit and the vehicle's wiring harness. Ensure all connections are secure.
4. **Mounting:** Securely mount the ZWNAV unit into the dashboard opening.
5. **Testing:** Reconnect the vehicle's power and perform initial function tests before fully reassembling the dashboard.

For specific wiring diagrams or complex installations, consult a qualified automotive technician or contact ZWNAV customer support.

5. OPERATING INSTRUCTIONS

The ZWNAV multimedia player operates on an Android 13 system, offering a user-friendly interface. Navigate through functions using the touchscreen and physical buttons.

5.1. Basic Navigation

The main screen displays common applications and widgets. Swipe left or right to access additional app pages. Tap an icon to launch an application.

5.2. A/C Control Menu

Access the A/C control menu by tapping the dedicated A/C button on the side panel or the corresponding icon on the screen. Adjust temperature, fan speed, and air distribution using the on-screen controls.

Your browser does not support the video tag.

Video: Demonstration of A/C control, radio broadcasting, video playback, Bluetooth phone connection, and vehicle settings on the ZWNAV 14.5-inch screen.

5.3. Radio Broadcasting

Tap the "Radio" icon to access the FM/AM tuner. Use the on-screen arrows to change frequencies or scan for stations. Favorite stations can be saved for quick access.

5.4. Multimedia Playback

The unit supports various multimedia formats via USB or internal storage. Tap the "Music" or "Video" icon to browse and play your media files. The 14.5-inch HD screen provides a clear viewing experience.

6. MAINTENANCE

- To ensure the longevity and optimal performance of your ZWNAV multimedia player, follow these maintenance guidelines:
- **Screen Cleaning:** Use a soft, lint-free cloth to gently wipe the touchscreen. Avoid abrasive cleaners or harsh chemicals.
 - **Software Updates:** Periodically check for and install software updates to ensure the system runs efficiently and has the latest features and security patches.
 - **Environmental Conditions:** Avoid exposing the unit to extreme temperatures or direct sunlight for prolonged periods.
 - **Cable Connections:** Ensure all cables remain securely connected to prevent intermittent issues.

7. TROUBLESHOOTING

If you encounter issues with your ZWNAV multimedia player, refer to the following common troubleshooting steps:

- **No Power:** Check all power connections. Ensure the vehicle's ignition is on.
- **No Sound:** Verify volume settings. Check speaker connections. Ensure the correct audio source is selected.
- **Touchscreen Unresponsive:** Perform a soft reset (refer to the device's specific reset procedure, often a small reset button or holding the power button). Ensure the screen is clean and free of debris.
- **GPS Signal Issues:** Ensure the GPS antenna is properly installed and has a clear view of the sky. Update navigation maps if necessary.
- **Bluetooth Pairing Failure:** Ensure Bluetooth is enabled on both the unit and your smartphone. Delete previous pairings and try again.
- **CarPlay/Android Auto Not Connecting:** Check USB cable connection (for wired). Ensure Wi-Fi is enabled for wireless connections. Restart both the unit and your phone.

If problems persist after attempting these steps, please contact ZWNAV customer support.
