PACKAGE CONTENTS

Before assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- 2 x Chair Backrests
- 2 x Chair Seats
- 4 x Front Legs
- 4 x Back Legs
- 2 x Seat Cushions
- Assembly Hardware (bolts, washers, nuts, Allen wrench)
- Assembly Instructions (detailed diagram)

ASSEMBLY INSTRUCTIONS

Assembly typically takes 10-20 minutes per chair. Refer to the detailed assembly diagram included in your

package for specific part identification and steps. It is recommended to loosely fix all accessories with screws until assembly is completed, then tighten them.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part and compare it with the parts list in your included manual.
2. **Attach Backrest to Seat:** Align the backrest with the seat frame. Insert the appropriate bolts and washers, hand-tightening them initially.
3. **Attach Legs:** Connect the front and back legs to the seat frame. Ensure the legs are oriented correctly as per the diagram. Insert bolts and washers, hand-tightening them.
4. **Align and Tighten:** Once all major components are loosely assembled, place the chair on a flat, level surface. Gently press down on the seat to ensure all parts are properly aligned. Using the provided Allen wrench, gradually tighten all bolts in a crisscross pattern until secure. Do not overtighten.
5. **Install Cushions:** Place the seat cushions onto the chair seats. Use the attached straps to secure the cushions to the chair frame, if applicable.
6. **Adjust Foot Pads:** If the chair wobbles, adjust the leveling foot pads on the bottom of each leg until the chair is stable.

OPERATING INSTRUCTIONS

These chairs are designed for comfortable seating in outdoor environments.

- Ensure the chair is placed on a stable and level surface before sitting.
- Sit gently into the chair; avoid dropping into it or applying excessive force.
- Do not use the chair as a step stool or ladder.
- The chairs are suitable for various outdoor spaces such as patios, decks, gardens, and poolside areas.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Garvee patio chairs.

- **Cleaning the Frame:** Wipe down the cast aluminum frame with a damp cloth. For more stubborn dirt, a mild soap solution can be used, followed by rinsing with water. Dry thoroughly to prevent water spots.
- **Cushion Care:** The cushions are water-resistant and fade-resistant. For general cleaning, wipe with a damp cloth. For deeper cleaning, use a mild soap solution and rinse thoroughly. Allow cushions to air dry completely before storage or reuse.
- **Seasonal Storage:** During prolonged periods of non-use or harsh weather conditions, it is recommended to store the chairs and cushions in a dry, protected area. The chairs are stackable for convenient storage.
- **Hardware Check:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten as needed to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair wobbles after assembly.	Bolts not tightened evenly; uneven surface.	Ensure all bolts are tightened securely and evenly. Adjust the leveling foot pads on each leg until the chair is stable.
Difficulty during assembly.	Incorrect part orientation; bolts overtightened too early.	Refer to the included assembly diagram for correct part orientation. Ensure bolts are only hand-tightened until all parts are aligned, then fully tighten.
Cushions slide off the chair.	Cushion straps not secured.	Utilize the attached straps to tie the cushions securely to the chair frame.
